**Rager Centennial Celebration/Paulina Ranger District Open House**

PRINEVILLE-As part of a three-day event to commemorate the 1908-2009 Centennial, employees at the Rager Ranger Station on the Paulina Ranger District, Ochoco National Forest, will be hosting an open house on Friday afternoon, June 13, from 1:00 to 3:30 p.m. District staff and employees will be on hand to answer questions about current and proposed Forest Service projects, recreation opportunities, and other topics of interest. Light refreshments will be served. The public is invited to visit the ranger station and to provide their ideas and comments.

Please join us in celebrating the last 100 years, and welcoming the next century of the Rager Ranger Station. The Friends of the Rager Ranger Station are inviting all past employees, their families, volunteers, those involved in partnerships, and Paulina residents to a Centennial Celebration on June 13-15, 2008.

The main events are a Paulina community barbeque Friday night hosted by the Paulina Store, tours and events planned at the Rager Ranger Station on Saturday, and a Sunday morning breakfast by the PauMau Club at the Paulina Community Hall. Visit the website at [www.friendsofrager.org](http://www.friendsofrager.org) for more information.
