

# Table of Contents

## Chapter 1. Purpose and Need for Action

Introduction .....	1-1
The Purpose and Need for Action.....	1-1
Project Area.....	1-2
Service Policies and Legal Mandates Guiding the CCP .....	1-3
National and Regional Plans and Conservation Initiatives Guiding the CCP.....	1-9
Refuge Purposes and Land Acquisition History .....	1-12
Refuge Operational Plans (“Step-Down” Plans).....	1-13
Wilderness Review.....	1-14
Rachel Carson Refuge Vision Statement.....	1-14
Refuge Goals .....	1-15
The Comprehensive Conservation Planning Process .....	1-16
Issues and Opportunities.....	1-17
Plan Amendment and Revision .....	1-21

## Chapter 2. Alternatives, Including Our Service-Preferred Alternative

Introduction .....	2-1
Formulating Alternatives.....	2-1
Alternatives, Including the No Action Alternative.....	2-2
Actions Common to All Alternatives .....	2-2
Alternatives or Actions Considered but not Fully Developed.....	2-6
Description of Individual Alternatives Analyzed in Detail.....	2-6
Alternative A. Current Management .....	2-7
Alternative B. Our Preferred Alternative .....	2-21
Alternative C.....	2-73
Comparison of Management Actions by Alternative for Issues Identified During the Planning Process ...	2-83

## Chapter 3. Description of the Affected Environment

Landscape-Level Features.....	3-1
Socioeconomic Environment.....	3-3
Refuge Administration and Resources.....	3-5
Biological Resources .....	3-9

## Chapter 4. Environmental Consequences

Introduction .....	4-1
Effects on Water Quality and Soils .....	4-1
Effects on Air Quality .....	4-4
Effects on the Local and Regional Economy.....	4-7
Effects on Public Use Opportunities .....	4-8
Effects on Cultural Resources.....	4-9
Effects on Native Wildlife and Their Habitats.....	4-9
Environmental Justice.....	4-14
Cumulative Impacts .....	4-16
Relationship Between Short-Term Uses and Long-Term Productivity .....	4-18
Unavoidable Adverse Effects .....	4-18
Potential Irreversible and Irretrievable Commitment of Resources.....	4-19

## Chapter 5. Consultation and Coordination with Others

Public Involvement Summary .....	5-1
Land Conservation Partners .....	5-2
Rachel Carson NWR CCP Planning Team.....	5-4

## Glossary

## Bibliography

## Appendixes

Appendix A. Land Protection Plan .....	A-1
Appendix B. Resources of Concern .....	B-1
Appendix C. Wilderness Review .....	C-1
Appendix D. Appropriate Use and Compatibility Determinations .....	D-1
Appendix E. Habitat Management Plan Potential Management Prescriptions.....	E-1
Appendix F. Refuge Operations Needs System and Service Asset Maintenance Management System.....	F-1
Appendix G. Staffing Charts.....	G-1
Appendix H. Cultural Resources Report.....	H-1
Appendix I. Privately Owned Lands Within the Acquisition Boundary.....	I-1
Appendix J. Breeding Landbird Survey Data .....	J-1

## Acronyms (inside back cover)

## List of Tables

2.1 Comparison of Management Actions by Alternative .....	2-83
3.1 Refuge Budgets from 1999-2005 .....	3-6
3.2 Rachel Carson Revenue Sharing Payments in Fiscal Year 2004 .....	3-7
3.3 Rare Plants.....	3-11
3.4 Exemplary Natural Communities.....	3-11
3.5 Invasive Plant Species Found on the Refuge .....	3-19
4.1 Effects of Proposed Alternatives on Water Quality and Soils.....	4-3
4.2 Effects of Proposed Alternatives on Air Quality .....	4-6
4.3 Effects of Proposed Alternatives on the Local and Regional Economy.....	4-7
4.4 Effects of Proposed Alternatives on Public Use Opportunities.....	4-8
4.5 Effects of Proposed Alternatives on Cultural Resources.....	4-9
4.6 Effects of Proposed Alternatives on Native Wildlife and Their Habitats.....	4-13
4.7 Comparison of Habitats Among the Three Alternatives based on Approved and Proposed Land Acquisition .....	4-14
4.8 White and Minority Populations in Maine and Two Coastal Counties.....	4-15
4.9 Percent of Individual Residents Living Below the Poverty Level in Two Coastal Counties in Southern Maine .....	4-15
A.1 A Summary of Lands Still in Private Ownership Within the Approved Refuge Boundary.....	A-3
A2.1 Land Ownership Information for Proposed Acquisitions for the Brave Boat Harbor Division.....	A-24
A2.2 Land Ownership Information for Proposed Acquisitions for the York River Division - York .....	A-25
A2.3 Land Ownership Information for Proposed Acquisitions for the York River Division - Eliot.....	A-27
A2.4 Land Ownership Information for Proposed Acquisitions for the Moody Division - Wells .....	A-27
A2.5 Land Ownership Information for Proposed Acquisitions for the Upper Wells and Mousam River Divisions - Kennebunk .....	A-27
A2.6 Land Ownership Information for Proposed Acquisitions for the Biddeford Pool Division.....	A-28

A2.7 Land Ownership Information for Proposed Acquisitions for the Spurwink Division.....	A-31
B.1 Potential Resources of Concern for Rachel Carson NWR .....	B-7
B.2 Rare Plants and Exemplary Natural Communities on Rachel Carson NWR .....	B-12
B.3 High and Moderate Priority Habitats on Rachel Carson NWR.....	B-14
B.4 Priority Resources of Concern, Habitat Structure, and Other Benefitting Species on Rachel Carson NWR .....	B-15
F.1 Proposed Projects Currently in RONS Tier 1 Databse (FY04) and their Inclusion in Respective CCP Alternatives .....	F-1
F.2 Proposed Projects Currently in RONS Tier 2 Databse (FY05) and their Inclusion in Respective CCP Alternatives .....	F-2
F.3 Proposed Projects Not Currently in the RONS Database and Their Relationship to Respective CCP Alternatives and Goal 1 .....	F-4
F.4 Proposed Projects Not Currently in the RONS Database and Their Relationship to Respective CCP Alternatives and Goal 2.....	F-5
F.5 Proposed Projects Not Currently in the RONS Database and Their Relationship to Respective CCP Alternatives and Goal 3.....	F-6
F.6 Proposed Projects Not Currently in the RONS Database and Their Relationship to Respective CCP Alternatives and Goal 4.....	F-7
F.7 Proposed Projects Not Currently in the RONS Database and Their Relationship to Respective CCP Alternatives and Goal 5.....	F-8
F.8 Proposed Projects Not Currently in the RONS Database and Their Relationship to Respective CCP Alternatives and Goal 6.....	F-9
F.9 Projects Currently Backlogged in the Service Asset Maintenance Management System (SAMMS) Database (FY05) for Rachel Carson NWR.....	F-9
I.1 Privately Owned Lands Within the Acquisition Boundary for the Upper Wells Division—Town of Kennebunk .....	I-1
I.2 Privately Owned Lands Within the Acquisition Boundary for the Upper Wells Division—Town of Wells .....	I-1
I.3 Privately Owned Lands Within the Acquisition Boundary for the Brave Boat Harbor Division—Town of York .....	I-2
I.4 Privately Owned Lands Within the Acquisition Boundary for the Brave Boat Harbor Division—Town of Kittery .....	I-2
I.5 Privately Owned Lands Within the Acquisition Boundary for the Spurwink River Division—Town of Cape Elizabeth .....	I-3
I.6 Privately Owned Lands Within the Acquisition Boundary for the Gooserocks Division—Town of Kennebunkport.....	I-4
I.7 Privately Owned Lands Within the Acquisition Boundary for the Goosefare Brooks Division—Town of Old Orchard Beach .....	I-4
I.8 Privately Owned Lands Within the Acquisition Boundary for the Goosefare Brooks Division—Town od Saco .....	I-4
J.1 Breeding Landbird Frequency by Division and Refuge Relative Abundance.....	J-1

**List of Figures**

1.1 The Comprehensive Conservation Planning Process and its Relationship to the National Environmental Policy Act of 1969 .....	1-14
3.1 Maine Tourism Activities.....	3-4

**List of Insets**

Rachel Louise Carson.....	1-15
Refuge Facilities—History and Current Needs .....	2-5
Recreational Boating .....	2-19

Invasive Species Management .....	2-36
“Oceans are in Crisis” .....	2-44
Stormwater Pollution.....	2-47
New England Cottontail—Petition for Listing on the Federal Endangered Species List .....	2-52
Land Management Research Demonstration .....	2-58
Valuable Wildlife Habitat—35,000 acres in southern Maine .....	2-72

## List of Maps

1-1 NABCI Bird Conservation Regions and Partners in Flight Physiographic Regions .....	1-4
1-2 Conservation Lands.....	1-5
2-1 Brave Boat Harbor Division Existing and Proposed Public Use.....	2-24
2-2 Proposed York River Division Public Use .....	2-25
2-3 Moody Division Existing and Proposed Public Use.....	2-26
2-4 Lower Wells Division Existing and Proposed Public Use.....	2-27
2-5 Upper Wells Division Existing and Proposed Public Use.....	2-28
2-6 Mousam River Division Existing and Proposed Public Use .....	2-29
2-7 Goose Rocks Division Existing and Proposed Public Use.....	2-30
2-8 Little River Division Existing and Proposed Public Use .....	2-31
2-9 Biddeford Pool Division Existing and Proposed Public Use.....	2-32
2-10 Goosefare Brooks Division Existing and Proposed Public Use.....	2-33
2-11 Spurwink River Division Existing and Proposed Public Use.....	2-34
A-1 Current Service Ownership and Proposed Acquisition for the Brave Boat Harbor Division .....	A-17
A-2 Current Service Ownership and Proposed Acquisition for the York River Division .....	A-18
A-3 Current Service Ownership and Proposed Acquisition for the Moody Division .....	A-19
A-4 Current Service Ownership and Proposed Acquisition for the Upper Wells and Mousam River Divisions.....	A-20
A-5 Current Service Ownership and Proposed Acquisition for the Biddeford Pool Division.....	A-21
A-6 Current Service Ownership and Proposed Acquisition for the Spurwink River Division .....	A-22
