- **Varsity Athletics**

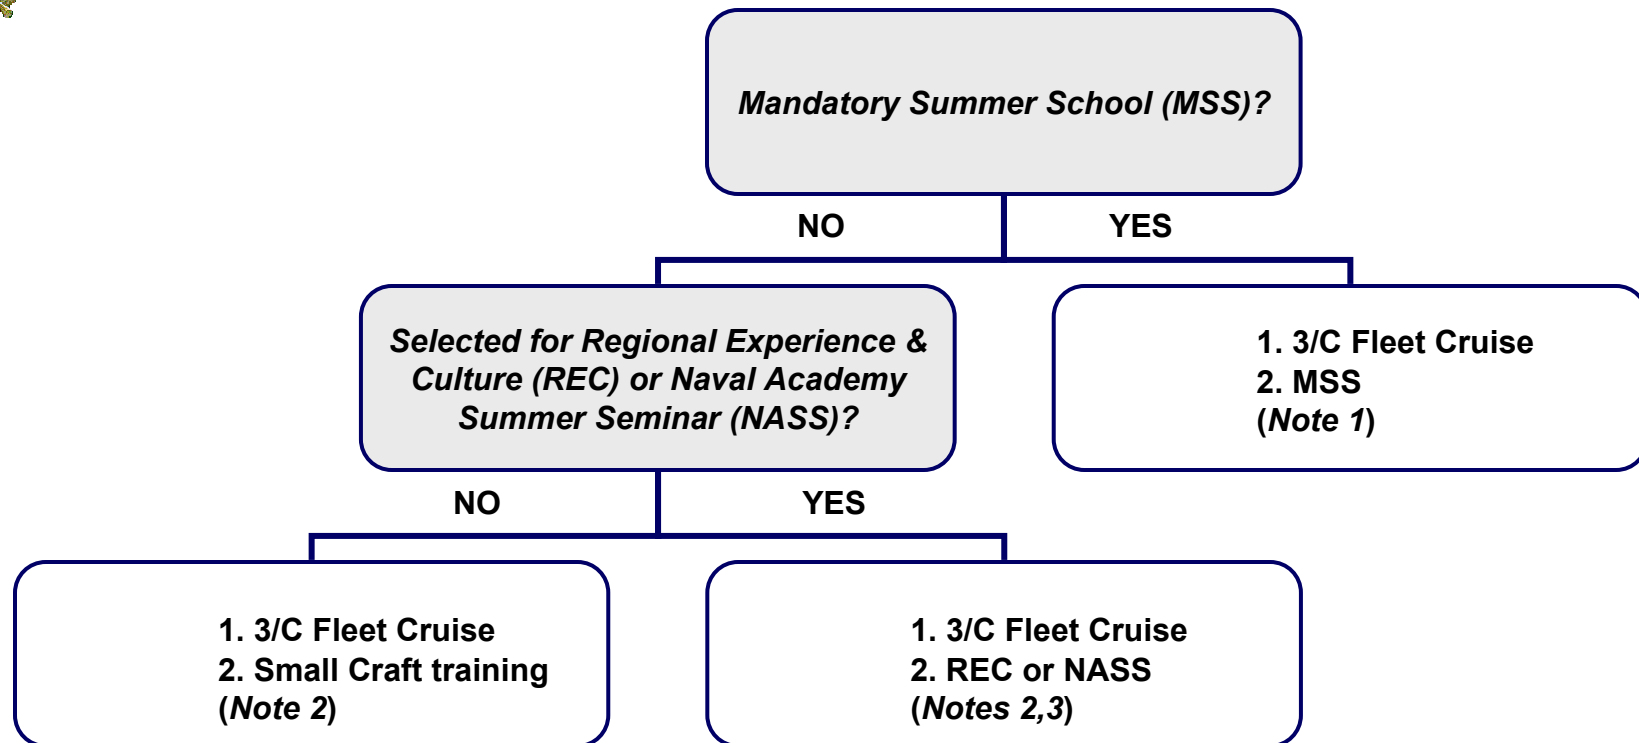

- Varsity athletics normally will not count as one of the 2 training blocks (a full block of VOST racing is an exception; comparable to CSNTS)
- Fall athletes w/ Block 3 NAAA practice → cruise priority in Blocks 0/1
- Spring athletes w/ Block 1 competitions → cruise priority in Blocks 2/3
- Rare circumstance of Midn with two MSS periods and NCAA-sanctioned practice period → Midn should be assigned Ac Year cruise or PROTRAMID-like opportunities to maximum extent

- **Foreign Midshipmen**

- Complete essentially same summer training to gain full USNA experience (CNO N3/5 concurrence)
- Submarine U/W time not authorized – investigating feasibility of non-U/W events during PROTRAMID Sub week w/ COMSUBFOR
- Conduct all other fleet training events; surface ship U/W is okay
- If home nation desires training with home Navy → coordinate w/ IPO and CNO N3/5
- Second training block commensurate with remainder of Brigade
- Case-by-case adjustments coordinated w/ chain of command

# 3/C Training Matrix

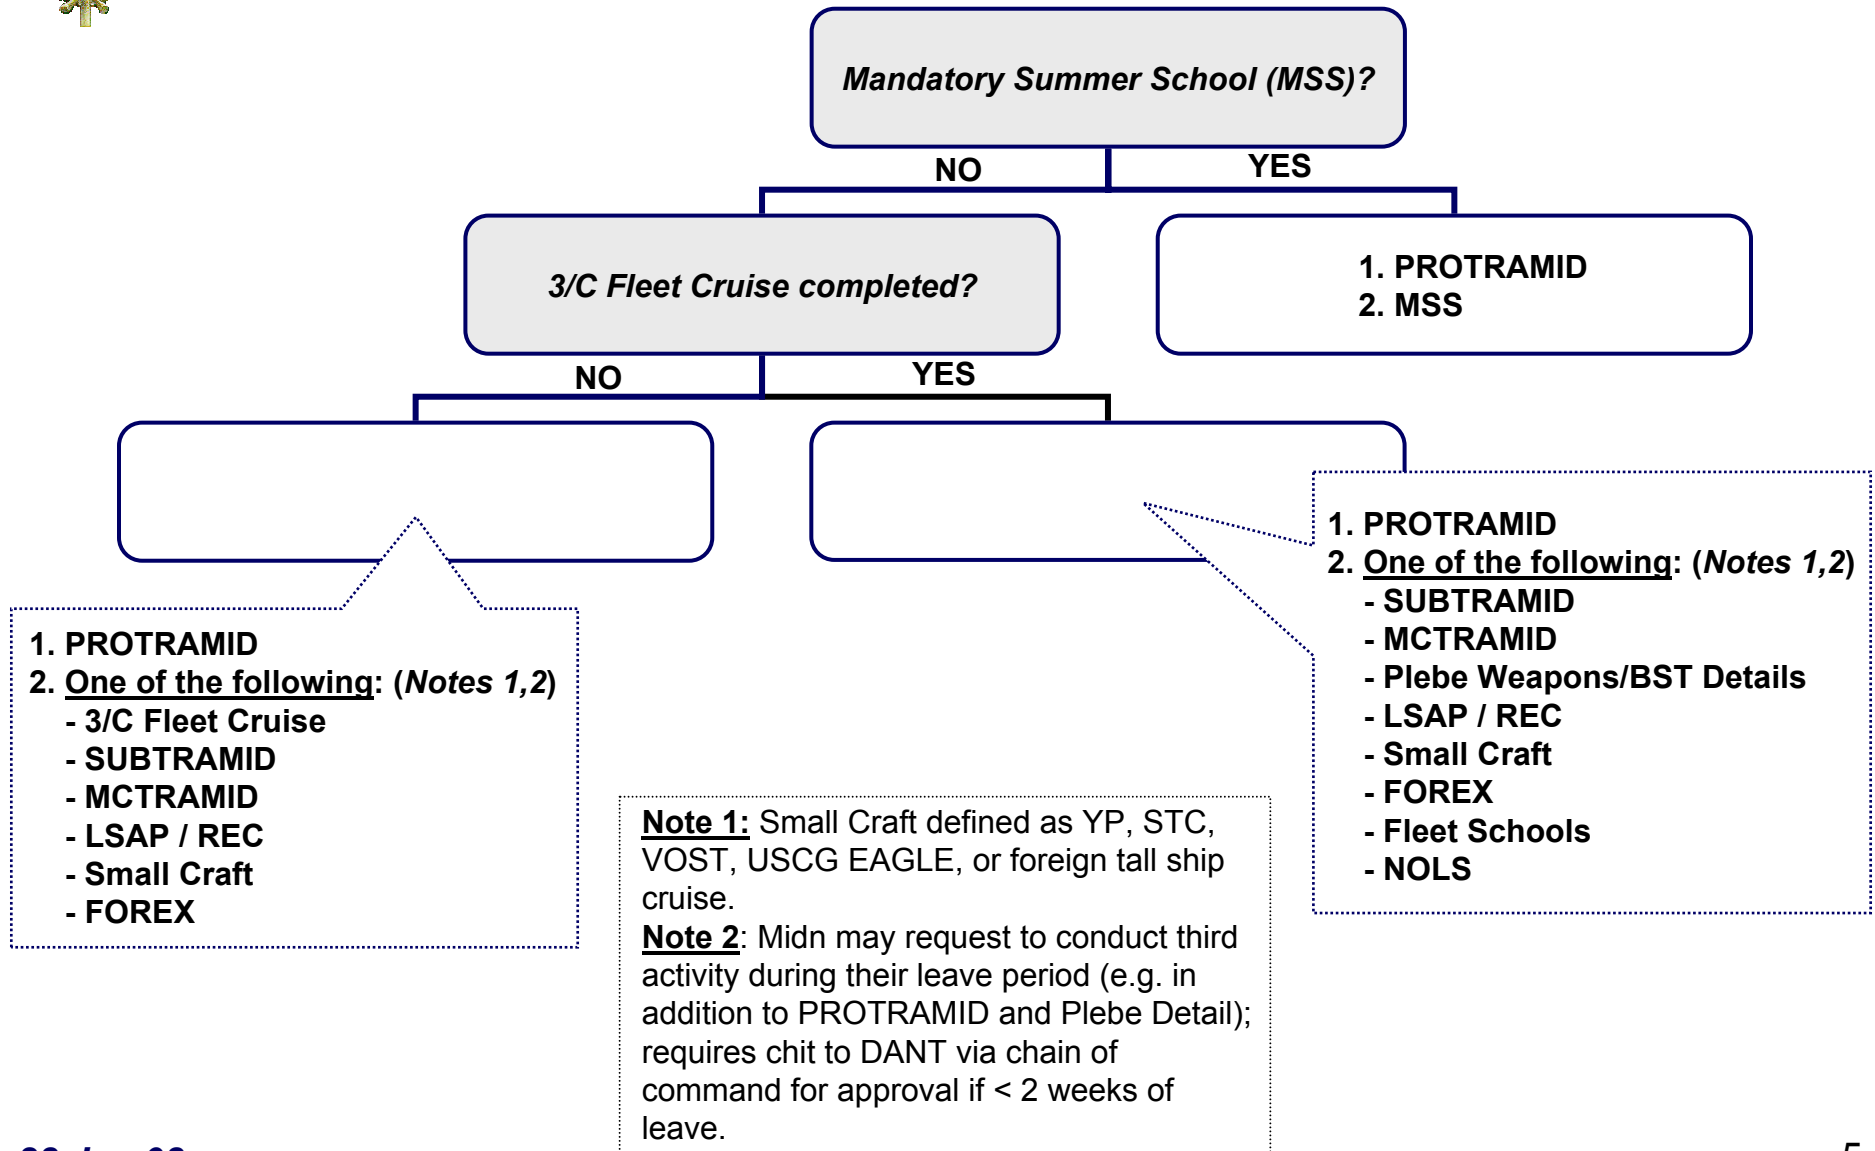

**Note 1:** Midn assigned double MSS by Academic Board or Academic Success Track should still plan on 3/C Fleet Cruise. If a varsity athlete with summer NAAA training requirements and double MSS, chain of command coordinate Summer Training plan on case-by-case basis w/ Professional Programs. Block 0 will be used if possible, should double MSS be assigned.

**Note 2:** Prior enlisted Midn who have comparable 3/C Fleet Cruise experience will still conduct two blocks of training but may conduct a YP, STC, VOST, USCG EAGLE, or foreign tall ship cruise and another training activity in lieu of fleet cruise. Voluntary Summer School may be considered on case-by-case basis w/ chain of command recommendation.

**Note 3:** Midn may request Small Craft training during leave period in addition to a Fleet cruise and NASS or REC if desired.
