The Arboretum Trail is a short, easy to walk trail that provides an educational experience for visitors. The trail passes through a variety of trees planted in the 1940's as part of a tree-growth experiment. These tree species, coming from Europe, Asia and from all over the United States, offer a variety of wildlife viewing opportunities as well as recreational experiences. The Arboretum trail is scenic and secluded for the nature enthusiast.

LOCATION

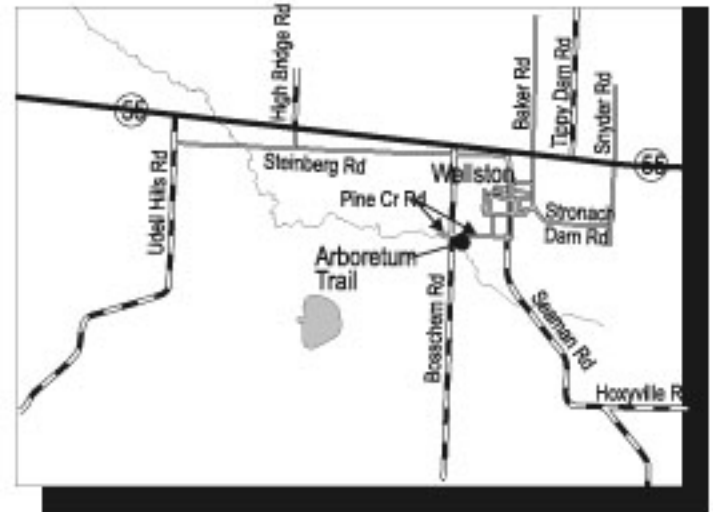

The Arboretum Trail is located in the southern part of Manistee County about 1 mile southwest of Wellston, Michigan.

ACCESS

From Wellston, travel west on M-55 for 1 mile to the junction of Bosschem Road. Turn left on Bosschem Road and travel 1 mile south to the parking area, which is located at the intersection with Pine Lake Road.

FACILITIES AVAILABLE

Educational signs dot the trail to enhance the visitor's nature experience.

SEASON

The trail is open year around. Please check with the Manistee Ranger Station for additional information.

FEES

There are no fees required for using the Arboretum Trail.

CONSIDERATIONS

Length of trail: .84 mile (4435 feet)

Level of trail difficulty: Easy

Care should be taken to keep the trail system clean and in the condition it was found, so visitors are asked to please pack out what they pack in.
