

This list is provided by the VA Health Administration Center as a service to new beneficiaries of the Civilian Health and Medical Program, Department of Veterans Affairs (CHAMPVA). The list provides the recommended contact number for Veterans Affairs medical facilities that have been participating in the CHAMPVA In-House Treatment Program (CITI). It is not meant to be a guarantee that a facility will take you as a patient under the CITI program.

Please review the CITI brochure and fact sheet closely for information on this program. VA medical facilities may restrict or discontinue participation in the program at any time. Please contact the facility for the most up to date information on participation in the CITI program.
