(click on the link for 2008 Annual Conference Information)

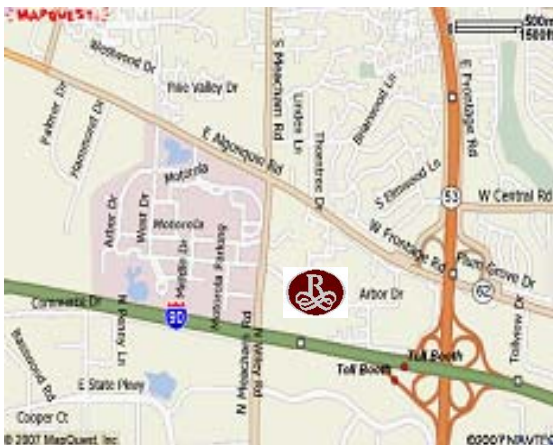

There will also be three (3) four hour pre-conference workshops scheduled for November 05, 2008. Tentatively scheduled topics are under discussion.

Pre-Conference workshops will require an additional fee to the regular conference rate.

The Renaissance Schaumburg Hotel and Convention Center embodies the Renaissance philosophy that a sense of place is realized through expressive design. Designed by the renowned John Portman and Associates, the hotel and adjoining one hundred thousand square foot convention center blend futuristic architecture with a heightened appreciation for the surrounding natural wetlands - creating a setting that provides a truly exceptional gathering place. Guest rooms are equipped with a hairdryer, high speed Internet access, in-room coffee and tea service, iron and board, telephones with voicemail, thirty-two inch flat screen television, well-lit workstation and Marriott's luxurious new bedding package. Bathrooms have a fifteen inch LCD television inset in the mirror. Enjoy upgraded services and amenities on our club floor. Recreational facilities include a fully equipped fitness center, heated indoor swimming pool, sauna and whirlpool. Parking is complimentary for overnight registered guests, restaurant patrons, and conference attendees with valet service at a charge. The Renaissance Schaumburg Hotel and Convention Center is located less than one mile from the headquarters office of Motorola and two miles from Woodfield Mall. Downtown Chicago is thirty-two miles east of the hotel.

Renaissance: Consistently unique hotels and resorts. Stay interesting!
