

List of Tables

		Page Number
Table 1*	Accuracy of <i>In Vitro</i> Pyrogen Test Methods.....	xvii
Table 2-1	Summary of ICCVAM Recommended <i>In Vitro</i> Pyrogen Test Method Protocols.....	5
Table 3-1	Parenteral Drugs Used in the Validation Studies for Determining Test Method Accuracy	10
Table 3-2	Parenteral Drugs Used in the Validation Studies for Determining Test Method Reproducibility.....	11
Table 3-3*	Accuracy of <i>In Vitro</i> Pyrogen Test Methods.....	12
Table 3-4	Intralaboratory Reproducibility of <i>In Vitro</i> Pyrogen Test Methods	15
Table 3-5	Interlaboratory Reproducibility of <i>In Vitro</i> Pyrogen Test Methods: Study One	17
Table 3-6	Interlaboratory Reproducibility of <i>In Vitro</i> Pyrogen Test Methods: Study Two.....	18

*Tables 1 and 3-3 are identical. Table 1 provides supporting information for the Executive Summary, while Table 3-3 provides the information in Section 3.2, where test method accuracy is discussed in greater detail.
