

Paraguay and the U.S. Generalized System of Preferences (GSP) Program

How to Use GSP Duty-Free Benefits to Increase Paraguay's Exports

December 2007

What is GSP?

The U.S. GSP program provides duty-free treatment for about 3,400 types of exports from Paraguay and 130 other developing countries. Least-developed beneficiaries are able to export another 1400 exports free of duty to the United States. The purpose of the GSP program is to give these exports a competitive edge in the U.S. market. U.S. companies and customers are especially interested in buying goods through the GSP program because the exports are not charged tariffs, upon entering the United States, that can range from two percent to seventeen percent of the items' cost. U.S. imports under GSP in 2006 from all beneficiary countries totaled \$32.6 billion.

Many items are eligible for GSP duty-free treatment. These include most manufactured items; inputs used in manufacturing; jewelry; many types of carpets; certain agricultural and fishery products; and many types of chemicals, marble, and minerals. Not eligible for GSP duty-free treatment are certain textiles and apparel; watches; some footwear, handbags, and other leather items; luggage; most cloths and sheets for kitchen and bedroom use; and work gloves. The chart below shows the percentage of product types entering the United States under the GSP program in 2006.

How does an import receive GSP duty-free treatment?

A GSP-eligible import must meet the following requirements:

- included on the list of GSP-eligible articles;
- be imported into the United States directly from Paraguay or pass through another country under a bill of lading
- be the growth, product, or manufacture of Paraguay;
- if some materials used to make the product are imported into Paraguay, the cost of the Paraguayan materials plus the cost of processing must equal at least 35 percent of the product's sales price;

- imported materials can count toward that 35 percent only if the imported materials are “substantially transformed” and then used to produce or manufacture the export
- “substantially transformed” means that the imported items go through at least two types of changes in form from when they were first imported
- **MOST IMPORTANTLY:** The importer must request duty-free treatment under GSP by placing an “A,” in front of the U.S. tariff line (HTSUS) number that identifies the imported article on U.S. Customs Entry Form 7501 (see **page five**).

What documents are needed to ensure GSP duty-free treatment?

- For agricultural exports:
 1. Producer’s statement verifying which town and farm the product is grown on
 2. Description of product and quantity
 3. Dated invoices for costs incurred
- To verify 35 percent rule of origin rule
 1. Dated invoices for materials used to produce good and from where
 2. Description of product and quantity
- If processing operations are involved:
 1. Description of processing and location
 2. Direct costs of processing operations
- NOTE: Must keep all documents for at least 5 years

Paraguay’s Use of GSP Preferences

U.S. imports from Paraguay under GSP were \$24.7 million in 2006, accounting for 48.1 percent of overall U.S. imports from Paraguay in 2006 (see Attachment One). In 2006, Paraguay utilized 98.2 percent of potential GSP benefits and in 2007 has utilized 99 percent of potential GSP benefits during Jan-September 2007. The rate at which U.S. importers claim GSP duty-free treatment for GSP-eligible imports is well above the most current global GSP utilization rate average of 87.9 percent.

From January through September 2007, Paraguay has been the twenty-seventh largest user of the GSP program. U.S. imports from Paraguay under GSP were \$30.6 million in 2005, \$24.7 million in 2006 and \$28.8 million in the first 9 months of 2007. Products imported from Paraguay under GSP in 2005 and 2006 were diverse and included:

- Cane/beet sugar & pure sucrose, refined, solid, or raw in solid form w/o added coloring or flavoring, or to be used for certain polyhydric alcohols (HTS 17019910, 17011110, 17011120) (duties saved 1.4 to 3.6 cents/kg)
- Non coniferous wood continuously shaped along any of its ends(HTS 44092905) (duties saved 3.2 percent)
- Plywood sheet not over 6 mm thick, at least one outer ply of non coniferous wood or tropical hard wood, or face ply of Spanish cedar or walnut (HTS 44123231, 44123125) (duties saved 8 percent)
- Animal products unfit for human consumption (HTS 05119940) (duties saved 1.1 percent)
- Builders’ joinery and carpentry of wood (HTS 44189046) (duties saved 3.2 2.8 percent)
- Saddlery and harnesses for animals (HTS 42010060) (duties saved 2.8 percent)
- Activated natural mineral products, animal black, including spent animal black (charcoal derived from animal bones) (HTS 38029050) (duties saved 4.8 percent)
- Parts and accessories of motor vehicles (HTS 87089981) (duties saved 2.5 percent)
- Plastic articles of apparel and clothing accessories (HTS 39262090) (duties saved 5 percent)

- Cane molasses (HTS 17031030) (duties saved are 0.35 cents/liter)

Between January through August 2007, an additional \$289,000 in GSP-eligible exports to the United States could have received duty-free treatment, assuming they met GSP-eligibility requirements, if U.S. importers had claimed them under GSP (see Attachment Two). U.S. imports from Paraguay that could have been claimed in 2007 under GSP are:

- Plywood sheets not over 6 mm thick, tropical wood at least one out ply (HTS 44123151) (MFN duty: 8.0 percent)
- Grape wine, other than “Marsala”, not sparkling or effervescent (HTS 22042180) (MFN duty: 16.9 cents per liter)
- Builders joinery and carpentry of wood (HTS 44189046) (MFN duty: 3.2 percent)
- Ceramic (other than porcelain, china, or earthenware) ornamental articles (HTS 69139050) (MFN duty: 6 percent)
- Juice of any single fruit (including cherries and berries), concentrated or not (HTS 20098060) (MFN duty: 0.5 cents per liter)

How to Export More Paraguayan Products Using GSP Duty-Free Benefits

Claim the GSP Savings: Paraguayan producers and exporters need to make sure that they mark U.S. customs entry form 7501 with an “A” before the product’s tariff number to ensure GSP duty-free treatment (see page four).

Export GSP-eligible textile and apparel items (see Attachment Three):

In general:

- 57025120: Floor coverings (hand-woven and not of pile construction) (4.3%)
- 57031020: Tufted hand-hooked carpets & other floor coverings of wool or fine animal hair (6%)
- 51161008: Sports gloves, mitts, and mittens (2.8%)
- 65069900: Headgear of materials other than rubber, plastics, or furskins, whether or not lined or trimmed
- 66019900: Umbrellas, other than garden or similar umbrellas, w/out a telescopic shaft (8.2%)
- 56089023: Hammocks, of cotton (14.1%)
- 63079085: Wall banners, of man-made fibers (5.8%)
- 63079098: National flags and other made-up articles of textile materials, nesoi (7%)
- 64059020: Disposable footwear, nesoi, designed for one-time use (3.8%)
- 64061072: Uppers for footwear, nesoi, of cotton, w/external surface area less than 50% textile materials (11.2%)
- 64061085: Uppers for footwear, nesoi, of materials nesoi, w/external surface area less than 50% textile materials (4.5%)

To be GSP-eligible, these products must contain 70% or more of silk or silk waste:

- 61171040 Shawls, scarves, etc. knitted or crocheted, containing 70% or more by weight of silk or silk waste
- 61178085 Headbands, ponytail holders & similar articles, of textile materials other than containing 70% or more by weight of silk knitted or crocheted
- 62131010 Handkerchiefs, not knitted or crocheted, containing 70% or more by weight of silk or silk waste

- 62141010 Shawls, scarves, mufflers, mantillas, veils and the like, not knitted or crocheted, containing 70% or more by weight of silk or silk waste
- 62171085 Headbands, ponytail holders & similar articles, of textile materials other than containing less than 70% by weight of silk knitted or crocheted
- 62043960 Women's or girls' suit-type jackets and blazer, not knitted or crocheted, containing 70% or more by weight of silk or silk waste
- 62044910 Women's or girls' dresses, not knitted or crocheted, containing 70% or more by weight of silk or silk waste

Export Products Duty-Free to the United States that are Currently Exported Elsewhere: Paraguay exports certain goods to other countries, but not the United States in large amounts. Many of these items are eligible for duty-free treatment: marble, walnuts, natural gums, mixtures of dried fruits and nuts, dried lentils, and fruit seeds. Exports of milk, yogurt, candies, and food preparations can save duties of up to 17 percent under GSP, offering a strong competitive advantage in the U.S. market.

Export Handicrafts from Paraguay:

Many handicraft exports are duty-free, such as:

gemstones and jewelry (other than imitation)	fur head coverings
traditional games	wind, string, and drum musical instruments
paintings, sculpture, and wall hangings	wood picture frames
many types of carpets, kilims, and rugs	various types of hats
wooden statuettes, boxes, and other wood items	certain baskets and handbags of bamboo, rattan, palm leaf and vegetable material
walking sticks	

An agreement between Paraguay and the United States is in process to allow hand-loomed fabrics and hand-loomed and folklore wall hangings and pillow covers to enter the United States duty-free.
