

# Telephone System Changes!

In pursuit of providing the highest quality care and services to our veterans, VA Pittsburgh Healthcare System is in the process of enhancing the entire phone system at all three divisions.

All VAPHS phone numbers will be changed. The only numbers that will remain the same will be the main hospital number: **412-688-6000** or toll free at **1-866-4VA-PITT** as well as the main Highland Drive Division number: **412-365-4900**.

The H. John Heinz, III VA Progressive Care Center's telephone replacement occurred and new phone numbers went into effect on August 1, 2008. The phone numbers at Highland Drive were changed on September 19, 2008. University Drive's phone numbers will be changed on October 31, 2008.
