Ashley Lake North Campground Gate Closed

The gate at the Ashley Lake North Campground, located on the Tally Lake District of the Flathead National Forest, will be closed now through May 2009. Walk-in use is permitted but services are reduced.

People that plan to access the lake throughout the winter season are encouraged to use the Ashley Lake Boat Launch located one mile northeast of the campground. The boat launch will remain open to driving traffic throughout the winter months.

For more information about recreation access around Ashley Lake, please contact Becky Smith-Powell at the Tally Lake District Office at 758-3538.
