

Regarding the basic 12 recommendations, please change the correspondingly numbered paragraphs as follows:

1. Ban all Stage 1 and 2 noise equivalent aircraft including helicopters.
2. Ban Stage 3 noise equivalent aircraft including helicopters between the hours of 10 p.m. and 7 a.m.
3. Fly a 005-degree departure heading referenced from the four north-south runways for all aircraft including helicopters.
6. Fly a 170-degree or 005-degree for a minimum of four miles before executing a turn.

Thank you.
