<b>LOCATION OF PROPERTY</b>			<b>PROPERTY ADDRESS (IF APPLICABLE)</b>		
TOWNSHIP: 2N	RANGE: 15E	SECTION: 9	N/A		
QUARTER SECTION: W½SW¼		TAX LOT: Unk.			
PARCEL SIZE (ACRES): 480			COUNTY: Klickitat		
EXISTING LAND USE: Ag			STATE: WA		

**PROJECT DESCRIPTION:** Describe your proposed project, including details on structures to be built, location and types of utilities and infrastructure, drainfields, accessory buildings, ground leveling, and filling, or any other relevant activity or mitigation measures proposed. Use additional sheets as necessary:

This proposal involves authorization of a new 7.2 kV overhead power line. This line would stem off of an existing 66kV overhead power line the main line that crosses the W½SW¼ sec. 9, T. 2N, R. 15E. and travel in a generally southwesterly direction across NFS land approximately 827' to the south boundary of section 9, where it would then enter onto private land for an additional 330'. The easement will be 28' wide – 14' each side of centerline. Two new poles would be placed on NFS land – one just south of Hwy. 14 inside of the State's easement, and one just south of Wishram Road within Klickitat

County's easement. The poles would be 40' wooden poles with crossarm construction. The poles would be buried 6 feet deep. This new line would cross over Hwy. 14. The PUD has an approved permit from WSDOT, permit U1361, to cross the highway. Two addition poles would be placed on private property in section 16.

**NOTE:** Klickitat County incorrectly displays landownership in section 9. Land under jurisdiction of the Forest Service is indicated to be "Indian land".

**Application Checklist: the following is required to complete your application:**

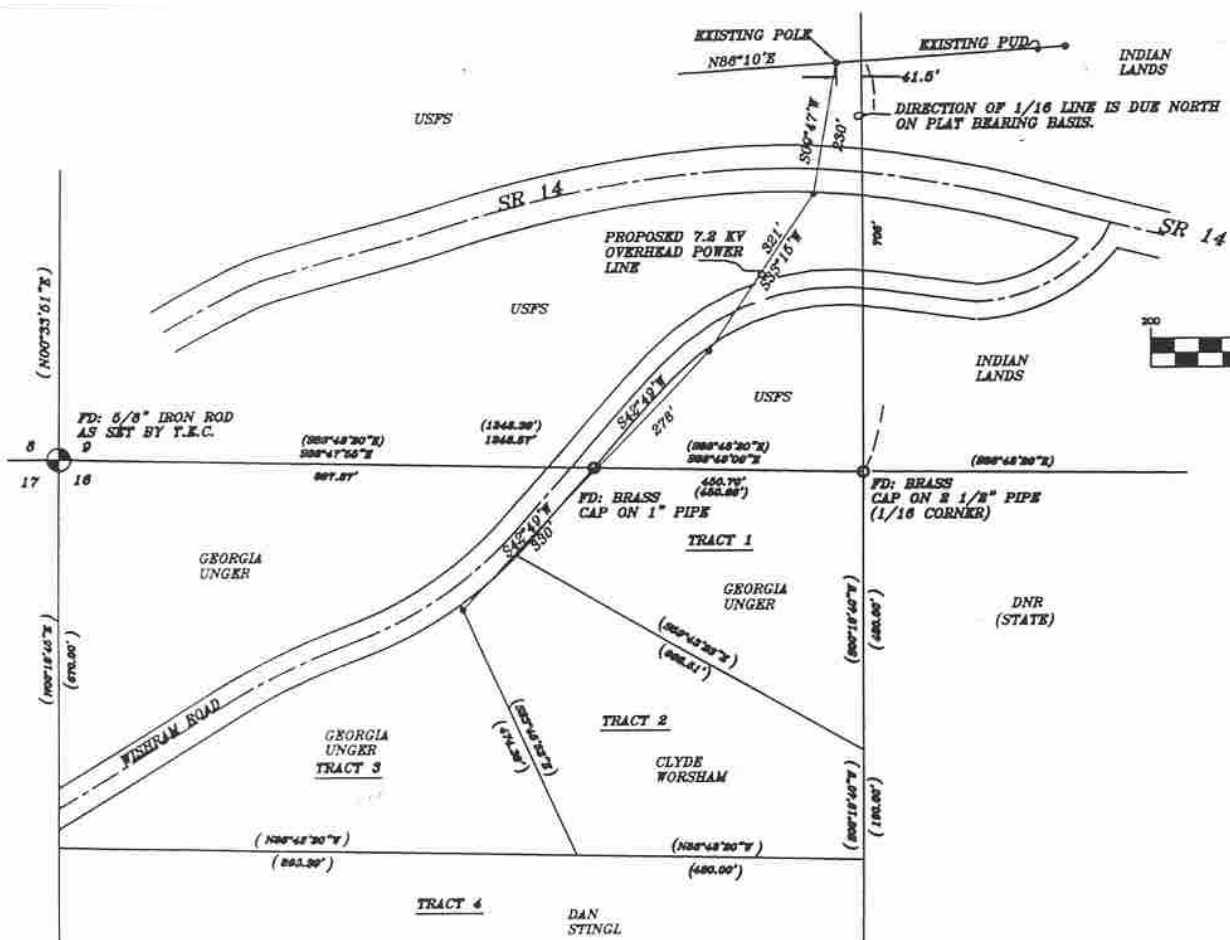

- Application form completed and signed
- Site Plan
- Key viewing areas checklist (attached)
- Names and addresses of adjacent property owners within 200 feet of parcel
- Any additional information as required:

**KEY VIEWING AREAS:** Key viewing areas are important public viewpoints and areas that afford opportunities to view the Gorge scenery. Key viewing areas are listed below. Please check those sites which can be seen from your property.

**BASIS OF BEARING**

TENNESON ENGINEERING CORP. (T.E.C.) SURVEY FOR KEITH H. SIEGMS RECORDED 1/4/1968

**PROPERTY LOCATION**

THE SOUTHWEST ONE-QUARTER OF SECTION 9, AND THE NORTHWEST ONE-QUARTER OF SECTION 16, TOWNSHIP 2 NORTH, RANGE 15 EAST, W.M.

**NARRATIVE**

THIS PLAN USES TENNESON ENGINEERING CORP. SURVEY FOR KEITH SIEGMS DATED 1/4/1968 AS THE SOLE BASIS FOR DETERMINING OWNERSHIP BOUNDARIES FOR THIS OVERHEAD ELECTRIC POWERLINE EXTENSION. NO SURVEYING HAS BEEN DONE IN SECTION 9 TO PROPERLY DETERMINE THE DIRECTION OF THE 1/16 LINE. HOWEVER, A LINE "DUE NORTH", (BASED ON THE PLAT BEARING), FROM THE POUND 1/16 CORNER INDICATES THE PROPOSED POWER LINE WILL NOT ENCRONCH ON THE NORTHEAST ONE-QUARTER OF THE NORTHWEST ONE-QUARTER.
