VISN 16 – Gulfport/Biloxi – Comprehensive Capital & Reuse Plan

Secretary's CARES Decision

- VA will consolidate the services provided at the Gulfport VAMC to the Biloxi VAMC and will develop plans to reuse or divest the Gulfport campus.
- VA also will continue to seek sharing opportunities with Keesler AFB in support of the consolidation.
- To ensure effective implementation, VA will develop a Master Plan for transfer of services from the Gulfport VAMC to the Biloxi VAMC, and for enhanced use or disposal of the Gulfport campus.

Specific Considerations/Requirements

- The comprehensive Capital and Reuse Plans will be accomplished using demand data to determine the appropriate capacity and foot print size of the Biloxi and Gulfport campuses that maximize the re use potential of the balance of the site.
- Another contractor in coordination with this Contractor shall develop the Reuse Plan and as a part of the site options presented the most likely potential reuse for available property identified in the capital planning process is to be included. The contractors will coordinate their work and exchange information on the capital planning process and stakeholder communications.
