	resources.	
5130.45	Address fatigue in fire fighters and other fire suppression personnel and ensure compliance with work/rest and length of commitment guidelines: a. Document actions to manage fatigue for all fires that exceed one operational period. b. Document pre-approvals and justifications for excessively long work shifts and actions taken to ensure compliance with guidelines for work, rest, and length of commitment. Documentation Required.	Incident Commander (A)
5130.45	Personally conduct inspections for safety and health hazards, including compliance with the Ten Standard Fire Orders and mitigation of the applicable Watch Out Situations on Type 3 – 5 wildland fires, and in conjunction with the Safety Officer on Type 1 and 2 wildland fires. Documentation Required.	Incident Commander (A)
5130.45	Ensure arriving ground fireline resources on Type 3 – 5 wildfires have positive and documented contact with appropriate incident management personnel to address the briefing checklist elements in the Incident Response Pocket Guide prior to commencing work. Documentation Required.	Incident Commander (A)

Key:

ISFFAO = Interagency Standards for Fire and Fire Aviation Operations

NIMG = National Interagency Mobilization Guide

A = Is accountable by policy for the implementation action.

R = Has responsibility for the implementation action.

s = Supports the implementation action.
