FOR IMMEDIATE RELEASE

Date: August 25, 2008

Lolo Motorway Open for Travel

Kooskia, ID—A five-mile section of the Lolo Motorway (Forest Road 500) that was closed from Deep Saddle to the road's junction with Road 560 has been re-opened to travel.

Fire activity has subsided in the area; however, motorists should drive with caution as rocks and other debris may still roll onto the roadway. Lingering smoke may also hamper visibility.

For additional information please contact the Lochsa Ranger District at (208)926-4274.
