OCTOBER, NOVEMBER, and DECEMBER 2008

SCHEDULE OF PROPOSED ACTIONS (SOPA)

Welcome to the October 2008 issue of the **San Juan SOPA**. This schedule is produced quarterly and includes all National Environmental Policy Act (NEPA) project proposals and Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) projects that we anticipate working on over the next three to twelve months.

There are again three sections in this issue, each with its own set of page numbers: (1) Cover sheet, CERCLA projects, and definitions on first three pages, (2) BLM (including CANM) projects on next 10 pages, (3) Forest Service projects on pages numbered 1 through 22.

Look for the types of projects that interest you. If you'd like to be involved, please contact the project leader for further information. If you send written comments via fax machine, we ask that you also send a copy via regular U.S. mail. If you wish to be added to, or removed from our mailing list, please call Laura Stransky at 970-385-1216.

The S.O.P.A. is also available on the Web at www.fs.fed.us/r2/sanjuan/projects/, under the NEPA Projects (SOPA) heading.

Your continued interest and involvement on the San Juan Public Lands is appreciated and welcome!
