

Defense Federal Acquisition Regulation Supplement

Part 248—Value Engineering

SUBPART 248.2--CONTRACT CLAUSES

248.270 Supplemental clause.

When one of the clauses prescribed by FAR Subpart 48.2 is used and the contracting officer wants value engineering change proposals submitted in the format prescribed by MIL-STD-973, use the clause at 252.248-7000, Preparation of Value Engineering Change Proposals.
