FOR IMMEDIATE RELEASE

Date: July 16, 2008

Caution urged on roads in vicinity of Pierce

Orofino, Idaho—Motorists traveling Pierce-Superior Road No. 250 or Red Cloud Ridge Road No. 5170 are encouraged to drive with caution and to expect to encounter heavy logging traffic over the next few weeks.

According to Clearwater National Forest Timber Contracting Officer Mark Craig, approximately 30 loads of logs per day will be hauled from the Gezel stewardship project beginning July 14. The Gezel area is located approximately four miles southeast of Pierce.

Questions about the status of Forest Service roads in the area should be directed to the North Fork Ranger District at (208)476-4541.
