"So, what do you want to do with your life?"

"You should be a lawyer, a doctor, an accountant a consultant...blah, blah, blah." Everywhere you turn people try to tell you who to be and what to do with your life. We call that the noise. Block it. Shed it. Leave it for the conformists.

As a generation, we need to get back to focusing on individuality. Self-construction rather than mass production.

Define your own road in life instead of traveling down someone else's. Listen to yourself.

Your road is the Open Road. Find it.

SECTION 1.— INTERNATIONAL CLASSIFICATION

The short titles associated below with the international class numbers are terms designed merely for quick identification and are not an official part of the international classification. The full names of international classes are given in section 6.1 of the trademark rules of practice.

The designation "U.S. Cl." appearing in this section refers to the U.S. class in effect prior to Sep. 1, 1973 rather than the international class which applies to applications filed on or after that date. For adoption of international classification see notice in the OFFICIAL GAZETTE of Jun. 26, 1973 (911 O.G. TM 210).
