

I cannot understand people who buy houses around airports. Centennial Airport has been in the same place for years...is this the first time people have realized this? I am very much opposed to all recommendations to the FAA by Centennial Airport except perhaps the first one which is for BANNING THE NOISIEST AIRCRAFT. WE WHO LIVE IN AURORA DO NOT NEED ANYMORE INPUT FROM CENTENNIAL OR THE FAA THAT WOULD FURTHER LOWER THE VALUE OF OUR HOMES, SOME OF US HAVE PUT A LOT OF MONEY AND LOVE INTO TRYING TO MAKE AURORA A DECENT PLACE TO LIVE.
