

## Seventh World Congress on Brain Injury

The International Brain Injury Association is pleased to announce details for the Seventh World Congress on Brain Injury, which will be held in Lisbon, Portugal, April 9-12, 2008.

The IBIA World Congress is the largest gathering of international professionals working in the field of brain injury. Delegates are comprised of physicians, psychologists and neuropsychologists, therapists, social workers, nurses, case managers, legal professionals, advocates and all others working in the field of brain injury.

The Seventh World Congress will feature internationally recognized invited speakers, platform lectures, workshops, short oral presentations and poster sessions. This year's Congress will also include a special one day pre-Congress symposium, co-sponsored with the World Federation of Neurological Rehabilitation (WFNR) on "Advances and Controversies in Mild Traumatic Brain Injury" which will be held April 8, 2008.

### CALL FOR PAPERS

The deadline for submitting a paper for the Congress is November 16, 2007. Abstracts will be reviewed by the Congress's Scientific Committee, which will determine the most appropriate presentation format (oral presentation or poster) for each abstract accepted. Submissions must be data-driven or assessment/treatment model descriptions. PLEASE NOTE: Only abstracts written in English and submitted online will be considered. Be sure that abstracts do not contain grammatical or spelling errors, which may disqualify your submission.

For more information about the conference or to submit a paper, please visit <http://www.internationalbrain.org/>
