

## INFORMATION FOR APPLICANT

## Application For An Airman Certificate and/or Rating

Information requested on this form is solicited under the authority of Title 49 of the United States Code (Transportation) sections 109(9), 40113(a), 44701-44703, and 44709 (1994), formerly codified in the Federal Aviation Act of 1958, as amended, and Title 14 of the Code of Federal Regulations (CFR), Part 67, Medical Standards and Certification. Submission of this information is mandatory and incomplete submission will result in delay of consideration or denial of application for an airman medical certificate.

**Privacy Act Statement** 

The purpose of this information is to determine whether an applicant meets Federal Aviation Administration medical requirements to hold an airman medical certificate for further consideration under 14 CFR 11.53 and 67.401. It is also used to depict airman population patterns and to update certification procedures and medical standards. The information collected on this form becomes a part of the Privacy Act System of Records DOT/FAA 847, General Air Transportation Records on Individuals, and is provided the protection outlined in the system's description as published in the *Federal Register*.

## **Paperwork Reduction Act Statement:**

The information collected on this form is necessary to determine applicant eligibility for flight engineer or flight navigator certificates. The information is used to determine certification eligibility. We estimated that it will take 6 minutes to complete the form. The information collection is required to obtain a benefit. The information collected becomes part of the Privacy Act system of records DOT/FAA 847, General Air Transportation Records on Individuals. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number associated with this collection is 2120-0007.

Tear off this cover sheet before submitting this form.

Form Approved OMB NO. 2120-0007
