### Public Housing Development— Technical Amendments; Correction

**AGENCY:** Office of the Assistant Secretary for Public and Indian Housing, HUD.

**ACTION:** Final rule; correction.

**SUMMARY:** On April 1, 1991 (56 FR 13281), the Department published in the Federal Register, a final rule that made certain technical changes to the regulations at 24 CFR part 941, which govern public housing development by public housing agencies. The preamble to the final rule advised that HUD-assisted public housing is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157), and that § 941.208(c) is amended to codify this statutory requirement. (See 56 FR 13281.) However, the text of § 941.208, as published in the April 1, 1991 final rule, failed to include reference to the Architectural Barriers Act. (See 56 FR 13282.) The purpose of this document is to correct § 941.208(c) to include reference to the Architectural Barriers Act.

Rattley, Director, Office of Construction, Rehabilitation and Maintenance, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410-8000, telephone (202) 708-1800, or (202) 708-0850 (TDD). Accordingly, in FR Doc. 91-1522, published in the Federal Register on April 1, 1991, at 56 FR 13280, 24 CFR part 941 is amended by correcting § 941.208(c) to read as follows:

30 CFR Part 260

RIN 1010-AB67

### Outer Continental Shelf Oil and Gas Leasing

**AGENCY:** Minerals Management Service (MMS), Interior.

**ACTION:** Final rule, technical amendment.

**SUMMARY:** The Minerals Management Service (MMS) is amending its regulations at 30 CFR 260.110(b) regarding gas product valuation regulations to correct a technical error.

**EFFECTIVE DATE:** May 23, 1991.

**FOR FURTHER INFORMATION CONTACT:** Dennis C. Whitcomb, Chief, Rules and Procedures Branch, Minerals Management Service, Royalty Management Program, Denver Federal Center, Building 85, P.O. Box 25185, Mail Stop 3910, Denver, Colorado 80225, (303) 231-3432 or (FTS) 328-3432.

### SUPPLEMENTARY INFORMATION:

#### I. Final Rule Amendment

Revised final gas product valuation regulations were published in the Federal Register on January 15, 1988 (53 FR 1230). At the time the final regulations were published, MMS inadvertently failed to revise a citation in 30 CFR 260.110(b) that references § 206.150 of the old regulations. The citation to the corresponding provisions in the revised regulations should be to §§ 206.102, 206.152, and 206.153. The MMS is publishing this final rule amendment to correct this technical error.

#### II. Procedural Matters

##### *Administrative Procedure Act*

The change included in this rulemaking is a technical correction only and is not a substantive change. Accordingly, pursuant to 5 U.S.C. 553(b), it has been determined that it is unnecessary to issue proposed regulations before the issuance of this final regulation. For the same reason, it has been determined that in accordance with U.S.C. 553(d), there is good cause to make this regulation effective on the date of publication in the Federal Register.

##### *Executive Order 12291 and Regulatory Flexibility Act*

The Department of the Interior has determined that this document is not a major rule under Executive Order 12291 and certifies that this document will not have a significant economic effect on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 et seq.).

##### *Executive Order 12630*

Because this rule is a technical correction only and is not a substantive change, the Department certifies that the rule does not represent a governmental action capable of interference with constitutionally protected property

rights. Thus, a Takings Implication Assessment need not be prepared pursuant to Executive Order 12830, "Government Action and Interference with Constitutionally Protected Property Rights."

*Paperwork Reduction Act of 1980*

This rule does not contain information collection requirements which require approval by the Office of Management and Budget under 44 U.S.C. 3501 et seq.

*National Environmental Policy Act of 1969*

It is hereby determined that this rulemaking does not constitute a major Federal action significantly affecting the quality of the human environment, and a detailed statement pursuant to section 102(2)(C) of the National Environmental Policy Act of 1969 [42 U.S.C. 4332(2)(C)] is not required.
