# Advisory Circular

---

**Subject:** APPROVED AIRPORT EQUIPMENT

**Date:** 6/6/97

**AC No:** 150/5345-1V

**Initiated by:** AAS-200 **Change:**

---

- PURPOSE.** This advisory circular (AC) administratively cancels AC 150/5345-1U, Approved Airport Equipment, dated February 20, 1989, and directs replacement of any reference to AC 150/5345-1 with AC 150/5345-53, Airport Lighting Equipment Certification Program.
- CANCELLATION.** AC 150/5345-1U, Approved Airport Equipment, dated February 20, 1989, is canceled, as previously announced in AC 150/5345-53A, paragraph 3, May 15, 1995.
- APPLICATION.** Any reference to AC 150/5345-1 in any advisory circular, dated prior to May 15, 1995, or in any other FAA document, dated prior to May 15, 1995, shall be replaced with AC 150/5345-53. Background for this action is addressed in AC 150/5345-53A, dated May 15, 1995.

DAVID L. BENNETT  
Director, Office of Airport Safety and Standards
