## **SAVANNAH RIVER SITE TECHNOLOGY DAYS 2006, FEB. 14-15**

Aiken, S.C., (Feb. 7) -- In honor of National Engineers Week, the Savannah River Site is sponsoring Technology Days 2006, Tuesday and Wednesday, Feb. 14-15, at the National Science Center's Fort Discovery, Augusta, Ga.

Technology Days is designed to interest middle school students in pursuing careers in science, technical or engineering fields. Students and teachers from South Carolina and Georgia middle schools will attend the event during the day on Feb. 14 and 15.

The general public is invited to join in the technology celebration, Tuesday, Feb. 14, 4:30-7:30 p.m. Admission is free. Visitors will be able to get in on the action by participating in fun, interactive exhibits and activities from SRS and Fort Discovery.

Several interesting speakers from SRS and local industry will provide informational sessions on various technology-related topics. Two of this year's guest speakers will discuss the U.S. space program and the CSRA Robot Warriors club and their Battlebot, Jabberwock.

For additional information on Technology Days, see the Technology Days web page: <http://www.srs.gov> (click on "Outreach Programs," then "Tech Days 2006").

SRS is owned by the Department of Energy and operated by a team of companies led by WSRC, a subsidiary of Washington Group International.

Note: Photographers and reporters are welcome. Please contact "DT" Townsend at the above listed phone to confirm attendance.
