

## 6.0 LIST OF PREPARERS

### 6.1 PROJECT MANAGEMENT TEAM

Contributor	Education and Experience	Contribution
<b>U.S. Forest Service</b>		
Susan Ranger, Recreation Planner, Naches Ranger District, OWNF	B.S. Forest Resources; 22 years with USFS as a Forester and Recreation Planner.	ID Team Leader, Recreation and Visual Resources input
<b>SE Group</b>		
Bill Granger, Principal	B.A. Biology, Alfred University; Master of Environmental Management 1988, Duke University; 17 years experience in environmental consulting and impact assessment.	Senior Project Manager, Recreation, Social and Economic Factors, Visual Resources, Land Designation and Use, Transportation, Utilities, Wetland and Stream Delineation
Kate Plant, Environmental Project Manager	B.E. Environmental Engineering, Griffith University, Queensland Australia, 1998.	FEIS Assistant Project Manager
Cathy Robinson, Wildlife Biologist (no longer with SE Group)	B.S. Entomology, University of California, Davis. 1997; 7 years experience in wildlife biology and environmental consulting.	DEIS Assistant Project Manager, Wildlife, Wetland and Stream Delineation

### 6.2 U.S. FOREST SERVICE INTERDISCIPLINARY TEAM

Contributor	Education and Experience	Contribution
Peter Forbes, District Wildlife Biologist, Naches Ranger District, OWNF	B.S. Wildlife management and Forest Management; 26 years with USFS as a Forester, Silviculturist, and Wildlife Biologist; currently District Fish, Water, and Wildlife Staff.	Wildlife, Vegetation
Barbara Jackson, Forest Landscape Architect, OWNF	B.S. Landscape Architecture with Minor in Sociology; 15 years with USFS as a Landscape Architect and Recreation Planner.	Visual Resources
Jacqueline Beidl, South Zone Archaeologist, OWNF	M.A. Cultural Anthropology and Archaeology; 15 years as archaeologist with USFS.	Technical Specialist
Susan Carter-Craig, Forest NEPA/Appeals/Litigation Coordinator, OWNF	B.A. Anthropology; 28 years with USFS, 15 of these in Planning and NEPA.	NEPA Review
William Garrigues, Hydrologist, Naches Ranger District, OWNF	B.S. Watershed Science; 25 years with USFS as a Hydrologist and Watershed Specialist.	Soil, Water, Geology

**Chapter 6: List of Preparers**

<b>Contributor</b>	<b>Education and Experience</b>	<b>Contribution</b>
Gary Torretta District Fisheries Biologist, Naches Ranger District, OWNF	B.S. Wildlife and Wildland Recreation Management; 13 years with USFS, Bureau of Land Management, and Bureau of Reclamation as a fishery biologist.	Fisheries, Threatened, Endangered, and Sensitive Species, Aquatic and Riparian Resources
Jodi L. Leingang, District Plant Ecologist, Naches Ranger District, OWNF	M.S. Landscape Ecology, B.S. Urban Horticulture; 16 years with USFS as an ecologist/botanist, NEPA coordinator, and rangeland administrator.	Vegetation, Environmental Coordinator, NEPA Review.
Diane Bedell, Outdoor Rec. Planner/Wilderness Manager, Cowlitz Valley Ranger District, GPNF	M.A. Outdoor Recreation Management; 8 years with USFS in Wilderness and Recreation Management; 15 years cumulative recreation management experience including private-non-profit and educational organizations.	Recreation, Social
David Porter, Recreation Program Manager, GPNF	B.S. Landscape Architecture; 30 years with USFS as a Landscape Architect, Recreation Planner and Program Manager.	Visual Resources, Recreation, Roadless
Aldo Aguilar, Soil Scientist, GPNF	B.S. Geology; 7 years in Forest Service Pacific Northwest Region as Geologist and soil scientist.	Soils and Geology
Rick McClure, Archaeologist, Heritage Program Manager, GPNF & Mt. Hood National Forest	M.A. Anthropology; 23 years with USFS as an Archaeologist.	Cultural Resources
Ruth Tracy, Soil and Water Program Manager, GPNF	M.S. Natural Resource; 18 years with USFS as a Hydrologist; currently Soil and Water Program Manager.	Watershed Resources
Tom Kogut, North Zone Planning Team Wildlife Biologist, Cowlitz Valley Ranger District, GPNF	B.S. Wildlife Biology; 26 years with USFS as Wildlife Biologist.	Wildlife, Vegetation
Ken Wieman, District Fish Program Manager, Cowlitz Valley Ranger District, GPNF	B.S. Fisheries; 17 years with USFS as a Fisheries Biologist.	Fisheries
Janice Peterson, Air Resource Specialist for National Forests in Washington	B.S. Forest Management, MS. Quantitative Science; 24 years with USDA Forest Service including fire and emissions research and air resource management.	Air Quality
John Roland, Forest Planner, GPNF	B.S. Forestry, M.S. Economics; 27 Years with Forest Service.	Reviewed Consistency with Forest Plan Direction

<b>Contributor</b>	<b>Education and Experience</b>	<b>Contribution</b>
Chris S. Ownby, GIS Data Services Specialist, OWNF; USFS Region 6 EWZ Data Resource Management	GIS Analyst, Public Information; 15 years with USFS.	Natural Resource Spatial and Tabular Data
Ron Pfeifer, GIS/Data Services Analyst, USFS Region 6 Data Resource Management	B.S. Forest Management; 26 years with the Forest Service; 23 years as a Forester/Silviculturist and 3 years as a GIS Analyst.	Natural Resource Spatial and Tabular Data
George J. Schaefer, Timber Sale Administrator and Acting Special Uses Administrator, Cowlitz Valley Ranger District, GPNF	A.S. Forest Technology; 33 years with USFS as a Technician in Timber, Timber Sale Administration and Small Sales.	Special Uses and US 12 Input

### 6.3 CONSULTANT TEAM

<b>Contributor</b>	<b>Education and Experience</b>	<b>Contribution</b>
<b>SE Group</b>		
Alex White, Environmental Analyst (no longer with SE Group)	B.S. Reclamation & Environmental Conservation, University of Wisconsin- Platteville, 2001.	RTC, Document Edits on the DEIS
Dan Roscoe, Environmental Analyst	B.S. Biology, Minor in Environmental Science, University of Puget Sound, 2001.	Fisheries, Vegetation, Cumulative Effects
Emily Larson, Environmental Technician (no longer with SE Group)	B.A. English Writing, Pacific Lutheran University, 2000.	DEIS Document Production, Web Coordination
Hanna Winter, Environmental Analyst	B.S. Environmental Science, Western Washington University, 2005.	FEIS Document Review and Production
Jason Marks, Environmental Planner	B.S. Environmental Policy and Natural Resource Management, Michigan State University, 1998.	Social and Economic Factors, Environmental Justice
Mark Williams, Hydrologist/Environmental Manager	B.A. Physics, University of Colorado at Boulder, 1993; M.S. Hydrometeorology, University of Arizona, 1996	WEPP Modeling Analysis
Mike Repyak, Mountain Planner/Land Planner	B.S. Landscape Architecture, University of Wisconsin, Madison, 1999.	Visual Simulations, Architectural Renderings
Mike Wonenberg, Mountain Planning Technician (no longer with SE Group)	B.A. Landscape Architecture, University of Idaho, 2001.	DEIS Visual Simulations

**Chapter 6: List of Preparers**

---

<b>Contributor</b>	<b>Education and Experience</b>	<b>Contribution</b>
Paula Samuelson, Administrative Coordinator	B.S. Recreation Administration, San Diego State University, 1992.	Document Production
Peter Williams, Mountain Planner	B.A. Environmental Planning, College of the Atlantic, 1993.	Mountain Planning/ Specifications
Shane Drexler, GIS Technician	B.A. Geography, Central Washington University, 1999.	GIS Analysis, Figure Production
Travis Spikes, Environmental Manager (no longer with SE Group)	B.S. Environmental Science, Oregon State University, 1998.	Stream and Wetland Delineation, Watershed, Geology and Soils, Climate and Snow
