Road Construction Activities in the Maury Mountains

PAULINA-Road construction activities associated with the Tack Timber Sale recently started on several Ochoco National Forest roads that are located on the east side of the Maury Mountains (Paulina Ranger District). Contract crews are clearing brush and falling trees along Forest Roads 1670, 1670-250 and 16. Motorists are advised to use caution when traveling in the area, as crews and heavy equipment will be working for the next several weeks.
