

# Table of Contents

## Volume 1 of 2

<b>List of Abbreviations.....</b>	<b>vii</b>
<b>Peer Review Panel Members .....</b>	<b>ix</b>
<b>Acknowledgements.....</b>	<b>x</b>
<b>Preface .....</b>	<b>xv</b>
<b>Executive Summary .....</b>	<b>xix</b>
<b>I. Up-and-Down Procedure (UDP) Peer Panel Report, July 25, 2000 Meeting .....</b>	<b>I-1</b>
1. Introduction .....	I-3
2. UDP Protocol: General Considerations.....	I-6
3. UDP Protocol: Revised Primary Test.....	I-10
4. UDP Protocol: Revised Limit Test.....	I-14
5. UDP Protocol: Supplemental Test for Slope and Confidence Limits .....	I-20
6. References .....	I-25
Addendum I: Estimating a Point on the Dose-Response Curve.....	I-29
Addendum II: Considerations for Estimating the Slope .....	I-30
Addendum III: Summary of the Statistical Evaluation of the Revised UDP .....	I-31
Addendum IV: Modified Isotonic Estimates of the Dose-Response Function .....	I-33
<b>II. UDP Peer Panel Report, August 21, 2001 Meeting .....</b>	<b>II-1</b>
1. Introduction .....	II-3
2. Revised Draft UDP Test Guideline (July 12, 2001).....	II-4
3. Proposed Confidence Interval Procedure.....	II-7
4. Software Program.....	II-8
5. References .....	II-9
<b>III. References .....</b>	<b>III-1</b>

## Appendices

<b>A - ICCVAM Test Method Recommendations.....</b>	<b>A-1</b>
<b>B - Final Revised UDP Test Guideline (U.S. EPA 10/31/01).....</b>	<b>B-1</b>
<b>C - August 2001 Peer Panel Meeting Review Materials .....</b>	<b>C-1</b>
C-1 Acute Oral Toxicity: Revised UDP Test Guideline, July 12, 2001 .....	C-3
C-2 A Proposed Procedure for Calculating Confidence Intervals .....	C-33
C-3 Description of the Acute Oral Toxicity Software Program.....	C-109
C-4 Evaluation Guidance to the Panel for the Revised UDP .....	C-111
<b>D - Federal Register Notices for the UDP .....</b>	<b>D-1</b>
D-1 Vol. 65, No. 34, February 18, 2000.....	D-3
Request for Data and Nomination of Expert Scientists	
D-2 Vol. 65, No. 106, June 1, 2000.....	D-5
Notice of Peer Review Panel Meeting and Request for Comments	
D-3 Vol. 66, No. 121, June 22, 2001 .....	D-7
Notice of Availability and Request for Comments	
D-4 Vol. 66, No. 133, July 21, 2001 .....	D-11
Notice of Peer Review Panel Meeting	
<b>E - Summary Minutes and Public Comments from the UDP Meetings.....</b>	<b>E-1</b>
E-1 Minutes and Public Comments of the Peer Review Panel Meeting.....	E-3
July 25, 2000 in Crystal City, Arlington, VA	
E-2 Minutes of the Peer Review Panel Meeting .....	E-13
August 21, 2001 in Research Triangle Park, NC	
E-3 Submitted Public Comment for the August 21, 2001 Meeting .....	E-19

## Table of Contents

### Volume 2 of 2

Note: The April 14, 2000 Background Review Document (BRD), evaluated for the July 25, 2000 Peer Review Panel Meeting, is available at <http://iccvam.niehs.nih.gov/methods/udpdocs/AllBRDlk.pdf>. For this final report, the April 14, 2000 BRD was revised to address comments from the Panel (Appendix F). Selected BRD appendices from the April 14, 2000 BRD are provided for reference (Appendices G-Q).

<b>F - Revised Background Review Document (BRD) on the UDP (October 31, 2001) .....</b>	<b>F-1</b>
<b>G - Acute Oral Toxicity: Modified UDP .....</b>	<b>G-1</b>
(U.S. EPA Revised Test Guideline 425N, April 2000)	
<b>H - Acute Oral Toxicity: UDP .....</b>	<b>H-1</b>
(OECD Test Guideline 425, adopted 21 September 1998)	
<b>I - Acute Oral Toxicity .....</b>	<b>I-1</b>
(OECD Test Guideline 401, adopted 24 February 1987)	
<b>J - Development of OECD 425 .....</b>	<b>J-1</b>
J-1    UDP: Is there a Need for Further Validation?.....	J-3
J-2    Rationale for the UDP as Submitted to OECD .....	J-11
J-3    Presentation for Test Guideline 425 – UDP .....	J-15
<b>K - UDP Primary Test: Proposed Revision of the Guideline 425 .....</b>	<b>K-1</b>
"Primary Procedure" for Point Estimation of the LD50	
<b>L - UDP Primary Test: Comparison of Stopping Rules and LD50 Estimators.....</b>	<b>L-1</b>
<b>M - The UDP Limit Test: Accuracy of <i>In Vivo</i> Limit Dose Tests .....</b>	<b>M-1</b>
<b>N - Proposed UDP Supplemental Procedure to Estimate Slope and</b>	
<b>Confidence Interval .....</b>	<b>N-1</b>
N-1    Considerations for Supplemental Procedure .....	N-3
N-2    Supplemental Procedure to Determine Slope and Confidence Interval .....	N-5
N-3    Summary Tables.....	N-9
N-4    Simulation Tables and Legends .....	N-23
N-5    Additional Simulations: Supplemental Procedures to Determine Slope.....	N-105
<b>O - The Basis for Revising the UDP.....</b>	<b>O-1</b>
O-1    Statistical Basis for Estimating Acute Oral Toxicity .....	O-3
O-2    Comparison of Classification Probabilities.....	O-13
O-3    Brief Statistical Description of the Method.....	O-17

---

<b>P - Selection of the Appropriate Animal Gender for the UDP.....</b>	<b>P-1</b>
P-1 Gender Sensitivity of Xenobiotics .....	P-3
P-2 Comparison of Male and Female Rat Oral and Dermal LD50 Values .....	P-23
P-3 Toxicological Evaluation of Pesticide Hazard to Avian Wildlife .....	P-45
P-4 Sex Dependent Metabolism of Xenobiotics .....	P-69
<b>Q - U.S. Federal Regulations for Acute Oral Toxicity .....</b>	<b>Q-1</b>
Q-1 CPSC Regulations, Administration and Enforcement .....	Q-3
Q-2 OSHA Regulations, Hazard Communication .....	Q-11
Q-3 U.S. EPA Regulations, Pesticide Registration .....	Q-17
Q-4 U.S. EPA Regulations, Pesticide Labeling.....	Q-25
Q-5 U.S. EPA Regulations, Data Requirements .....	Q-33
Q-6 U.S. EPA Regulations, New Uses .....	Q-57
Q-7 U.S. DOT Regulations, Shipping Requirements .....	Q-69
