

TRAIL ADVISORY

Issued for:

West Fork of Fish Cr. (#101T), Indian Cr. (#121T), and West Fork Indian Ridge (#104T) Trails.

There is currently a 15-20 acre Wildland Fire burning in the Middle Fork of Indian Creek Drainage. The location of the fire is: P.M.Mt., Township 13 North, Range 26 West, Section 35, NE $\frac{1}{4}$. The ignition source appears to be lightning from a past weather event. Although the fire is currently staffed by personnel, no active suppression of the fire is occurring. Since there is a potential for encountering hazardous conditions, caution should be used when using the trails listed above.

For additional information please contact the Ninemile Ranger District at (406) 626-5201.
