SUMMER TRAVEL MAP LEGEND

This map describes summer travel opportunities from THE TIME IN THE SPRING when local conditions become suitable to support wheeled vehicle traffic on roads and trails without causing resource damage UNTIL THE BEGINNING OF THE SNOW SEASON IN THE FALL/WINTER when local conditions prevent travel on roads and trails by wheeled vehicles.

TRAVEL RESTRICTIONS & OPPORTUNITIES	
AREAS	
Ashley National Forest - Routes OPEN to motorized vehicles on designated routes as shown on this map. Areas CLOSED to all cross country travel by motorized vehicles.	
Flaming Gorge NRA - Routes OPEN to motorized vehicles on designated routes as shown on this map. Motorized vehicles allowed below high water line of Flaming Gorge Reservoir. Areas CLOSED to all cross country travel by motorized vehicles.	
Ashley National Forest - Routes OPEN to motorized vehicles on designated routes and established, undesignated routes as long as resource damage is not occurring. Routes in this area will be under review for future designation or closure. Areas CLOSED to all cross country travel by motorized vehicles.	
National Forest Wilderness - Areas CLOSED to all motorized and mechanized travel year long.
