

# Participating member of the NOAA HPC Board

NOAA's HPC resources directly support the accomplishment of NOAA's mission goals.

The HPC Board ensures the optimal application of NOAA's HPC resources for accomplishing those goals. The Director of the HPCC office is a member of the HPC Board.

# Participating member of the NOAA HPC Board

The OCIO and HPCC offices support the HPC Board. NOAA Administrative Order (NAO) 216-10 specifies the role of the HPC Board and the CIO. The NAO states that “The HPC Board will oversee and integrate the execution of prioritized and funded requirements using HPC”, it further states that “The CIO, or a designee (subject to the concurrence of the EMP Program Manager), will chair the HPC Board”.

\* The NOAA CIO is the Chairperson of the HPC Board
