FEB 14 2005

Dear Operator or Working Interest Owner:

In our "Dear Operator Letters" effective April 1, 2004, and October 1, 2004, the Minerals Management Service (MMS) notified you of specific offshore Federal leases in the Gulf of Mexico (GOM) and Pacific Outer Continental Shelf (Pacific) that were selected to participate in the crude oil Royalty in Kind (RIK) programs. In accordance with the terms of that letter, we are notifying you of the termination of crude oil in-kind status of certain offshore Federal leases in the GOM and Pacific.

The in-kind status of the leases listed in the enclosure terminates for crude oil on March 31, 2005, and the oil royalties will be payable in value rather than in kind, **effective April 1, 2005**. Please notify the appropriate working interests of the changes in royalty status for these leases.

You must continue to report crude oil production and royalties to MMS on the Oil and Gas Operations Report. Effective April 1, 2005, you must report crude oil royalties in value on the Report of Sales and Royalty Remittance (Form MMS-2014) under the MMS reporting requirements specified in MMS regulations and the MMS Mineral Revenue Reporter Handbook at <http://www.mrm.mms.gov/ReportingServices/PDFDocs/RevenueHandbook.pdf>. Please visit our website at www.mrm.mms.gov for information regarding properties participating in RIK sales.

Sincerely,

Stacy Leysnon
Manager, RIK Oil Marketing
