**§ 285.7 Salary offset.**

(a) *Purpose and scope.* (1) This section establishes procedures for the offset of Federal salary payments, through FMS' administrative offset program, to collect delinquent debts owed to the Federal Government. This process is known as salary offset. Rules issued by the Office of Personnel Management contain the requirements Federal agencies must follow prior to conducting salary offset and the procedures for requesting offsets directly from a paying agency. See 5 CFR 550.1101 through 550.1108.

(2) This section implements the requirement under 5 U.S.C. 5514(a)(1) that all Federal agencies, using a process known as centralized salary offset computer matching, identify Federal employees who owe delinquent nontax debt to the United States. Centralized salary offset computer matching is the computerized comparison of delinquent debt records with records of Federal employees. The purpose of centralized salary offset computer matching is to identify those debtors whose Federal salaries should be offset to collect delinquent debts owed to the Federal Government.

(3) This section specifies the delinquent debt records and Federal employee records that must be included in the salary offset matching process. For purposes of this section, delinquent debt records consist of the debt information submitted to the Financial Management Service for purposes of administrative offset as required under 31 U.S.C. 3716(c)(6). Agencies that submit their debt to FMS for purposes of administrative offset are not required to submit duplicate information for purposes of centralized salary offset computer matching under 5 U.S.C. 5514 and this section.

(4) This section establishes an inter-agency consortium to implement centralized salary offset computer matching on a government-wide basis as required under 5 U.S.C. 5514(a)(1). Federal employee records consist of records of

Federal salary payments disbursed by members of the consortium.

(5) The receipt of collections from salary offsets does not preclude a creditor agency from pursuing other debt collection remedies, including the offset of other Federal payments to satisfy delinquent nontax debt owed to the United States. A creditor agency should pursue, when deemed appropriate by such agency, such debt collection remedies separately or in conjunction with salary offset.

(b) *Definitions.* For purposes of this section:

*Administrative offset* means withholding funds payable by the United States to, or held by the United States for, a person to satisfy a debt owed by the payee.

*Agency* means a department, agency or subagency, court, court administrative office, or instrumentality in the executive, judicial, or legislative branch of the Federal government, including government corporations.

*Centralized salary offset computer matching* means the computerized comparison of Federal employee records with delinquent debt records to identify Federal employees who owe such debts.

*Creditor agency* means any agency that is owed a debt.

*Debt* means any amount of money, funds, or property that has been determined by an appropriate official of the Federal government to be owed to the United States by a person, including debt administered by a third party acting as an agent for the Federal Government. For purposes of this section, the term "debt" does not include debts arising under the Internal Revenue Code of 1986 (26 U.S.C.).

*Delinquent debt record* means information about a past-due, legally enforceable debt, submitted by a creditor agency to FMS for purposes of administrative offset (including salary offset) in accordance with the provisions of 31 U.S.C. 3716 and applicable regulations. Debt information includes the amount and type of debt and the debtor's name, address, and taxpayer identifying number.

*Disbursing official* means an officer or employee designated to disburse Federal salary payments. This section applies to all disbursing officials of Federal salary payments, including but not limited to, disbursing officials of the Department of the Treasury, the Department of Defense, the United States Postal Service, any government corporation, and any disbursing official of the United States designated by the Secretary.

*Disposable pay* has the same meaning as that term is defined in 5 CFR 550.1103.

*Federal employee* means a current employee of an agency, including a current member of the Armed Forces or a Reserve of the Armed Forces (Reserves), employees of the United States Postal Service, and seasonal and temporary employees.

*Federal employee records* means records of Federal salary payments that a paying agency has certified to a disbursing official for disbursement.

*FMS* means the Financial Management Service, a bureau of the Department of the Treasury.

*Paying agency* means the agency that employs the Federal employee who owes the debt and authorizes the payment of his or her current pay. A paying agency also includes an agency that performs payroll services on behalf of the employing agency.

*Salary offset* means administrative offset to collect a debt owed by a Federal employee from the current pay account of the employee.

*Secretary* means the Secretary of the Treasury or his or her delegate.

*Taxpayer identifying number* means the identifying number described under section 6109 of the Internal Revenue Code of 1986 (26 U.S.C. 6109). For an individual, the taxpayer identifying number is the individual's social security number.

(c) *Establishment of the consortium.* As required by the provisions of 5 U.S.C. 5514(a)(1), by issuance of this section, the Secretary establishes an inter-agency consortium to implement centralized salary offset computer matching. The consortium initially includes all agencies that disburse Federal salary payments, including but not limited to, FMS, the Department of De-

fense, the United States Postal Service, government corporations, and agencies with Treasury-designated disbursing officials. The membership of the consortium may be changed at the discretion of the Secretary, and the Secretary will be responsible for the ongoing coordination of the activities of the consortium.

(d) *Creditor agency participation.* (1) As required under 5 U.S.C. 5514(a)(1), creditor agencies shall participate at least annually in centralized salary offset computer matching. To meet this requirement, creditor agencies shall notify FMS of all past-due, legally enforceable debts delinquent for more than 180 days for purposes of administrative offset, as required under 31 U.S.C. 3716(c)(6). Additionally, creditor agencies may notify FMS of past-due, legally enforceable debts delinquent for less than 180 days for purposes of administrative offset.

(2) Prior to submitting debts to FMS for purposes of administrative offset (including salary offset) and centralized salary offset computer matching, Federal agencies shall prescribe regulations in accordance with the requirements of 31 U.S.C. 3716 (administrative offset) and 5 U.S.C. 5514 (salary offset).

(3) Prior to submitting a debt to FMS for purposes of collection by administrative offset, including salary offset, creditor agencies shall provide written certification to FMS that:

(i) The debt is past-due and legally enforceable in the amount submitted to FMS and that the creditor agency will ensure that collections (other than collections through offset) are properly credited to the debt;

(ii) Except in the case of a judgment debt or as otherwise allowed by law, the debt is referred for offset within ten years after the agency's right of action accrues;

(iii) The creditor agency has complied with the provisions of 31 U.S.C. 3716 (administrative offset) and related regulations including, but not limited to, the provisions requiring that the creditor agency provide the debtor with applicable notices and opportunities for a review of the debt; and

(iv) The creditor agency has complied with the provisions of 5 U.S.C. 5514 (salary offset) and related regulations including, but not limited to, the provisions requiring that the creditor agency provide the debtor with applicable notices and opportunities for a hearing.

(4) FMS may waive the certification requirement set forth in paragraph (d)(3)(iv) of this section as a prerequisite to submitting the debt to FMS. If FMS waives the certification requirement, before an offset occurs, the creditor agency shall provide the Federal employee with the notices and opportunities for a hearing as required by 5 U.S.C. 5514 and applicable regulations, and shall certify to FMS that the requirements of 5 U.S.C. 5514 and applicable regulations have been met.

(5) The creditor agency shall notify FMS immediately of any payments credited by the creditor agency to the debtor's account, other than credits for amounts collected by offset, after submission of the debt to FMS. The creditor agency also shall notify FMS immediately of any change in the status of the legal enforceability of the debt, for example, if the creditor agency receives notice that the debtor has filed for bankruptcy protection.

(e) *Centralized salary offset computer match.* (1) Delinquent debt records will be compared with Federal employee records maintained by members of the consortium or paying agencies. The records will be compared to identify Federal employees who owe delinquent debts for purposes of collecting the debt by administrative offset. A match will occur when the taxpayer identifying number and name of a Federal employee are the same as the taxpayer identifying number and name of a debtor.

(2) As authorized by the provisions of 31 U.S.C. 3716(f), FMS, under a delegation of authority from the Secretary, has waived certain requirements of the Computer Matching and Privacy Protection Act of 1988, 5 U.S.C. 552a, as amended, for administrative offset, including salary offset, upon written certification by the head of the creditor agency that the requirements of 31 U.S.C. 3716(a) have been met. Specifically, FMS has waived the requirements for a computer matching agree-

ment contained in 5 U.S.C. 552a(o) and for post-match notice and verification contained in 5 U.S.C. 552a(p). The creditor agency will provide certification in accordance with the provisions of paragraph (d)(3)(iii) of this section.

(f) *Salary offset.* When a match occurs and all other requirements for offset have been met, as required by the provisions of 31 U.S.C. 3716(c) the disbursing official shall offset the Federal employee's salary payment to satisfy, in whole or part, the debt owed by the employee. Alternatively, the paying agency, on behalf of the disbursing official, may deduct the amount of the offset from an employee's disposable pay before the employee's salary payment is certified to a disbursing official for disbursement.

(g) *Offset amount.* (1) The amount offset from a salary payment under this section shall be the lesser of:

(i) The amount of the debt, including any interest, penalties and administrative costs; or

(ii) An amount up to 15% of the debtor's disposable pay.

(2) Alternatively, the amount offset may be an amount agreed upon, in writing, by the debtor and the creditor agency.

(3) Offsets will continue until the debt, including any interest, penalties, and costs, is paid in full or otherwise resolved to the satisfaction of the creditor agency.

(h) *Priorities.* (1) A levy pursuant to the Internal Revenue Code of 1986 shall take precedence over other deductions under this section.

(2) When a salary payment may be reduced to collect more than one debt, amounts offset under this section will be applied to a debt only after amounts offset have been applied to satisfy past due child support debts assigned to a State pursuant to 402(a)(26) or section 471(a)(17) of the Social Security Act.

(i) *Notice.* (1) Before offsetting a salary payment, the disbursing official, or the paying agency on behalf of the disbursing official, shall notify the Federal employee in writing of the date deductions from salary will commence and of the amount of such deductions.

(2)(i) When an offset occurs under this section, the disbursing official, or

## § 285.8

the paying agency on behalf of the disbursing official, shall notify the Federal employee in writing that an offset has occurred including:

(A) A description of the payment and the amount of offset taken;

(B) The identity of the creditor agency requesting the offset; and,

(C) A contact point within the creditor agency that will handle concerns regarding the offset.

(ii) The information described in paragraphs (i)(2)(i)(B) and (i)(2)(i)(C) of this section does not need to be provided to the Federal employee when the offset occurs if such information was included in a prior notice from the disbursing official or paying agency.

(3) The disbursing official will advise each creditor agency of the names, mailing addresses, and taxpayer identifying numbers of the debtors from whom amounts of past-due, legally enforceable debt were collected and of the amounts collected from each debtor for that agency. The disbursing official will not advise the creditor agency of the source of payment from which such amounts were collected.

(j) *Fees.* Agencies that perform centralized salary offset computer matching services may charge a fee sufficient to cover the full cost for such services. In addition, FMS, or a paying agency acting on behalf of FMS, may charge a fee sufficient to cover the full cost of implementing the administrative offset program. FMS may deduct the fees from amounts collected by offset or may bill the creditor agencies. Fees charged for offset shall be based on actual administrative offsets completed.

(k) *Disposition of amounts collected.* The disbursing official conducting the offset will transmit amounts collected for debts, less fees charged under paragraph (j) of this section, to the appropriate creditor agency. If an erroneous offset payment is made to a creditor agency, the disbursing official will notify the creditor agency that an erroneous offset payment has been made. The disbursing official may deduct the amount of the erroneous offset payment from future amounts payable to the creditor agency. Alternatively, upon the disbursing official's request, the creditor agency shall return promptly to the disbursing official or

## 31 CFR Ch. II (7-1-04 Edition)

the affected payee an amount equal to the amount of the erroneous payment (without regard to whether any other amounts payable to such agency have been paid). The disbursing official and the creditor agency shall adjust the debtor records appropriately.
