Vice Admiral Conrad Lautenbacher

Dear Vice Admiral Lautenbacher,

I am against the proposed changes to the Coastal Zone Management Act (CZMA) and urge you not to undertake these changes.

The combined effect of the proposed rule changes is to usurp state's rights established and strengthened by Congress, NOAA's own regulations, and three decades of practice, at the expense of our coasts. These rule changes ultimately facilitate coastal oil and gas development without regard for any other use or user of our coasts. Please withdraw the proposed CZMA rule changes.

Sincerely,

Ravi Grover
