

# **MENDOCINO NATIONAL FOREST NOTICE OF DECISION**

## **Proposal Name: Wolf-Trough-Letts OHV Riding Connectivity**

On January 18, 2008, Grindstone District Ranger Eduardo Olmedo signed a decision memo to revise the current road management objective for segments of forest roads M5 and M10. Total length of the segments is about 20.7 miles. The road management objective has been to provide for low clearance vehicles; the revised objective would be to provide for high clearance vehicles. The roads are located in Colusa County, California, between five and ten miles west of the community of Stonyford. Copies of the decision memo and related environmental documents are available at the Mendocino National Forest Supervisor's Office, address below. Additional information regarding this decision can be obtained from Mike Van Dame:
