Dear Interested Party:

The District Ranger for the Salida Ranger District of the Pike-San Isabel National Forest has signed the Decision Memo for the Little Annie Vegetation Project Categorical Exclusion. The project will occur in the Fourmile Creek drainage northeast of Buena Vista, Colorado. A copy of the Decision Memo is enclosed for your review.

This decision is subject to administrative appeal pursuant to 36 CFR part 215 regulations. Appeals (including attachments) must be in writing and filed (regular mail, fax, e-mail, hand delivery, express delivery, or messenger service) with the Appeal Deciding Officer (CFR 215.8) within 45 days following the date of publication of the legal notice in the Mountain Mail. The publication date of the legal notice in the newspaper of record is the exclusive means for calculating the time to file an appeal (CFR 215.15(a)). Those wishing to appeal should not rely upon dates or timeframe information provided by any other source. Pursuant to 36 CFR 215.13(b) only those individuals or organizations who submitted substantive comments during the comment period may file an appeal.

The appellant is responsible for submitting an appeal on or before the last day of the appeal period. Where there is a question about timeliness, the US Postal Service postmark on a mailed appeal or the time and date imprint on a facsimile appeal will be used to determine timeliness.

Pursuant to 36 CFR 215.9(a), if no appeal is filed, implementation of this decision may occur on, but not before, the fifth day from the close of the appeal filing period.

For additional information concerning this decision or the Forest Service appeal process, contact William A. Schuckert, District Ranger, Salida Ranger District, at (719) 539-3591.

Sincerely,

/S/ WILLIAM A. SCHUCKERT
