

## Standing Committee on Standards

Quarterly Report  
January—March 2006

The PCC Standing Committee on Standards (SCS) developed and submitted twenty-six pages of comments on the draft of part I of Resource Description and Access (RDA).

The committee decided not to comment on draft LCRIs for special communities, as the SCS often does not have the expertise on the committee to do so effectively.

Paul J. Weiss, chair (University of California, San Diego)  
Diane Boehr (National Library of Medicine)  
Ed Glazier (RLG liaison)  
David Reser (LC liaison)  
Manon Th  roux (Yale University)  
Jay Weitz (OCLC liaison)
