“Coming Soon” to My Health_eVet

- Update to Rx Refill will include the names of prescriptions.

- Veteran patients will be able to request key portions of their VA electronic medical record.

- Veteran patients will have the ability to view appointments and co-pay balances.

- Users will be able to give access to some or all of their health information to others (e.g., doctors, family members, veteran advocates).

Help Protect Yourself and Your Personal Health Information

- Create strong, effective passwords of 8 characters or more, and change your password every three months.

- Always keep your password secret, and never provide your password in response to emails.

- If you are ever prompted, do not save log in details. Always log out of the site and close the browser.

- Watch for over-the-shoulder snoops. Turn the screen away from their view.
