

MMS/MRM/RIK
Mail Stop 330B2

Dear Operator or Working Interest Owner:

In our "Dear Operator Letter" dated February 15, 2005, the Minerals Management Service (MMS) notified you of specific offshore Federal leases in the Gulf of Mexico (GOM) and the Pacific Outer Continental Shelf, that were selected to participate in a crude oil Royalty in Kind (RIK) program. In accordance with the terms of that letter, we are notifying you of the termination of crude oil in-kind status of certain offshore Federal leases in the GOM

The in-kind status of the leases listed in the enclosure terminates for crude oil on September 30, 2005, and the oil royalties will be payable in value rather than in kind, **effective October 1, 2005**. Please notify the appropriate working interests of the changes in royalty status for these leases.

You must continue to report crude oil production and royalties to MMS on the Oil and Gas Operations Report. Effective October 1, 2005, you must report crude oil royalties in value on the Report of Sales and Royalty Remittance (Form MMS-2014) under the MMS reporting requirements specified in MMS regulations and the MMS Mineral Revenue Reporter Handbook at [http://www.mrm.mms.gov/Reporting Services/PDFDocs/RevenueHandbook.pdf](http://www.mrm.mms.gov/Reporting%20Services/PDFDocs/RevenueHandbook.pdf). Please visit our website at www.mrm.mms.gov for information regarding properties participating in RIK sales.

If you have any questions please call Crystel Edler at 303-231-3126 or Richard Fantel at 303-231-3502.

Sincerely,

Pamela Rieger
Deputy Program Manager
Royalty In Kind

Enclosure

**Minerals Management Service
Royalty in Kind Program
Properties reverting to Royalty In -Value beginning October 1, 2005**
