Sample Format Table 2

PREP Cumulative Report for Competing Renewal

Student Participants and Outcomes During the 4-year Funding Period
(*include data for the last 8 years of funding as applicable*)

Participants	Year(s) of participation in the program	Current status (include contact information for graduate programs if applicable)	Ph.D. programs applied to (include the names of the institutions)	Ph.D. programs accepted into (include the names of the institutions)	Ph.D. program enrolled in (include the names of the institutions and expected dates of graduation)
1 Jane Smith	2004, 2005	Ph.D. candidate (Department of Cell and Molecular Biology, University of… …biology@univ.edu)	Bioinformatics, University of… Molecular Biology, University of… University of…	Bioinformatics, Department of Cell and Molecular Biology, University of… Molecular Biology, University of… University of…	Bioinformatics, University of… Expected graduation date: Fall 2010
2 Joe Smith	2006	Second year Ph.D. student (Molecular Biology, Department of…, University of… biology@univ.edu)	Molecular Biology, University of… University of… University of…	Molecular Biology, University of… University of…	Molecular Biology, University of... Expected graduation date: Spring 2011
3 Jane Doe	2006	Research Scientist, (Applied Sciences, Inc….@api.com)	Molecular Biology, University of…	Molecular Biology, University of…	Not applicable
4 Eve Adam	2006, 2007	First year Ph.D. student (Biochemistry, Department of Chemistry, University of… biology@univ.edu)	Biochemistry University of… University of… Current PREP institution	Biochemistry University of... Current PREP institution	Biochemistry University of… Expected graduation date: Spring 2012
5 Name 1	2007	First year Ph.D. student (Department of Biomedical Engineering, current PREP institution, …@univ.edu)	Systems Biology University of… University of… Current PREP institution	Systems Biology University of… University of… Current PREP institution	Systems Biology Current PREP institution Expected graduation date: Spring 2012
6 Name 2	2007	First year Ph.D. student (Computational Biology, Department of Biological Sciences, University of… …@univ.edu)	Computational Biology University of... University of... University of… Current PREP institution	Computational Biology University of… University of... Current PREP institution	Computational Biology Current PREP institution Expected graduation date: Spring 2012
7 Name 3	2007, 2008	PREP participant (second year apprenticeship, …@univ.edu)	Not applicable	Not applicable	Not applicable
8 Name 4	2008	PREP participant (…@univ.edu)	Not applicable	Not applicable	Not applicable
9 Name 5	2008	PREP participant (…@univ.edu)	Not applicable	Not applicable	Not applicable
