AN ACT

To further provide for the farmer-owned cooperative system of making credit available to farmers and ranchers and their cooperatives, for rural residences, and to associations and other entities upon which farming operations are dependent, to provide for an adequate and flexible flow of money into rural areas, and to modernize and consolidate existing farm credit law to meet current and future rural credit needs, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Farm Credit Act of 1971."

12 U.S.C. 2001

SEC. 1.1. POLICY AND OBJECTIVES.—

(a) It is declared to be the policy of the Congress, recognizing that a prosperous, productive agriculture is essential to a free nation and recognizing the growing need for credit in rural areas, that the farmer-owned cooperative Farm Credit System be designed to accomplish the objective of improving the income and well-being of American farmers and ranchers by furnishing sound, adequate, and constructive credit and closely related services to them, their cooperatives, and to selected farm-related businesses necessary for efficient farm operations.

(b) It is the objective of this Act to continue to encourage farmer- and rancher-borrowers participation in the management, control, and ownership of a permanent system of credit for agriculture which will be responsive to the credit needs of all types of agricultural producers having a basis for credit, and to modernize and improve the authorizations and means for furnishing such credit and credit for housing in rural areas made available through the institutions constituting the Farm Credit System as herein provided.

(c) It is declared to be the policy of Congress that the credit needs of farmers, ranchers, and their cooperatives are best served if the institutions of the Farm Credit System provide equitable and competitive interest rates to eligible borrowers, taking into consideration the creditworthiness and access to alternative sources of credit for borrowers,

the cost of funds, including any costs of defeasance under section 4.8(b), the operating costs of the institution, including the costs of any loan loss amortization under section 5.19(b), the cost of servicing loans, the need to retain earnings to protect borrowers' stock, and the volume of net new borrowing. Further, it is declared to be the policy of Congress that Farm Credit System institutions take action in accordance with the Farm Credit Act Amendments of 1986 in such manner that borrowers from the institutions derive the greatest benefit practicable from that Act: Provided, that in no case is any borrower to be charged a rate of interest that is below competitive market rates for similar loans made by private lenders to borrowers of equivalent credit-worthiness and access to alternative credit.

12 U.S.C. 2002

12 U.S.C. 2128

SEC. 3.7. LENDING POWER.

(a) The banks for cooperatives are authorized to make loans and commitments to eligible cooperative associations and to extend to them other technical and financial assistance at any time (whether or not they have a loan from the bank outstanding), including but not limited to discounting notes and other obligations, guarantees, currency exchange necessary to service individual transactions that may be financed under subsection (b) of this section, collateral custody, or participation with other banks for cooperatives and commercial banks or other financial institutions in loans to eligible cooperatives, under such terms and conditions as may be determined to be feasible by the board of directors of each bank for cooperatives under regulations of the Farm Credit Administration. (2)(A) A bank for cooperatives may make or participate in loans and commitments to, and extend other technical and financial assistance to—

(i) any domestic or foreign party for the export, including (where applicable) the cost of freight, of agricultural commodities or products thereof, agricultural supplies, or aquatic products from the United States under policies and procedures established by the bank to ensure that the commodities, products, or supplies are originally sourced, where reasonably available, from one or more eligible cooperative associations described in section 3.8(a) on a priority basis, except that if the total amount of the balances outstanding on loans made by a bank under this clause

that—

Such additional ownership requirements may be based on the face amount of the loan, the outstanding loan balance or on a percentage of the interest payable by the borrower during any year or during any quarter thereof, or upon such other basis as the bank determines will provide adequate capital for the operation of the bank and equitable ownership thereof among borrowers. In the case of a direct loan by the Central Bank, the borrower shall be required to own or invest in the necessary stock in a district bank or banks and such district bank shall be required to own a corresponding amount of stock in the Central Bank, but voting stock shall be in the one district bank designated by the Farm Credit Administration.

In such cases the distribution of earnings of the bank for cooperatives shall be on the basis of the interest in the loan retained by such bank.

SEC. 3.10. INTEREST RATES; SECURITY; LIEN; CANCELLATION; AND APPLICATION ON INDEBTEDNESS.

(a) Loans made by a bank for cooperatives shall bear interest at a rate or rates determined by the board of directors of the bank from time to time. In setting rates and charges, it shall be the objective to provide the types of credit needed by eligible borrowers at the lowest reasonable cost on a sound business basis, taking into account the net cost of money to the bank, necessary reserves and expenses of the bank, and services provided. The loan documents may provide for the interest rate or rates to vary from time to time during the repayment period of the loan, in accordance with the rate or rates currently being charged by the bank.

(b) Loans shall be made upon such terms, conditions, and security, if any, as may be determined by the bank in accordance with regulations of the Farm Credit Administration.

(c) Each bank for cooperatives shall have a first lien on all stock or other equities in the bank as collateral for the payment of any indebtedness of the owner thereof to the bank. (a) At the end of each fiscal year, the net savings shall, under regulations prescribed by the Farm Credit Administration, continue to be applied on a cooperative basis with provision for sound, adequate capitalization to meet the changing financing needs of eligible cooperative borrowers and prudent corporate fiscal management, to the end that current year's patrons carry their fair share of the capitalization, ultimate expenses, and reserves related to the year's operations and the remaining net savings shall be distributed as patronage refunds as provided in subsections (b) and (c) of this section. Such regulations may provide for application of net savings to the restoration or maintenance of an allocated surplus account, reasonable additions to unallocated surplus, or to unallocated reserves after payment of operating expenses, and provide for allocations to patrons not

qualified under the Internal Revenue Code, or payment of such per centum of patronage refunds in cash, as the board may determine.

(b) The net savings of each district bank for cooperatives, after the earnings for the fiscal year have been applied in accordance with subsection (a) of this section shall be paid in stock, participation certificates, or cash, or in any of them, as determined by its board, as patronage refunds to borrowers to whom such refunds are payable who are borrowers of the fiscal year for which such patronage refunds are distributed. Except as provided in subsection (c) below, all patronage refunds shall be paid in proportion that the amount of interest and service fees on the loans to each borrower during the year bears to the interest and service fees on the loans of all borrowers during the year or on such other proportionate patronage basis as may be approved by the board of directors.

(c) The net savings of the Central Bank for Cooperatives after the earnings for the fiscal year have been applied in accordance with subsection (a) of this section shall be paid in stock or cash, or both, as determined by the board, as patronage refunds to the district banks on the basis of interests held by the Central Bank in loans made by the district banks and upon any direct loans made by the Central Bank to cooperative associations, or on such other proportionate patronage basis as may be approved by the board of directors. In cases of direct loans, such refund shall be paid to the district bank or banks which issued their stock to the borrower incident to such loans, and the district bank or banks shall issue a like amount of patronage refunds to the borrower.

(d) In the event of a net loss in any fiscal year after providing for all operating expenses (including reasonable valuation reserves and losses in excess of any applicable reserves), such loss may be carried forward or carried back, if appropriate, or otherwise shall be absorbed by charges to unallocated reserve or surplus accounts established after the date of enactment of this Act; charges to allocated contingency reserve account; charges to allocated surplus accounts; charges to other contingency reserve and surplus accounts; the impairment of voting stock; or the impairment of all other stock.

(e) Notwithstanding any other provisions of this section any costs or expenses attributable to a prior year or years but not recognized in determining the net savings for such year or years may be charged to reserves or surplus of the bank or to patronage allocations for such years, as may be determined by the board of directors.

(f) A bank for cooperatives may pay in cash such portion of its patronage refunds as will permit its taxable income to be determined without taking into account savings applied as allocated surplus, allocated contingency reserves, and patronage refunds under subsection (a) of this section.

(1) GENERAL RULE. Except as provided in paragraph (2), the board of directors of a System institution may not reduce the permanent capital of the institution through the payment of patronage refunds or dividends, or the retirement of stock if, after or due to such action, the permanent capital of the institution would thereafter fail to meet the minimum capital adequacy standards established under section 4.3(a).

(2) EXCEPTIONS. Paragraph (1) shall not apply to the payment of noncash patronage refunds by any institution exempt from Federal income tax if the entire refund paid qualifies as permanent capital. Notwithstanding paragraph (1), any System institution subject to Federal income tax may pay patronage refunds partially in cash as long as the cash portion of the refund is the minimum amount required to qualify the refund as a deductible patronage distribution for Federal income tax purposes and the remaining portion of the refund paid qualifies as permanent capital.

(e) COMPLIANCE. The Farm Credit Administration may issue a directive that requires compliance with subsection (d), to the board of directors of any System institution that fails to comply therewith.

(f) LOANS DESIGNATED FOR SALE OR SOLD INTO THE SECONDARY MARKET.

(1) IN GENERAL. Subject to paragraph (2) and notwithstanding any other provision of this section, the bylaws adopted by a bank or association under subsection (b) may provide—

(A) in the case of a loan made on or after the date of enactment of this paragraph that is designated, at the time the loan is made, for sale into a secondary market, that no voting stock or participation certificate purchase requirement shall apply to the borrower for the loan; and

(B) in the case of a loan made before the date of enactment of this paragraph that is sold into a secondary market, that all outstanding voting stock or participation certificates held by the borrower with respect to the loan shall, subject to subsection (d)(1), be retired.

(2) APPLICABILITY. Notwithstanding any other provision of this section, in the case of a loan sold to a secondary market under title VIII, paragraph (1) shall apply regardless of whether the bank or association retains a subordinated participation interest in a loan or pool of loans or contributes to a cash reserve.

(3) EXCEPTION.

(A) IN GENERAL. Subject to subparagraph (B) and notwithstanding any other provision of this section, if a loan designated for sale under paragraph (1)(A) is not sold into a

secondary market during the 180-day period that begins on the date of the designation, the voting stock or participation certificate purchase requirement that would otherwise apply to the loan in the absence of a bylaw provision described in paragraph (1)(A) shall be effective.

(B) RETIREMENT. The bylaws adopted by a bank or association under subsection (b) may provide that if a loan described in subparagraph (A) is sold into a secondary market after the end of the 180-day period described in the subparagraph, all outstanding voting stock or participation certificates held by the borrower with respect to the loan shall, subject to subsection (d)(1), be retired.

(g) CONSTRUCTION. This section shall not be construed to affect the provisions of this Act that confer on System institutions a lien on borrower stock or other equities and the privilege to retire or cancel such stock or other equities for application against the indebtedness on a defaulted or restructured loan.

(h) CONTROLLING AUTHORITY. To the extent that any provision of this section is inconsistent with any other provision of this Act (other than section 4.9A), the provision of this section shall control.

(2)(A) Each bank shall also be primarily liable for the portion of any issue of consolidated or Systemwide obligations made on its behalf and be jointly and severally liable for the payment of any additional sums as called upon by the Farm Credit Administration in order to make payments of interest or principal which any bank primarily liable therefor shall be unable to make.

(B) Such calls first shall be made on all nondefaulting banks in proportion to each such banks proportionate share of the aggregate available collateral held by all such banks.

(C) For purposes of this paragraph, the term "available collateral" means the amount (determined at the close of the last calendar quarter ending before such call) by which a banks collateral as described in section 4.3 exceeds the collateral required to support the banks outstanding notes, bonds, debentures, and other similar obligations.

(D) If the Farm Credit Administration makes any such call and the available collateral of all such banks does not fully satisfy the liability necessitating such calls, such calls shall be made on all nondefaulting banks in proportion to each such banks remaining assets.

(E) Any System bank that, pursuant to a call by the Farm Credit Administration, makes a payment of principal or interest to the holder of any consolidated or Systemwide obligation issued on behalf of another System bank shall be subrogated to all rights of the holder against such other bank to the extent of such payment.

(F) On making such a call with respect to obligations issued on behalf of a System bank, the Farm Credit Administration shall appoint a receiver for the bank, which shall expeditiously liquidate or otherwise wind up the affairs of the bank.

(b) Each bank participating in an issue shall by appropriate resolution undertake such responsibility as provided in subsection (a) of this section, and in the case of consolidated or Systemwide obligations shall authorize the execution of such long-term notes, bonds, debentures, or other obligations on its behalf. When a consolidated or Systemwide issue is approved, the notes, bonds, debentures, or other obligations shall be executed and the banks shall be liable thereon as provided herein.

(c) The United States shall not be liable or assume any liability directly or indirectly thereon.

(d) Beginning 5 years after the date of the enactment of this subsection, the Farm Credit Administration shall not call on any System institution to satisfy the liability of the institution on any joint, consolidated, or Systemwide obligation participated in by the institution or with respect to which the institution is primarily, or jointly and severally, liable, before the Farm Credit Insurance Fund is exhausted, even if the Fund is only able to make a partial payment because of insufficient amounts in the Fund.

(c) MEETINGS. On determination by a qualified lender that a loan made by the lender is or has become a distressed loan, the lender shall provide a reasonable opportunity for the borrower thereof to personally meet with a representative of the lender—

(1) to review the status of the loan, the financial condition of the borrower, and the suitability of the loan for restructuring; and

(2) with respect to a loan that is in nonaccrual status, to develop a plan for restructuring the loan if the loan is suitable for restructuring.

(d) CONSIDERATION OF APPLICATIONS.

(1) IN GENERAL. When a qualified lender receives an application for restructuring from a borrower, the qualified lender shall determine whether or not to restructure the loan, taking into consideration:

(A) whether the cost to the lender of restructuring the loan is equal to or less than the cost of foreclosure;

(B) whether the borrower is applying all income over and above necessary and reasonable living and operating expenses to the payment of primary obligations;

(C) whether the borrower has the financial capacity and the management skills to protect the collateral from diversion, dissipation, or deterioration;

(D) whether the borrower is capable of working out existing financial difficulties, reestablishing a viable operation, and repaying the loan on a rescheduled basis; and

(E) in the case of a distressed loan that is not delinquent, whether restructuring consistent with sound lending practices may be taken to reasonably ensure that the loan will not become a loan that it is necessary to place in nonaccrual status.

(2) APPLICATIONS NOT REQUIRED FOR RESTRUCTURING PLANS. This section shall not prevent a qualified lender from proposing a restructuring plan for an individual borrower in the absence of an application for restructuring from the

borrower.

(e) RESTRUCTURING.

(1) IN GENERAL. If a qualified lender determines that the potential cost to such qualified lender of restructuring the loan in accordance with a proposed restructuring plan is less than or equal to the potential cost of foreclosure, the qualified lender shall restructure the loan in accordance with the plan.

(2) COMPUTATION OF COST OF RESTRUCTURING.

In determining whether the potential cost to the qualified lender of restructuring a distressed loan is less than or equal to the potential cost of foreclosure, a qualified lender shall consider all relevant factors, including:

(A) the present value of interest income and principal forgone by the lender in carrying out the restructuring plan;

(B) reasonable and necessary administrative expenses involved in working with the borrower to finalize and implement the restructuring plan;

(C) whether the borrower has presented a preliminary restructuring plan and cash-flow analysis taking into account income from all sources to be applied to the debt and all assets to be pledged, showing a reasonable probability that orderly debt retirement will occur as a result of the proposed restructuring; and

(D) whether the borrower has furnished or is willing to furnish complete and current financial statements in a form acceptable to the institution.

(f) LEAST COST ALTERNATIVE. If two or more restructuring alternatives are available to a qualified lender under this section with respect to a distressed loan, the lender shall restructure the loan in conformity with the alternative that results in the least cost to the lender.

(g) RESTRUCTURING POLICY.

(1) ESTABLISHMENT. Each bank board of directors shall develop a policy within 60 days after the date of the enactment of this section, that is consistent with this section, to govern the restructuring of distressed loans. Such policy shall constitute the restructuring policy of each qualified lender within the district.

(2) CONTENTS OF POLICY. The policy established under paragraph (1) shall include an explanation of—

(A) the procedure for submitting an application for restructuring; and

(B) the right of borrowers with distressed loans to seek review by a credit review committee in accordance with section 4.14 of a denial of an application for restructuring.

(3) SUBMISSION OF POLICY TO FCA. Each bank board shall submit the policy of the district governing the treatment of distressed loans under this section to the Farm Credit Administration. Notwithstanding the duty imposed by the preceding sentence, the other duties imposed by this section shall take effect on the date of the enactment of this section.

(h) REPORTS. During the 5-year period beginning on the date of

the enactment of this section, each qualified lender shall submit semiannual reports to the Farm Credit Administration containing—

- (1) the results of the review of distressed loans of the lender;
- and
- (2) the financial effect of loan restructurings and liquidations on the lender.

(i) **COMPLIANCE.** The Farm Credit Administration may issue a directive requiring compliance with any provision of this section to any qualified lender that fails to comply with such provision.

(j) **PERMITTED FORECLOSURES.** This section shall not be construed to prevent any qualified lender from enforcing any contractual provision that allows the lender to foreclose a loan or from taking such other lawful action as the lender deems appropriate, if the lender has reasonable grounds to believe that the loan collateral will be destroyed, dissipated, consumed, concealed, or permanently removed from the State in which the collateral is located.

(k) **APPLICATION OF SECTION.** The time limitation prescribed in subsection (b)(2) of this section, and the requirements of subsection (c) of this section, shall not apply to a loan that became a distressed loan before the date of the enactment of this section, if the borrower and lender of the loan are in the process of negotiating loan restructuring with respect to the loan.

(l) **ASSISTANCE IN RESTRUCTURING.** Each Farm Credit Bank, on request of any production credit association, may assist the association in restructuring loans under this section.

The National Special Asset Council shall review a sufficient number of determinations made by each special asset group to foreclose on any loan to assure the Council that such group is complying with this section. With regard to each determination reviewed, the Council shall make an independent judgment on the merits of the decision to foreclose rather than restructure the loan.

(3) NONCOMPLIANCE. If the National Special Asset Council determines that any special asset group is not in substantial compliance with this section, the Council shall notify the group of the determination, and may take such other action as the Council considers necessary to ensure that such group complies with this section.

(d) REPORT. With respect to determinations by a special asset group that a loan will not be restructured, the special asset group shall submit to the National Special Asset Council a report evaluating the loan and the basis for the determination that the loan should not be restructured.

(3) APPLICATION. This subsection shall only apply if a loan being placed in nonaccrual status results in an adverse action being taken against the borrower.

(1) Modify the boundaries of farm credit districts, with due regard for the farm credit needs of the country, as approved by the Board, with the concurrence of the district banks involved.

(2) (A) Where necessary or appropriate to carry out the policy and objectives of this Act, issue and approve amendments to Federal

charters of institutions of the System; approve change in names of banks operating under this Act; approve the merger of districts when agreed to by the district bank boards involved and by a majority vote of the voting stockholders and contributors to the guaranty funds of each bank for each of such districts, voting in the same manner as is provided in section 7.0 of this Act; approve mergers and any related activities as provided for in title VII; and approve the consolidation or division of the territories of institutions when agreed to by a majority vote of the voting stockholders or contributors to the guaranty fund of each of the institutions involved; and approve consolidations of boards of directors when agreed to by a majority vote of the voting stockholders or contributors to the guaranty fund of each of the institutions involved. In issuing charters and certificates of territory for district-wide mergers of associations where stockholders of one or more associations did not approve the merger, the charter of the new or merged association shall not include the territory of the disagreeing association or associations; charters issued during calendar year 1985 for district-wide new or merged associations which included the territory of a disagreeing association shall be revoked and reissued to exclude such territory, unless subsequently agreed to by the board of directors of such association or associations. The Farm Credit Administration Board shall ensure that disapproving associations (A) shall not be charged any assessment under this Act at a rate higher than that charged other like associations in the district, and (B) shall be provided with financial services and assistance on the same basis as other like associations in the district (including, but not limited to, access to credit and rates of interest on loans and discounts) by a district Farm Credit bank to the association and its member-borrowers. The Farm Credit Administration Board, after consultation with the respective boards of directors of the affected banks, may require two or more banks operating under the same or different titles to merge if the Board determines that one of such banks has failed to meet its outstanding obligations.

(B) The Farm Credit Administration shall not issue a charter to, or approve an amendment to the charter of, any institution of the Farm Credit System to operate under title I or II that would authorize the institution to exercise lending authority, whether directly or indirectly as an agent of a Farm Credit Bank, in a territory in which the charter of another such institution authorizes the other institution to exercise like authority, whether directly or indirectly as an agent of a Farm Credit Bank, except with the approval of—

(i) in a case affecting only the charter of one or more associations—

(I) a majority of the shareholders (present and voting or voting by proxy) of each of the associations that would have like lending authority (whether directly or indirectly as an agent of a Farm Credit Bank) in any of that territory if the

charter action were taken; and

(II) a majority of the board of directors of the Farm Credit Bank with which the affected associations are affiliated; or

(ii) in a case affecting the charter of one or more banks—

(I) a majority of the shareholders (present and voting or voting by proxy) of the affiliated associations of each of the banks that would have like lending authority in any of that territory if the charter action were taken;

(II) a majority of the shareholders (present and voting or voting by proxy) of each of the banks that would have like lending authority in any of that territory if the charter action were taken; and

(III) a majority vote of the boards of directors of each of the banks that would have like lending authority in any of that territory if the charter action were taken.

(C) Subparagraph (B) shall apply only in those geographic areas where, due to the failure of a Federal intermediate credit bank to merge in accordance with section 410(a) of the Agricultural Credit Act of 1987 (12 U.S.C. 2011 note), the Federal intermediate credit bank or its successor is chartered to provide short- and intermediate-term credit, and a neighboring Farm Credit Bank that is not the successor to the Federal intermediate credit bank is chartered to provide long-term credit, in the same geographic territory.

(3) Make annual reports directly to Congress on the condition of the System and its institutions, based on the examinations carried out under section 5.19 of this Act, and on the manner and extent to which the purposes and objectives of this Act are being carried out and, from time to time, recommend directly legislative changes. (6) Establish standards for the System institutions with respect to loan security requirements and regulate the borrowing, repayment, and transfer of funds and equities between institutions of the System.

(7) Conduct loan and collateral security review.

(8) Regulate the preparation by System institutions and the dissemination to stockholders and investors of information on the financial condition and operations of such institutions, except that the requirements of the Farm Credit Administration governing the dissemination to stockholders of quarterly reports of System institutions may not be more burdensome or costly than the requirements applicable to national banks, and the Farm Credit Administration may not require any System institution to disclose in any report to stockholders information concerning the condition or classification of a loan—

(A) to a director of the institution—

(i) who has resigned before the time for filing the applicable report with the Farm Credit Administration; or

(ii) whose term of office will expire no later than the date of the meeting of stockholders to which the report relates; or

(B) to a member of the immediate family of a director of the institution unless—

(i) the family member resides in the same household as the director; or

(i) in the geographic area served by an association that was reassigned pursuant to section 433 of the Agricultural Credit Act of 1987 (12 U.S.C. 2071 note) (where the geographic area was a part of the association's territory as of the date of the reassignment); and

(ii) in which the charter of an institution that is not seeking the charter amendment authorizes the institution to exercise the type of lending authority that is the subject of the charter request.

(B) The Farm Credit Administration may approve a

charter amendment under subparagraph (A) only on the approval of—

(i) the respective boards of directors of the associations that, if the charter request is approved, would exercise like lending authority in any of the territory that is the subject of the charter request;

(ii) a majority of the stockholders of each association described in clause (i) voting, in person or by proxy, at a duly authorized stockholder's meeting; and

(iii) the respective boards of directors of the Farm Credit Banks that, if the charter request is approved, would exercise, either directly or through associations, like lending authority in any of the territory described in subparagraph (A)(i).

(14)(A) Subject to subparagraph (B), the Farm Credit Administration may approve a request to charter an association of the Farm Credit System to operate under title II where the proposed charter—

(i) will include any of the geographic area included in the territory served by an association that was reassigned pursuant to section 433 of the Agricultural Credit Act of 1987 (12 U.S.C. 2071 note) (where the geographic area was a part of the association's territory as of the date of the reassignment); and

(ii) will authorize the association to exercise lending authority in any territory in the geographic area in which the charter of an association that is not requesting the charter authorizes the association to exercise the type of lending authority that is the subject of the charter request.

(B) The Farm Credit Administration may approve a charter request under subparagraph (A) only on the approval of

(i) the respective boards of directors of the association that, if the charter request is approved, would exercise like lending authority in any of the territory that is the subject of the charter request;

(ii) a majority vote of the stockholders (if any) of each association described in clause (i) voting, in person or by proxy, at a duly authorized stockholder's meeting; and

(iii) the respective boards of directors of the Farm Credit Banks that, if the charter request is approved, would exercise, either directly or through associations, like lending authority in any of the territory described in subparagraph (A)(i).

(b) The Farm Credit Administration shall not have authority, either direct or indirect, to approve bylaws, or any amendments or modifications or changes to bylaws, of System institutions.

(c)(1) At least thirty days prior to publishing any proposed regulation in the Federal Register, the Farm Credit Administration shall transmit a copy of the regulation to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate. The Farm Credit Administration shall also transmit to such committees a copy of any final regulation prior to its publication in the Federal Register. Except as provided in paragraph (2) of this subsection, no final regulation of the Farm Credit Administration shall become effective prior to the expiration of thirty calendar days after it is published in the Federal Register during which either or both Houses of the Congress are in session.

(2) In the case of an emergency, a final regulation of the Farm Credit Administration may become effective without regard to the last sentence of paragraph (1) of this subsection if the Farm Credit Administration notifies in writing the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate setting forth the reasons why it is necessary to make the regulation effective prior to the expiration of the thirty-day period.

Except as provided in paragraph (2), the regulation shall not become effective if, within ninety calendar days of continuous session of Congress after the date of promulgation, both Houses of Congress adopt a concurrent resolution, the matter after the resolving clause of which is as follows: "That Congress disapproves the regulations promulgated by the Farm Credit Administration dealing with the matter of _____, which regulation was transmitted to Congress on _____", the blank spaces therein being appropriately filled.

(2) If at the end of sixty calendar days of continuous session of Congress after the date of promulgation of a regulation, no committee of either House of Congress has reported or been discharged from further consideration of a concurrent resolution disapproving the regulation, and neither House has adopted such a resolution, the regulation may go into effect immediately. If, within such sixty calendar days, such a committee has reported or been discharged from further consideration of such a resolution, or either House has adopted such a resolution, the regulation may go into effect not sooner than ninety calendar days of continuous session of Congress after its promulgation unless disapproved as provided in paragraph (1).

(3) For the purposes of paragraphs (1) and (2) of this subsection—

(i) continuity of session is broken only by an adjournment of Congress sine die; and

(ii) the days on which either House is not in session because of adjournment of or more than three days to a day certain are excluded in the computation of sixty and ninety calendar days of continuous session of Congress.

(4) Congressional inaction on or rejection of a resolution of disapproval shall not be deemed an expression of approval of such regulation.

12 U.S.C. 2258

SEC. 5.23. JURISDICTION.

Each institution of the System shall for the purposes of jurisdiction be deemed to be a citizen of the State, commonwealth, or District of Columbia in which its principal office is located.

12 U.S.C. 2259

SEC. 5.24. STATE LEGISLATION.

Whenever it is determined by the Farm Credit Administration, or by judicial decision, that a State law is applicable to the obligations and securities authorized to be held by the institutions of the System under this Act, which law would provide insufficient protection, or inadequate safeguards against loss in the event of default, the Farm Credit Administration may declare such obligations or securities to be ineligible as collateral for the issuance of new notes, bonds, debentures, and other obligations under this Act.

Part C—Enforcement Powers of Farm Credit Administration

12 U.S.C. 2261

SEC. 5.25. CEASE AND DESIST PROCEEDINGS.

(a) If, in the opinion of the Farm Credit Administration, any institution in the Farm Credit System, or any director, officer, employee, agent, or other person participating in the conduct of the affairs of such an institution is engaging or has engaged, or the Farm Credit Administration has reasonable cause to believe that the institution or any director, officer, employee, agent, or other person participating in the conduct of the affairs of such institution is about to engage, in an unsafe or unsound practice in conducting the business of such institution, or is violating or has violated, or the Farm Credit Administration has reasonable cause to believe that the institution or any director, officer, employee, agent, or other person participating in the conduct of the affairs of such institution is about to violate, a law, rule, or regulation, or any condition imposed in writing by the Farm Credit Administration in connection with the granting of any

application or other request by the institution or any written agreement entered into with the Farm Credit Administration, the Farm Credit Administration may issue and serve upon the institution or such director, officer, employee, agent, or other person a notice of charges in respect thereof. The notice shall contain a statement of the facts constituting the alleged violation or violations or the unsafe or unsound practice or practices, and shall fix a time and place at which a hearing will be held to determine whether an order to cease and desist therefrom should issue against the institution or the director, officer, employee, agent, or other person participating in the conduct of the affairs of such institution. Such hearing shall be fixed for a date not earlier than thirty days nor later than sixty days after service of such notice unless an earlier or a later date is set by the Farm Credit Administration at the request of any party so served. Unless the party or parties so served shall appear at the hearing personally or by a duly authorized representative, they shall be deemed to have consented to the issuance of the cease and desist order. In the event of such consent, or if upon the record made at any such hearing, the Farm Credit Administration shall find that any violation or unsafe or unsound practice specified in the notice of charges has been established, the Farm Credit Administration may issue and serve upon the institution or the director, officer, employee, agent, or other person participating in the conduct of the affairs of such institution an order to cease and desist from any such violation or practice. Such order may, by provisions that may be mandatory or otherwise, require the institution or its directors, officers, employees, agents, and other persons participating in the conduct of the affairs of such institution to cease and desist from the same, and, further, to take affirmative action to correct the conditions resulting from any such violation or practice.

(b) A cease and desist order shall become effective at the expiration of thirty days after the service of such order upon the institution or other person concerned (except in the case of a cease and desist order issued upon consent, which shall become effective at the time specified therein), and shall remain effective and enforceable as provided therein except to such extent as it is stayed, modified, terminated, or set aside by action of the Farm Credit Administration or a reviewing court.

12 U.S.C. 2262

SEC. 5.26. TEMPORARY CEASE AND DESIST ORDERS.

(a) Whenever the Farm Credit Administration shall determine that the violation or threatened violation or the unsafe or unsound practice or practices, specified in the notice of charges served upon the institution or any director, officer, employee, agent, or other person participating in the conduct of the affairs of such institution under section 5.25, or the continuation thereof, is likely to cause insolvency or substantial dissipation of assets or earnings of the institution, or is likely to seriously weaken the condition of the institution or otherwise seriously prejudice the interests of the investors in Farm Credit System obligations or shareholders in the institution prior to the completion of the proceedings conducted under section 5.25, the Farm Credit Administration may issue a temporary order

requiring the institution or such director, officer, employee, agent, or other person to cease and desist from any such violation or practice and to take affirmative action to prevent such insolvency, dissipation, condition, or prejudice pending completion of such proceedings. Such order shall become effective upon service upon the institution or such director, officer, employee, agent, or other person participating in the conduct of the affairs of such institution and, unless set aside, limited, or suspended by a court in proceedings authorized by subsection (b) of this section, shall remain effective and enforceable pending the completion of the administrative proceedings pursuant to such notice and until such time as the Farm Credit Administration shall dismiss the charges specified in such notice, or if a cease and desist order is issued against the institution or such director, officer, employee, agent, or other person, until effective date of such order.

(b) Within ten days after the institution concerned or any director, officer, employee, agent, or other person participating in the conduct of the affairs of such institution has been served with a temporary cease and desist order, the institution or such director, officer, employee, agent, or other person may apply to the United States district court for the judicial district in which the home office of the institution is located, or the United States district court for the District of Columbia, for an injunction setting aside, limiting, or suspending the enforcement, operation, or effectiveness of such order pending the completion of the administrative proceedings pursuant to the notice of charges served upon the institution or such director, officer, employee, agent, or other person under section 5.25, and such court shall have jurisdiction to issue such injunction.

12 U.S.C. 2263

SEC. 5.27. ENFORCEMENT OF TEMPORARY CEASE AND DESIST ORDERS.

In the case of violation or threatened violation of, or failure to obey, a temporary cease and desist order issued under section 5.26, the Farm Credit Administration may apply to the United States district court, or the United States court of any territory, within the jurisdiction of which the home office of the institution is located, for an injunction to enforce such order, and, if the court shall determine that there has been such violation or threatened violation or failure to obey, it shall be the duty of the court to issue such injunction.

12 U.S.C. 2264

SEC. 5.28. SUSPENSION OR REMOVAL OF DIRECTOR OR OFFICER.

(a) Whenever, in the opinion of the Farm Credit Administration, any director or officer of any institution in the Farm Credit System has committed any violation of law, rule, or regulation or of a cease and desist order that has become final, or has engaged or participated in any unsafe or unsound practice in connection with the institution, or has committed or engaged in any act, omission, or practice which constitutes a breach of a fiduciary duty as such director or officer, and the Farm Credit Administration determines that the institution has suffered or will probably

suffer substantial financial loss or other damage or that the interests of its shareholders or investors in Farm Credit System obligations could be seriously prejudiced by reason of such violation or practice or breach of fiduciary duty, or that the director or officer has received financial gain by reason of such violation or practice or breach of fiduciary duty, and that such violation or practice or breach of fiduciary duty is one involving personal dishonesty on the part of such director or officer, or one that demonstrates a willful or continuing disregard for the safety or soundness of the System institution, the Farm Credit Administration may serve upon such director or officer a written notice of its intention to remove him from office.

(b) Whenever, in the opinion of the Farm Credit Administration, any director or officer of an institution in the Farm Credit System, by conduct or practice with respect to another institution in the Farm Credit System or other business institution that resulted in substantial financial loss or other damage, has evidenced either his personal dishonesty or a willful or continuing disregard for its safety and soundness and, in addition, has evidenced his unfitness to continue as a director or officer, and whenever, in the opinion of the Farm Credit Administration, any other person participating in the conduct of the affairs of an institution in the Farm Credit System, by the conduct or practice with respect to such institution or other institution in the Farm Credit System or other business institution that resulted in substantial financial loss or other damage, has evidenced either personal dishonesty or a willful or continuing disregard for its safety and soundness and, in addition, has evidenced his unfitness to participate in the conduct of the affairs of such institution, the Farm Credit Administration may serve upon such director, officer, or other person a written notice of its intention to remove that director, officer, or other person from office or to prohibit his further participation in any manner in the conduct of the affairs of the institution.

(c) In respect to any director or officer of an institution in the Farm Credit System or any other person referred to in subsection (a) or (b) of this section, the Farm Credit Administration may, if it deems it necessary for the protection of the institution or the interests of its shareholders and the investors in the Farm Credit System obligations, by written notice to such effect served upon such director, officer, or other person, suspend such director, officer, or other person from office or prohibit such director, officer, or other person from further participation in any manner in the conduct of the affairs of the institution. Such suspension or prohibition shall become effective upon service of such notice and, unless stayed by a court in proceedings authorized by subsection (e) of this section, shall remain in effect pending the completion of the administrative proceedings pursuant to the notice served under subsection (a) or (b) of this section and until such time as the Farm Credit Administration shall dismiss the charges specified in such notice, or, if an order of removal or prohibition is issued against the director or officer or other person, until the effective date of any such order. Copies of any such notice shall also be served upon the institution of which the person is a director or officer or in the conduct of whose affairs the person has participated.

(d) A notice of intention to remove a director, officer, or other

person from office or to prohibit such director's, officer's, or other person's participation in the conduct of the affairs of an institution in the Farm Credit System, shall contain a statement of the facts constituting grounds therefor, and shall fix a time and place at which a hearing will be held thereon. Such hearing shall be fixed for a date not earlier than thirty days nor later than sixty days after the date of service of such notice, unless an earlier or a later date is set by the Farm Credit Administration at the request of (1) such director or officer or other person, and for good cause shown, or (2) the Attorney General of the United States. Unless such director, officer, or other person shall appear at the hearing in person or by a duly authorized representative, such director, officer, or other person shall be deemed to have consented to the issuance of an order of such removal or prohibition. In the event of such consent, or if upon the record made at any such hearing the Farm Credit Administration shall find that any of the grounds specified in such notice have been established, the Farm Credit Administration may issue such orders of suspension or removal from office, or prohibition from participation in the conduct of the affairs of the institution, as it may deem appropriate. A copy of an order issued under this subsection shall be served upon the institution concerned. Any such order shall become effective at the expiration of thirty days after service upon such institution and the director, officer, or other person concerned (except in the case of an order issued upon consent, which shall become effective at the time specified therein). Such order shall remain effective and enforceable except to such extent as it is stayed, modified, terminated, or set aside by action of the agency or a reviewing court.

(e) Within ten days after any director, officer, or other person has been suspended from office or prohibited from participation in the conduct of the affairs of a System institution under subsection (c) of this section, such director, officer, or other person may apply to the United States district court for the judicial district in which the home office of the institution is located, or the United States district court for the District of Columbia, for a stay of either such suspension or prohibition, or both, pending the completion of the administrative proceedings pursuant to the notice served upon such director, officer, or other person under subsection (a) or (b) of this section, and such court shall have jurisdiction to stay either such suspension or prohibition, or both.

12 U.S.C. 2265

SEC. 5.29. SUSPENSION OR REMOVAL OF DIRECTOR OR OFFICER CHARGED WITH FELONY.

(a) Whenever any director or officer of an institution in the Farm Credit System, or other person participating in the conduct of the affairs of such institution, is charged in any information, indictment, or complaint authorized by a United States attorney, with the commission of or participation in a crime involving dishonesty or breach of trust that is punishable by imprisonment for a term exceeding one year under State or Federal law, the Farm Credit Administration may, if continued service or participation by the individual may pose a threat to the interests of the institution's shareholders or investors in Farm Credit System obligations or

may threaten to impair public confidence in the institution or the Farm Credit System, by written notice served upon such director, officer, or other person, suspend such director, officer, or other person from office or prohibit such director, officer, or other person from further participation in any manner in the conduct of the affairs of the institution. A copy of such notice shall also be served upon the institution. Such suspension or prohibition shall remain in effect until such information, indictment, or complaint is finally of or until terminated by the Farm Credit Administration. In the event that a judgment of conviction with respect to such crime is entered against such director, officer, or other person, and at such time as such judgment is not subject to further appellate review, the Farm Credit Administration may, if continued service or participation by the individual may pose a threat to the interests of the institution's shareholders or the investors in Farm Credit System obligations or may threaten to impair public confidence in the institution or the Farm Credit System, issue and serve upon such director, officer, or other person an order removing such director, officer, or other person from office or prohibiting such director, officer, or other person from further participation in any manner in the conduct of the affairs of the institution except with the consent of the Farm Credit Administration. A copy of such order shall also be served upon such institution, whereupon such director or officer shall cease to be a director or officer of such institution. A finding of not guilty or other disposition of the charge shall not preclude the Farm Credit Administration from thereafter instituting proceedings to remove such director, officer, or other person from office or to prohibit further participation in Farm Credit System affairs under section 5.28. Any notice of suspension or order of removal issued under this paragraph shall remain effective and outstanding until the completion of any hearing or appeal authorized under subsection (b) of this section unless terminated by the Farm Credit Administration.

(b) Within thirty days from service of any notice of suspension or order of removal issued under subsection (a) of this section, the director, officer, or other person concerned may request in writing an opportunity to appear before the Farm Credit Administration to show that the continued service to or participation in the conduct of the affairs of the institution by such individual does not, or is not likely to, pose a threat to the interest of the institution's shareholders or the investors in Farm Credit System obligations or threaten to impair public confidence in the institution or the Farm Credit System. Upon receipt of any such request, the Farm Credit Administration shall fix a time (not more than thirty days after receipt of such request, unless extended at the request of the concerned director, officer, or other person) and place at which the director, officer, or other person may appear, personally or through counsel, before the Chairman of the Farm Credit Administration or designated employees of the Farm Credit Administration to submit written materials (or, at the discretion of the Farm Credit Administration oral testimony) and oral argument. Within sixty days of such hearing, the Farm Credit Administration shall notify the director, officer, or other person whether the suspension or prohibition from participation in any manner in the conduct of the affairs of the institution will be continued, terminated, or otherwise modified, or whether

the order removing such director, officer, or other person from office or prohibiting such individual from further participation in any manner in the conduct of the affairs of the institution will be rescinded or otherwise modified. Such notification shall contain a statement of the basis for the Farm Credit Administration's decision, if adverse to the director, officer or other person. The Farm Credit Administration may prescribe such rules as may be necessary to effectuate the purposes of this subsection.

12 U.S.C. 2266

SEC. 5.30. HEARINGS AND JUDICIAL REVIEW.

(a) Any hearing provided for in this part (other than the hearing provided for in section 5.29) shall be held in the Federal judicial district or in the territory in which the home office of the institution is located unless the party afforded the hearing consents to another place, and shall be conducted in accordance with the provisions of chapter 5 of Title 5 of the United States Code. Such hearing shall be private, unless the Farm Credit Administration, in its discretion, after fully considering the views of the party afforded the hearing, determines that a public hearing is necessary to protect the public interest. After such hearing, and within ninety days after the Farm Credit Administration has notified the parties that the case has been submitted to it for final decision, it shall render its decision (which shall include findings of fact upon which its decision is predicated) and shall issue and serve upon each party to the proceeding an order or orders consistent with the provisions of this part. Judicial review of any such order shall be exclusively as provided in this section. Unless a petition for review is timely filed in a court of appeals of the United States, as hereinafter provided in subsection (b) of this section, and thereafter until the record in the proceeding has been filed as so provided, the Farm Credit Administration may at any time, upon such notice and in such manner as it shall deem proper, modify, terminate, or set aside any such order. Upon such filing of the record, the Farm Credit Administration may modify, terminate, or set aside any such order with permission of the court.

(b) Any party to the proceeding, or any person required by an order issued under this part to cease and desist from any of the violations or practices stated therein, may obtain a review of any order served under subsection (a) of this section (other than an order issued with the consent of the System institution or the director or officer or other person concerned, or an order issued under section 5.29) by the filing in the court of appeals of the United States for the circuit in which the home office of the institution is located, or in the United States Court of Appeals for the District of Columbia Circuit, within thirty days after the date of service of such order, a written petition praying that the order of the Farm Credit Administration be modified, terminated, or set aside. A copy of such petition shall be forthwith transmitted by the clerk of the court to the Farm Credit Administration, and thereupon the Farm Credit Administration shall file in the court the record in the proceeding, as provided in section 2112 of title 28 of the United States Code. Upon the filing of such petition, such court shall have jurisdiction, which upon the filing of the record shall except as provided in the last sentence of subsection (a) of this section be

exclusive, to affirm, modify, terminate, or set aside, in whole or in part, the order of the Farm Credit Administration. Review of such proceedings shall be had as provided in chapter 7 of Title 5 of the United States Code. The judgment and decree of the court shall be final, except that the same shall be subject to review by the Supreme Court upon certiorari, as provided in section 1254 of Title 28 of the United States Code.

(c) The commencement of proceedings for judicial review under subsection (b) of this section shall not, unless specifically ordered by the court, operate as a stay of any order issued by the Farm Credit Administration.

12 U.S.C. 2267

SEC. 5.31. JURISDICTION AND ENFORCEMENT.

The Farm Credit Administration may in its discretion apply to the United States district court, or the United States court of any territory, within the jurisdiction of which the home office of the institution is located, for the enforcement of any effective and outstanding notice or order issued under this part, and such courts shall have jurisdiction and power to order and require compliance herewith; but except as otherwise provided in this part no court shall have jurisdiction to affect by injunction or otherwise the issuance or enforcement of any notice or order under this part, or to review, modify, suspend, terminate, or set aside any such notice or order. For purposes of this section, any directive issued under section 4.3(b)(2), 4.3A(e), or 4.14(i) shall be treated as an effective and outstanding order issued under section 5.25 that has become final.

12 U.S.C. 2268

SEC. 5.32. PENALTY.

(a) Any institution in the System that violates or any officer, director, employee, agent, or other person participating in the conduct of the affairs of such an institution who violates the terms of any order that has become final and was issued under section 5.25 or 5.26 of this Act, shall forfeit and pay a civil penalty of not more than \$1,000 per day for each day during which such violation continues. Any such institution or person who violates any provision of this Act or any regulation issued under this Act shall forfeit and pay a civil penalty of not more than \$500 per day for each day during which such violation continues. Notwithstanding the preceding sentences, the Farm Credit Administration may, in its discretion, compromise, modify, or remit any civil money penalty that is subject to imposition or has been imposed under such authority. The penalty may be assessed and collected by the Farm Credit Administration by written notice.

(b) Before determining whether to assess a civil money penalty and determining the amount of such penalty, the Farm Credit Administration shall notify the institution or person to be assessed of the violation or violations alleged to have occurred or to be occurring, and shall solicit the views of the institution or person regarding the imposition of such penalty. In determining the amount of the penalty, the Farm Credit Administration shall take into account the appropriateness of the penalty

with respect to the size of financial resources and good faith of the System institution or person charged, the gravity of the violation, the history of previous violations, and such other matters as justice may require.

(c) The System institution or person assessed shall be afforded an opportunity for a hearing by the Farm Credit Administration, upon request made within ten days after issuance of the notice of assessment. In such hearing all issues shall be determined on the record pursuant to section 554 of Title 5 of the United States Code. The Farm Credit Administration determination shall be made by final order which may be reviewed only as provided in subsection (d) of this section. If no hearing is requested as herein provided, the assessment shall constitute a final and unappealable order.

(d) Any System institution or person against whom an order imposing a civil money penalty has been entered after a Farm Credit Administration hearing under this section may obtain review by the United States court of appeals for the circuit in which the home office of the System institution is located, or the United States Court of Appeals for the District of Columbia Circuit, by filing a notice of appeal in such court within twenty days after the service of such order, and simultaneously sending a copy of such notice by registered or certified mail to the Farm Credit Administration. The Farm Credit Administration shall promptly certify and file in such Court the record upon which the penalty was imposed, as provided in section 2112 of Title 28 of the United States Code. Final orders of the Farm Credit Administration issued under subsection (c) of this section shall be reviewable under chapter 7 of Title 5, United States Code.

(e) If any System institution or person fails to pay an assessment after it has become a final and unappealable order, or after the court of appeals has entered final judgment in favor of the Farm Credit Administration, the Farm Credit Administration shall refer the matter to the Attorney General, who shall recover the amount assessed by action in the appropriate United States district court. In such action, the validity and appropriateness of the final order imposing the penalty shall not be subject to review.

(f) The Farm Credit Administration shall promulgate regulations establishing procedures necessary to implement section 5.31 and this section.

(g) All penalties collected under authority of this section shall be covered into the Treasury of the United States.

(h) For purposes of this section, any directive issued under section 4.3(b)(2), 4.3A(e), or 4.14A(i) shall be treated as an order that has become final and was issued under section 5.25.

12 U.S.C. 2269

SEC. 5.33. FURTHER PENALTIES.

Any director or officer, or former director or officer of a System institution, or any other person, against whom there is outstanding and effective any notice or order (which is an order which has become final) served upon such director, officer, or other person under section 5.28 or

5.29 of this Act, and who (1) participates in any manner in the conduct of the affairs of the institution involved, or directly or indirectly solicits or procures, or transfers or attempts to transfer, or votes or attempts to vote, any proxies, consents, or authorizations in respect of any voting rights in such institution, or (2) without the prior written approval of the Farm Credit Administration, votes for a director, serves or acts as a director, officer, or employee of any System institution, shall upon conviction be fined not more than \$5,000 or imprisoned for not more than one year, or both.

12 U.S.C. 2270

SEC. 5.34. REPLACEMENT OF SUSPENDED OR REMOVED DIRECTORS.

If at any time, because of the suspension or removal of one or more directors pursuant to section 5.28 or 5.29 of this Act, there shall be on the board of directors of a System institution less than a quorum of directors not so suspended, the Chairman shall appoint persons to serve temporarily as directors in their place and stead so as to establish a quorum until such time as those who have been removed are reinstated or their respective successors are duly elected and take office.

SEC. 5.55. PREMIUMS.

(a) **AMOUNT IN FUND NOT EXCEEDING SECURE BASE AMOUNT.**

(1) IN GENERAL. If at the end of any calendar year the aggregate of amounts in the Farm Credit Insurance Fund does not exceed the secure base amount, subject to paragraph (2), the annual premium due from any insured System bank for the calendar year shall be equal to the sum of—

(A) the annual average principal outstanding for such year on loans made by the bank that are in accrual status, excluding the guaranteed portions of loans provided for in subparagraphs (C) and (D), multiplied by 0.0015;

(B) the annual average principal outstanding for such year on loans made by the bank that are in nonaccrual status, multiplied by 0.0025;

(C)(i) the annual average principal outstanding for such year on the guaranteed portions of Federal Government-guaranteed loans made by the bank that are in accrual status, multiplied by 0.00015; and

(ii) the annual average principal outstanding for such year on the guaranteed portions of State government-guaranteed loans made by the bank that are in accrual status, multiplied by 0.0003; and

(D) the annual average principal outstanding for such year on the guaranteed portions of Government Sponsored Enterprise-guaranteed loans made by the bank that are in accrual status, multiplied by a factor, not to exceed 0.0015, determined by the Corporation at the sole discretion of the Corporation.

(2) REDUCED PREMIUMS. The Corporation, in the sole discretion of the Corporation, may reduce by a percentage uniformly applied to all insured System banks the annual premium due from each insured System bank during any calendar year, as determined under paragraph (1).

(3) DEFINITION OF GOVERNMENT-GUARANTEED LOANS. As used in this section and section 1.12(b), the term "government-guaranteed loans" means loans or credits, or portions of loans or credits, that are guaranteed—

(A) by the full faith and credit of the United States Government or any State government;

(B) by an agency or other entity of the United States Government whose obligations are explicitly guaranteed by the United States Government; or

(C) by an agency or other entity of a State government whose obligations are explicitly guaranteed by such State government.

(4) DEFINITION OF GOVERNMENT SPONSORED ENTERPRISE-GUARANTEED LOAN.--In this section and sections 1.12(b) and 5.56(a), the term "Government Sponsored Enterprise-guaranteed loan" means a loan or credit, or portion of a loan or credit, that is guaranteed by an entity that is chartered by Congress to serve a public purpose and the debt obligations of which are not explicitly guaranteed by the United States, including the

Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Federal Home Loan Bank System, and the Federal Agricultural Mortgage Corporation, but not including any other institution of the Farm Credit System.

(b) AMOUNT IN FUND EXCEEDING SECURE BASE AMOUNT. At any time the aggregate of amounts in the Farm Credit Insurance Fund exceeds the secure base amount, the Corporation shall reduce the annual premium due from each insured System bank, as determined under subsection (a)(1) of this section, by a percentage determined by the Corporation so that the aggregate of the premiums payable by all System banks is sufficient to ensure that the aggregate of amounts in the Farm Credit Insurance Fund after such premiums are paid is not less than the secure base amount at such time.

(c) SECURE BASE AMOUNT. For purposes of this part, the term "secure base amount" means, with respect to any point in time, 2 percent of the aggregate outstanding insured obligations of all insured System banks at such time (adjusted downward to exclude an amount equal to the sum of (1) 90 percent of the guaranteed portions of principal outstanding on Federal Government-guaranteed loans in accrual status made by such banks and (2) 80 percent of the guaranteed portions of principal outstanding on State government-guaranteed loans in accrual status made by such banks, as determined by the Corporation), or such other percentage of the aggregate amount as the Corporation in its sole discretion determines is actuarially sound to maintain in the Insurance Fund taking into account the risk of insuring outstanding insured obligations.

(d) DETERMINATION OF PRINCIPAL OUTSTANDING. For the purpose of subsections (a), (c), and (e) of this section, the principal outstanding on all loans made by an insured System bank shall be determined based on all loans made—

(1) by any production credit association, or any other association making direct loans under authority provided under section 7.6, that is able to make such loans because such association is receiving, or has received, funds provided through the insured System bank;

(2) by any bank, company, institution, corporation, union, or association described in section 1.7(b)(1)(B), that is able to make such loans because such entity is receiving, or has received, funds provided through the insured System bank; and

(3) by such insured System bank (other than loans made to any party described in paragraph (1) or (2)).

(e) ALLOCATION TO SYSTEM INSTITUTIONS OF EXCESS RESERVES.

(1) ESTABLISHMENT OF ALLOCATED INSURANCE RESERVES ACCOUNTS. There is hereby established in the Farm Credit Insurance Fund an Allocated Insurance Reserves Account—

(A) for each insured System bank; and

(B) subject to paragraph (6)(C), for all holders, in the aggregate, of Financial Assistance Corporation stock.

(2) TREATMENT. Amounts in any Allocated Insurance

Reserves Account shall be considered to be part of the Farm Credit Insurance Fund.

(3) ANNUAL ALLOCATIONS. If, at the end of any calendar year, the aggregate of the amounts in the Farm Credit Insurance Fund exceeds the average secure base amount for the calendar year (as calculated on an average daily balance basis), the Corporation shall allocate to the Allocated Insurance Reserves Accounts the excess amount less the amount that the Corporation, in its sole discretion, determines to be the sum of the estimated operating expenses and estimated insurance obligations of the Corporation for the immediately succeeding calendar year.

(4) ALLOCATION FORMULA. From the total amount required to be allocated at the end of a calendar year under paragraph (3)—

(A) 10 percent of the total amount shall be credited to the Allocated Insurance Reserves Account established under paragraph (1)(B), subject to paragraph (6)(C); and

(B) there shall be credited to the Allocated Insurance Reserves Account of each insured System bank an amount that bears the same ratio to the total amount (less any amount credited under subparagraph (A)) as the average principal outstanding for the 3-year period ending on the end of the calendar year on loans made by the bank that are in accrual status bears to the average principal outstanding for the 3-year period ending on the end of the calendar year on loans made by all insured System banks that are in accrual status (excluding, in each case, the guaranteed portions of loans described in subparagraph (C) or (D) of subsection (a)(1).

(5) USE OF FUNDS IN ALLOCATED INSURANCE RESERVES ACCOUNTS. To the extent that the sum of the operating expenses of the Corporation and the insurance obligations of the Corporation for a calendar year exceeds the sum of operating expenses and insurance obligations determined under paragraph (3) for the calendar year, the Corporation shall cover the expenses and obligations by—

(A) reducing each Allocated Insurance Reserves Account by the same proportion; and

(B) expending the amounts obtained under subparagraph (A) before expending other amounts in the Fund.

(6) OTHER DISPOSITION OF ACCOUNT FUNDS.

(A) IN GENERAL. As soon as practicable during each calendar year beginning more than 8 years after the date on which the aggregate of the amounts in the Farm Credit Insurance Fund exceeds the secure base amount, but not earlier than January 1, 2005, the Corporation may—

(i) subject to subparagraphs (D) and (F), pay to each insured System bank, in a manner determined by the Corporation, an amount equal to the lesser of—

(I) 20 percent of the balance in the insured System bank's Allocated Insurance

Reserves Account as of the preceding December 31; or

(II) 20 percent of the balance in the bank's Allocated Insurance Reserves Account on the date of the payment; and

(ii) subject to subparagraphs (C), (E), and (F), pay to each System bank and association holding Financial Assistance Corporation stock a proportionate share, determined by dividing the number of shares of Financial Assistance Corporation stock held by the institution by the total number of shares of Financial Assistance Corporation stock outstanding, of the lesser of—

(I) 20 percent of the balance in the Allocated Insurance Reserves Account established under paragraph (1)(B) as of the preceding December 31; or

(II) 20 percent of the balance in the Allocated Insurance Reserves Account established under paragraph (1)(B) on the date of the payment.

(B) AUTHORITY TO ELIMINATE OR REDUCE PAYMENTS. The Corporation may eliminate or reduce payments during a calendar year under subparagraph (A) if the Corporation determines, in its sole discretion, that the payments, or other circumstances that might require use of the Farm Credit Insurance Fund, could cause the amount in the Farm Credit Insurance Fund during the calendar year to be less than the secure base amount.

(C) REIMBURSEMENT FOR FINANCIAL ASSISTANCE CORPORATION STOCK.

(i) **SUFFICIENT FUNDING.** Notwithstanding paragraph (4)(A), on provision by the Corporation for the accumulation in the Account established under paragraph (1)(B) of funds in an amount equal to \$56,000,000 (in addition to the amounts described in subparagraph (F)(ii)), the Corporation shall not allocate any further funds to the Account except to replenish the Account if funds are diminished below \$56,000,000 by the Corporation under paragraph (5).

(ii) **WIND DOWN AND TERMINATION.**

(I) **FINAL DISBURSEMENTS.** On disbursement of \$53,000,000 (in addition to the amounts described in subparagraph (F)(ii)) from the Allocated Insurance Reserves Account, the Corporation shall disburse the remaining amounts in the Account, as determined under subparagraph (A)(ii), without regard to the percentage limitations in subclauses (I) and (II) of subparagraph (A)(ii).

(II) **TERMINATION OF ACCOUNT.** On

disbursement of \$56,000,000 (in addition to the amounts described in subparagraph (F)(ii)) from the Allocated Insurance Reserves Account, the Corporation shall close the Account established under paragraph (1)(B) and transfer any remaining funds in the Account to the remaining Allocated Insurance Reserves Accounts in accordance with paragraph (4)(B) for the calendar year in which the transfer occurs.

(D) DISTRIBUTION OF PAYMENTS RECEIVED.

Not later than 60 days after receipt of a payment made under subparagraph (A)(i), each insured System bank, in consultation with affiliated associations of the insured System bank, and taking into account the direct or indirect payment of insurance premiums by the associations, shall develop and implement an equitable plan to distribute payments received under subparagraph (A)(i) among the bank and associations of the bank.

(E) EXCEPTION FOR PREVIOUSLY REIMBURSED ASSOCIATIONS. For purposes of subparagraph (A)(ii), in any Farm Credit district in which the funding bank has reimbursed 1 or more affiliated associations of the bank for the previously unreimbursed portion of the Financial Assistance Corporation stock held by the associations, the funding bank shall be deemed to be the holder of the shares of Financial Assistance Corporation stock for which the funding bank has provided the reimbursement.

(F) INITIAL PAYMENT. Notwithstanding subparagraph (A), the initial payment made to each payee under subparagraph (A) shall be in such amount determined by the Corporation to be equal to the sum of—

(i) the total of the amounts that would have been paid if payments under subparagraph (A) had been authorized to begin, under the same terms and conditions, in the first calendar year beginning more than 5 years after the date on which the aggregate of the amounts in the Farm Credit Insurance Fund exceeds the secure base amount, and to continue through the 2 immediately subsequent years;

(ii) interest earned on any amounts that would have been paid as described in clause (i) from the date on which the payments would have been paid as described in clause (i); and

(iii) the payment to be made in the initial year described in subparagraph (A), based on the amount in each Account after subtracting the amounts to be paid under clauses (i) and (ii).

(d) **SUBSEQUENT PREMIUM PAYMENTS.** The premium payments required from insured System banks under subsection (a) of this section shall be made not less frequently than annually in such manner and at such time or times as the Board of Directors shall prescribe, except that the amount of the premium shall be established not later than 60 days after filing the certified statement setting forth the amount of the premium.

SEC. 5.61. POWERS OF CORPORATION WITH RESPECT TO TROUBLED INSURED SYSTEM BANKS.

(a) AUTHORITY TO PROVIDE ASSISTANCE.

(1) STAND-ALONE ASSISTANCE. The Corporation, in its sole discretion and on such terms and conditions as the Board of Directors may prescribe, may make loans to, purchase the assets or securities of, assume the liabilities of, or make contributions to, any insured System bank if such action is taken—

(A) to prevent the placing of the bank in receivership;

(C) to reduce the risk to the Corporation posed by the bank when severe financial conditions threaten the stability of a significant number of insured System banks or of insured System banks possessing significant financial resources.

(2) FACILITATION OF MERGERS OR CONSOLIDATION.

(A) IN GENERAL. To facilitate a merger or consolidation of a qualifying insured System bank, the sale of

assets of such insured System bank to another insured System bank, the assumption of such insured System bank's liabilities by such other insured System bank, or the acquisition of the stock of such insured System bank by such other insured System bank, the Corporation, in its sole discretion and on such terms and conditions as the Board of Directors may prescribe, may—

(3) LIMITATION.

(A) LEAST-COST RESOLUTION. Assistance may not be provided to an insured System bank under this subsection unless the means of providing the assistance is the least costly means of providing the assistance by the Farm Credit Insurance Fund of all possible alternatives available to the Corporation, including liquidation of the bank (including paying the insured obligations issued on behalf of the bank). Before making a least-cost determination under this subparagraph, the Corporation shall accord such other insured System banks as the Corporation determines to be appropriate the opportunity to submit information relating to the determination.

Notwithstanding any other provision of this Act or the terms and conditions of the Thirty-Seven Banks Capital Preservation Agreement, the Federal Land Banks Capital Preservation Agreement, the Federal Intermediate Credit Banks Capital Preservation Agreement, and the Banks for Cooperatives Loss Sharing Agreement—

(A) at the time the receiving bank receives funds from the Financial Assistance Corporation in an equal and equivalent amount in accordance with this subsection, any amounts received by, or that remain accrued to, any System bank in accordance with the activation of any such agreement for the calendar quarter ending on September 30, 1986, shall be—

(C) on the date the Financial Assistance Corporation is chartered, the accounts receivable of each receiving bank under such agreements for the calendar quarter ending September 30, 1986, shall, by operation of law and without any further action by such receiving bank or any other bank, or any court, become and be converted into accounts receivable to such receiving bank from the Financial Assistance Corporation, in the same amount as previously carried on the books of such receiving bank and such receivables shall, for all financial reporting purposes, be accounted for as an asset on the books of such receiving bank in accordance with generally accepted accounting practices.

(2)(A) Not later than 30 days after the first issuance of obligations by the Financial Assistance Corporation in accordance with section 6.26, the Corporation shall pay to each receiving bank

such sums as are necessary to permit each receiving bank to repay, in accordance with paragraph (1), the amounts each such receiving bank received under any such agreement.

(B) The accruals shall be paid by the Corporation to each receiving bank for the actual net loan charge-offs recorded on the books of each such bank before January 1, 1993, not previously paid by the contributing banks.

(3) DEBT OBLIGATIONS.

(A) ISSUANCE. For the purpose of obtaining funds to carry out this subsection, the Financial Assistance Corporation shall issue debt obligations under section 6.26. Such obligations shall be subject to the terms and conditions of such section, except as provided for in this paragraph.

(B) PAYMENT OF INTEREST. During each year of the 15-year period of such obligation issued pursuant to subparagraph (A), the banks operating under this Act shall pay to the Financial Assistance Corporation, at such times as the Corporation shall determine, an amount equal to the entire amount of interest due on such obligation. Each bank shall pay a proportion of such interest equal to—

(i) the average accruing loan volume of the bank during the year preceding the year of such payment; divided by

(ii) the average accruing loan volume of all of the banks of the System for the same period.

(C) PAYMENT OF PRINCIPAL.

(i) IN GENERAL. After the end of the 15-year period beginning on the date of the issuance of any obligation issued to carry out this subsection, the banks operating under this Act shall pay to the Financial Assistance Corporation, on demand, an amount equal to the outstanding principal of the obligation. Each bank shall pay a proportion of the principal equal to—

(I) the average accruing loan volume of the bank for the preceding 15 years; divided by

(II) the average accruing loan volume of all banks of the System for the same period.

(ii) BANKS LEAVING SYSTEM. Any bank leaving the Farm Credit System pursuant to section 7.10 shall be required, under regulations of the Farm Credit Administration, to pay to the Financial Assistance Corporation the estimated present value of the payment required under this subparagraph had the bank remained in the System.

(iii) BANKS UNDERGOING LIQUIDATION. With respect to any bank undergoing liquidation under this Act, a liability to the Financial Assistance Corporation in the amount of the payment required under this subparagraph (calculated as if the bank had left the System on the date it was placed in liquidation)

shall be recognized as a claim in favor of the Financial Assistance Corporation against the estate of the bank.

(iv) OBLIGATIONS OF OTHER BANKS. The obligations of other banks shall not be reduced in anticipation of any recoveries under this subparagraph from banks leaving the System or in liquidation, but the Financial Assistance Corporation shall apply the recoveries, when received, and all earnings on the recoveries, to reduce the other banks' payment obligations, or, to the extent the recoveries are received after the other banks have met their entire payment obligation, shall refund the recoveries, when received, to the other banks in proportion to the other banks' payments.

(D) ANNUAL PAYMENTS.

(i) IN GENERAL. In order to provide for the orderly funding and discharge over time of the obligation of each System bank to the Financial Assistance Corporation under subparagraph (C), each System bank shall enter into or continue in effect an agreement with the Financial Assistance Corporation under which the bank will make annual annuity-type payments to the Financial Assistance Corporation, beginning no later than December 31, 1992 (except for any bank that did not meet its interim capital requirement on December 31, 1990, in which case the bank shall begin making the payments no later than December 31, 1993) in amounts designed to accumulate, in total, including earnings on the amounts, to 90 percent of the bank's ultimate obligation. The Financial Assistance Corporation shall partially discharge the bank from its obligation under subparagraph (C) to the extent of each such payment and the earnings on the payment as earned.

(ii) CAPITAL REQUIREMENTS. The agreement shall not require payments to be made to the extent that making a particular payment or part of a payment would cause the bank to fail to satisfy applicable regulatory permanent capital requirements, but shall provide for recalculation of subsequent payments accordingly.

(iii) INVESTMENT; AVAILABILITY. The funds received by the Financial Assistance Corporation pursuant to the agreements shall be invested in eligible investments as defined in section 6.25(a)(1). The funds and the earnings on the funds shall be available only for the payment of the principal of the bonds issued by the Financial Assistance Corporation under this subsection.

(E) Until each obligation issued in accordance with this subsection reaches maturity, for all financial reporting

purposes, such obligation shall be considered to be the sole obligation of the Financial Assistance Corporation and shall not be considered a liability of any System bank, nor shall the obligation to make future annuity payments to the Financial Assistance Corporation under subparagraph (D) be considered a liability of any System bank.

(4) FUNDS NOT CONSIDERED FINANCIAL

ASSISTANCE. The funds made available to each bank, whether through the issuance of stock or otherwise, by the Financial Assistance Corporation to meet obligations under any agreement referred to in paragraph (1) or to meet any obligations of the contributing banks under any such agreement, as required by this subsection, shall not be considered financial assistance under this Act.

(5) SUSPENSION OF PRESERVATION AGREEMENTS.

During the 5-year period beginning on the date of enactment of this subsection and thereafter whenever funds from the Farm Credit System Insurance Fund are available for use in assisting System institutions to meet their obligations on their debt instruments, activation of the Thirty-Seven Banks Capital Preservation Agreement, the Federal Land Banks Capital Preservation Agreement, the Federal Intermediate Credit Banks Capital Preservation Agreement, and the Banks for Cooperatives Loss Sharing Agreement shall be suspended, in exchange for the benefits flowing to the signatories to such agreements under the Agricultural Credit Act of 1987.

(F) ASSOCIATIONS TERMINATING SYSTEM STATUS OR IN LIQUIDATION. Any association terminating System status pursuant to section 7.10 shall be required, under regulations of the Farm Credit Administration, to pay to its supervising bank a share, based on the association's retail loan volume relative to the retail loan volume of the bank and its affiliated associations had the association remained in the System, of the estimated present value of all future such assessments against the bank. A liability to the bank in this amount (calculated as if the association had left the System on the date it was placed in liquidation) shall be recognized as a claim in favor of the bank against the estate of any association undergoing liquidation.

(G) CAPITAL REQUIREMENTS.

(i) IN GENERAL. Until the date that is 5 years prior to the date on which the Financial Assistance Corporation is required to repay the Secretary of the Treasury pursuant to subparagraph (A), all assessments paid by banks to the Financial Assistance Corporation pursuant to subparagraph (B), and any part of the obligation to pay future assessments to the Financial

(ii) DURING THE FINAL 5 YEARS PRIOR TO REPAYMENT. During the—

(ii) ANNUAL APPROPRIATION. Except as provided in clause (iii), each year beginning in 1992, as soon as practicable following the end of the prior year, each such institution (except institutions in receivership and institutions that have previously redeemed their preferred stock) shall appropriate from its earnings in the prior year to an appropriated unallocated surplus account with respect to preferred stock, the sum of—

(I) the greater of—

(aa) such amount as the institution may be required to appropriate under any assistance agreement the institution has with the Farm Credit System Assistance Board or the Farm Credit System Insurance Corporation; or

(bb) the amount that, if appropriated to the account in equal amounts in each year thereafter until the maturity of the obligation referred to in subparagraph (A), would cause the amount in the account to equal the par value of the preferred stock issued by the institution with respect to the obligation; plus

(II) any amount that had been appropriated to the account in a previous year but had thereafter been offset by losses.

(iii) LIMITATION. An annual appropriation shall not be made to the extent that the appropriation would exceed the institution's net income (as determined pursuant to generally accepted accounting principles) in that year or to the extent that the appropriation would cause the institution's preferred stock to be impaired.

(iv) USE. The amount in the appropriated unallocated surplus account shall be unavailable to pay dividends or other allocations or distributions to shareholders or holders of participation certificates. The account shall be senior to all other unallocated surplus accounts but junior to all preferred and common stock for purposes of the application of operating losses.

(v) PREFERRED STOCK. The appropriations of surplus by an institution shall not affect the treatment of its preferred stock (and of the appropriated unallocated surplus) as equity for purposes of regulatory permanent capital requirements.

(C) SYSTEMWIDE REPAYMENT.

(i) IN GENERAL. In order to enable the Financial Assistance Corporation to repay the obligations issued to provide assistance under subsections (c) and (e) of section 410 of the Agricultural Credit Act of 1987 (12 U.S.C. 2011 note) and section

4.9A(c) of this Act, or issued to provide funds to cover the expenses of the Assistance Board or the Financial Assistance Corporation under sections 6.7(a) and 6.24, respectively, of this Act, each System bank shall pay to the Financial Assistance Corporation a proportion, as calculated by the Financial Assistance Corporation, of the obligation equal to—

(II) the average accruing retail loan volume of all such banks and their affiliated associations for the same period.

(ii) EXPENSE ITEM. The annual increase in the present value of the estimated obligation of each bank to the Financial Assistance Corporation under this subparagraph shall be recorded each year as an expense item, in accordance with generally accepted accounting principles, on the books of the bank.

(iii) PASS THROUGH. A bank may (and, to the extent necessary to satisfy its obligations, shall) pass on (either directly, or indirectly through loan pricing or otherwise) all or part of the amount necessary to satisfy the payment requirement to its affiliated direct lender associations based on proportionate average accruing retail loan volumes for the preceding 15 years, except that the bank shall remain primarily liable for the amount.

(iv) BANKS LEAVING SYSTEM. Any bank leaving the Farm Credit System pursuant to section 7.10 shall be required, under regulations of the Farm Credit Administration, to pay to the Financial Assistance Corporation the estimated present value of the payment required under this subparagraph had the bank remained in the System. A liability to the Financial Assistance Corporation in this amount (calculated as if the bank had left the System on the date it was placed in liquidation) shall be recognized as a claim in favor of the Financial Assistance Corporation against the estate of any bank undergoing liquidation. The obligations of other banks shall not be reduced in anticipation of any such recoveries from banks leaving the System or in liquidation, but the Financial Assistance Corporation shall apply the recoveries, when received, and all earnings on the recoveries, to reduce the other banks payment obligations, or, to the extent the recoveries are received after the other banks have met their entire payment obligation, shall refund the recoveries, when received, to the other banks in proportion to the other banks' payments.

(v) ASSOCIATIONS TERMINATING SYSTEM STATUS OR IN LIQUIDATION. Any association leaving the Farm Credit System pursuant to section 7.10 shall be required, under regulations of the Farm Credit Administration, to pay to its supervising bank a share, based on the association's retail loan volume relative to the retail loan volume of the bank and its affiliated associations had the association remained in the System, of the present value of the future payment obligation of its supervising bank. A liability to the bank in this amount (calculated as if the association had left the System on the date it was placed in liquidation) shall be recognized as a claim in favor of the bank against the estate of any association undergoing liquidation.

(D) FUNDS FOR PAYMENTS. Payments under subparagraphs (B) and (C) shall be made by each such institution from the funds of the institution or from funds raised by the institution through the issuance of debt obligations, which may be issued without a collateral requirement and without any guarantee by the Secretary of the Treasury.

(2) REFINANCED OBLIGATIONS. The refinanced obligations issued under paragraph (1) shall be solely the obligations of the institutions refinancing such, and sections 4.3 and 4.4 shall not apply to such obligations.

(3) DEFAULTS.

(A) CERTAIN PRINCIPAL AND INTEREST OBLIGATIONS.

(i) PAYMENT BY CORPORATION. If a System bank defaults on the payment of interest due under subsection (c) of this section during the first 15 years after an obligation is issued under subsection (a) on the payment of principal or interest due under subparagraphs (B) and (C) of section 6.9(e)(3), on the payment of principal due under paragraph (1)(C), or on the payment of an assessment due under subsection (c)(5)(B), of this section, the Financial Assistance Corporation shall pay the amount due by the System bank out of the Trust Fund, and shall recover the amount due from the defaulting System bank, and such amount shall be paid to the Trust Fund.

(ii) PAYMENT BY INSURANCE FUND. If the Financial Assistance Corporation has not recovered the full amount due from a defaulting bank by the end of the 12-month period beginning on the date of default, any uncollected amount shall be paid to the Trust Fund from the Insurance Fund established under section 5.60, to the full extent of funds available in the Insurance Fund as of the date the Financial Assistance Corporation

notified the Farm Credit System Insurance Corporation of amounts due under this section.

(iii) PAYMENT BY REMAINING INSTITUTIONS. To the extent that the payment from the Insurance Fund is insufficient to reimburse the Trust Fund, the remaining balance shall be allocated to other System banks in accordance with the allocation mechanism applicable under this Act to the particular defaulted obligation.

(B) PRINCIPAL OF BONDS ISSUED TO FUND PURCHASE OF PREFERRED STOCK.

(i) EVALUATION. Not later than 90 days before the maturity of any obligation issued under subsection (a) of this section, the Farm Credit Administration shall complete an evaluation of the general financial condition of each System institution that issued preferred stock under section 6.27(a) with respect to such obligation to determine whether such System institution will be able to redeem such stock at par value on the maturity of the obligation, and remain a viable institution capable of providing credit to eligible borrowers at equitable and competitive interest rates.

(ii) AVAILABILITY OF EVALUATION. A copy of the evaluation required under clause (i) shall be furnished to the Secretary of the Treasury and the appropriate committees of Congress.

(iii) REDEMPTION BY INSTITUTION; PURCHASE BY SECRETARY OF THE TREASURY. If the Farm Credit Administration determines, in consultation with the Secretary of the Treasury, on the basis of the evaluation required under clause (i), that the redemption of such stock at par value would impair the other stock or equities of such institution or render such institution incapable of meeting its capital adequacy standards, the institution shall be prohibited from redeeming the preferred stock it issued under section 6.27 with respect to the maturing obligation. If the Farm Credit Administration determines, in consultation with the Secretary of the Treasury, on the basis of the evaluation required under clause (i), that such institution will be able to redeem, in a timely manner and at par value, the preferred stock it issued under section 6.27 with respect to the maturing obligation, and remain a viable and competitive institution, such institution shall have the option of redeeming or not redeeming such stock. If such institution is prohibited from redeeming or elects not to redeem such stock, the Financial Assistance Corporation shall withdraw funds from the Trust Fund in an amount equal to the par value of the preferred stock issued by such institution under section

6.27 so as to enable the Financial Assistance Corporation to pay the principal of the maturing obligation. Simultaneously with such withdrawal of funds from the Trust Fund, the Financial Assistance Corporation shall transfer to the Insurance Fund an equal amount, at par value, of preferred stock of such institution. To the extent that the Trust Fund is insufficient to enable the Financial Assistance Corporation to pay the full principal of the maturing obligation, the Insurance Fund shall be used by the Farm Credit System Insurance Corporation to purchase, at par value, the preferred stock issued by such institution under section 6.27(a) to enable the Financial Assistance Corporation to pay the principal of the maturing obligation. To the extent that the Insurance Fund is insufficient to enable the Financial Assistance Corporation to pay the full principal of the maturing obligation, the Secretary of the Treasury shall purchase, at par value, the remaining quantity of the preferred stock issued by such institution to enable the Financial Assistance Corporation to make such full payment. For that purpose, the Secretary of Treasury may use, as a public debt transaction, the proceeds from the sale of any securities issued under chapter 31 of Title 31, United States Code. The purposes for which such securities may be issued under such chapter are extended to include such purchases of stock. Any preferred stock transferred to, or purchased by the Farm Credit System Insurance Corporation under this clause shall be retired by the issuing institution at such times and under such terms and conditions as are agreed to between the Insurance Corporation and such institution.

(C) RECOURSE BY OTHER SYSTEM BANKS. A defaulting bank shall be liable to the remaining System banks for any amount paid by the remaining banks under this paragraph.

(4) PAYMENT BY UNITED STATES.

(A) INABILITY TO PAY. Notwithstanding any other provision of this Act, if the Financial Assistance Corporation is unable to pay the principal or interest of any obligation issued under subsection (a) or section 6.9(e)(3)(A) of this section, the Secretary of the Treasury shall pay to the Financial Assistance Corporation the amount due which shall be used by the Financial Assistance Corporation to pay the obligation.

(B) RECOVERY.

(i) CERTAIN PRINCIPAL AND INTEREST OBLIGATIONS. In each instance in which the Secretary of the Treasury is required to make a payment under subparagraph (A) to the Financial Assistance Corporation as a result of a default made by a System

bank on interest due from such System bank under subsection (c) on the payment of principal or interest due under subparagraphs (B) and (C) of section 6.9(e)(3), on the payment of principal due under paragraph (1)(C), or on the payment of an assessment due under subsection (c)(5)(B), of this section, the Secretary of the Treasury shall recover the amount of the payments the Secretary made, with respect to each defaulting bank, from such defaulting bank. If the Secretary has not recovered the full amount due from the defaulting bank by the end of the 12-month period beginning on the date of payment by the Secretary, the uncollected amount shall be paid to the Secretary from the Insurance Fund established under section 5.60.

(ii) PRINCIPAL OF BONDS ISSUED TO FUND PURCHASE OF PREFERRED STOCK. In each instance in which the Secretary of the Treasury is required under paragraph (3)(B)(iii) to purchase preferred stock issued by a System institution under section 6.27(a), the Farm Credit System Insurance Corporation shall use funds deposited in the Insurance Fund to repurchase, at par value, from the Secretary of the Treasury such stock required to be purchased under paragraph (3)(B)(iii) as funds become available for such repurchase.

(iii) PRIORITY. Notwithstanding any other provision of this Act except for section 5.60(c)(2)(B), during any year in which payments are due to the Secretary of the Treasury from the Insurance Fund under clause (i), or preferred stock held by the Secretary is due to be repurchased by the Insurance Fund under clause (ii), the funds in such Fund, and all funds deposited in such Fund during such year, shall be used first for the purposes specified in clauses (i) and (ii).

(b) STATE SECURITIES LAWS.

(1) GENERAL EXEMPTION. Any security or obligation that has been provided a guarantee by the Corporation shall be exempt from any law of any State with respect to or requiring registration or qualification of securities or real estate to the same extent as any obligation issued by, or guaranteed as to principal and interest by, the United States or any agency or instrumentality of the United States.

If State law limits the purchase, holding, or investment in obligations issued by the United States by the person, trust, corporation, partnership, association, business trust, or business entity, securities or obligations of a certified facility issued on which

Paragraphs (1) and (2) shall not apply with respect to a particular person, trust, corporation, partnership, association, business trust, or business entity, or class thereof, in any State that, prior to the expiration of the 8-year period beginning on the date of the enactment of this title, enacts a law that specifically refers to this section and either prohibits or provides for a more limited authority to purchase, hold, or invest in the securities by any person, trust, corporation, partnership, association, business trust, or business entity, or class thereof, than is provided in paragraphs (1) and (2).

12 U.S.C. 2279bb-1

SEC. 8.32. RISK-BASED CAPITAL LEVELS.

(a) RISK-BASED CAPITAL TEST. Not sooner than the expiration of the 3-year period beginning on the date of enactment of the Farm Credit System Reform Act of 1996, the Director of the Office of Secondary Market Oversight shall, by regulation, establish a risk-based capital test under this section for the Corporation. When applied to the Corporation, the risk-based capital test shall determine the amount of regulatory capital for the Corporation that is sufficient for the Corporation to maintain positive capital during a 10-year period in which both of the following circumstances occur:

(1) CREDIT RISK. With respect to securities representing an interest in, or obligations backed by, a pool of qualified loans owned or guaranteed by the Corporation and other obligations of the Corporation, losses on the underlying qualified loans occur throughout the United States at a rate of default and severity (based on any measurements of default reasonably related to prevailing industry practice in determining capital adequacy) reasonably related to the rate and severity that occurred in contiguous areas of the United States containing an aggregate of not less than 5 percent of the total population of the United States that, for a period of not less than 2 years (as established by the Director), experienced the highest rates of default and severity of agricultural mortgage losses, in comparison with such rates of default and severity of agricultural mortgage losses in other such areas for any period of such duration, as determined by the Director.

(2) INTEREST RATE RISK. Interest rates on Treasury obligations of varying terms increase or decrease over the first 12 months of such 10-year period by not more than the lesser of (A) 50 percent (with respect to the average interest rates on such obligations during the 12-month period preceding the 10-year period), or (B) 600 basis points, and remain at such level for the remainder of the period. This paragraph may not be construed to require the Director to determine interest rate risk under this paragraph based on the

interest rates for various long-term and short-term obligations all increasing or all decreasing concurrently.

(b) CONSIDERATIONS.

(1) ESTABLISHMENT OF TEST. In establishing the risk-based capital test under subsection (a)—

(A) the Director shall take into account appropriate distinctions based on various types of agricultural mortgage products, varying terms of Treasury obligations, and any other factors the Director considers appropriate;

(B) the Director shall conform loan data used in determining credit risk to the minimum geographic and commodity diversification standards applicable to pools of qualified loans eligible for guarantee;

(C) the Director may take into account retained subordinated participating interests under section 8.6(b)(2) (as in effect before the date of the enactment of the Farm Credit System Reform Act of 1996);

(D) the Director may take into account other methods or tests to determine credit risk developed by the Corporation before December 13, 1991; and

(E) the Director shall consider any other information submitted by the Corporation in writing during the 180-day period beginning on December 13, 1991.

(2) REVISING TEST. Upon the expiration of the 8-year period beginning on December 13, 1991, the Director shall examine the risk-based capital test under subsection (a) and may revise the test. In making examinations and revisions under this paragraph, the Director shall take into account that, before December 13, 1991, the Corporation has not issued guarantees for pools of qualified loans. To the extent that the revision of the risk-based capital test causes a change in the classification of the Corporation within the enforcement levels established under section 8.35, the Director shall waive the applicability of any additional enforcement actions available because of such change for a reasonable period of time, to permit the Corporation to increase the amount of regulatory capital of the Corporation accordingly.

(c) RISK-BASED CAPITAL LEVEL. For purposes of this subtitle, the risk-based capital level for the Corporation shall be equal to the sum of the following amounts:

(1) CREDIT AND INTEREST RATE RISK. The amount of regulatory capital determined by applying the risk-based capital test under subsection (a) to the Corporation, adjusted to account for foreign exchange risk.

(2) MANAGEMENT AND OPERATIONS RISK. To provide for management and operations risk, 30 percent of the amount of regulatory capital determined by applying the risk-based capital test under subsection (a) to the Corporation.

(d) SPECIFIED CONTENTS.

(1) IN GENERAL. The regulations establishing the risk-based capital test under this section shall—

(A) be issued by the Director for public comment in the form of a notice of proposed rulemaking, to be first published after the expiration of the period referred to in subsection (a); and

(B) contain specific requirements, definitions, methods, variables, and parameters used under the risk-based capital test and in implementing the test (such as loan loss severity, float income, loan-to-value ratios, taxes, yield curve slopes, default experience, prepayment rates, and performance of pools of qualified loans).

(2) SPECIFICITY. The regulations referred to in paragraph (1) shall be sufficiently specific to permit an individual other than the Director to apply the test in the same manner as the Director.

(e) AVAILABILITY OF MODEL. The Director shall make copies of the statistical model or models used to implement the risk-based capital test under this section available for public acquisition and may charge a reasonable fee for such copies.

(1) the date that is 2 years after the date of enactment of this section; or

(2) the date that is 180 days after the end of the first calendar quarter that the aggregate on-balance sheet assets of the Corporation, plus the outstanding principal of the off-balance sheet obligations of the Corporation, equal or exceed \$2,000,000,000.

(b) **RAISING CORE CAPITAL.** In carrying out this section, the Corporation may issue stock under section 8.4 and otherwise employ any recognized and legitimate means of raising core capital in the power of the Corporation under section 8.3.

(d) **ENFORCEMENT.** If the Corporation fails to carry out subsection (a) by the date required under paragraph (1) or (2) of subsection (a), the Corporation may not purchase a new qualified loan or issue or guarantee a new loan-backed security until the core capital of the Corporation is increased to an amount equal to or greater than \$25,000,000.

**Subtitle C—Receivership, Conservatorship, and Liquidation of the
Federal Agricultural Mortgage Corporation**

SEC. 8.41. CONSERVATORSHIP; LIQUIDATION; RECEIVERSHIP.

(a) **VOLUNTARY LIQUIDATION.** The Corporation may voluntarily liquidate only with the consent of, and in accordance with a plan of liquidation approved by, the Farm Credit Administration Board.

(b) **INVOLUNTARY LIQUIDATION.**

(1) **IN GENERAL.** The Farm Credit Administration Board may appoint a conservator or receiver for the Corporation under the circumstances specified in section 4.12(b).

(2) **APPLICATION.** In applying section 4.12(b) to the Corporation under paragraph (1)—

(A) the Corporation shall also be considered insolvent if the Corporation is unable to pay its debts as they fall due in the ordinary course of business;

(B) a conservator may also be appointed for the

Corporation if the authority of the Corporation to purchase qualified loans or issue or guarantee loan-backed securities is suspended; and

(C) a receiver may also be appointed for the Corporation if:

(i)(I) the authority of the Corporation to purchase qualified loans or issue or guarantee loan-backed securities is suspended; or

(II) the Corporation is classified under section 8.35 as within level III or IV and the alternative actions available under subtitle B are not satisfactory; and

(ii) the Farm Credit Administration determines that the appointment of a conservator would not be appropriate.

(3) NO EFFECT ON SUPERVISORY ACTIONS. The grounds for appointment of a conservator for the Corporation under this subsection shall be in addition to those in section 8.37.

(c) APPOINTMENT OF CONSERVATOR OR RECEIVER.

(1) QUALIFICATIONS. Notwithstanding section 4.12(b), if a conservator or receiver is appointed for the Corporation, the conservator or receiver shall be—

(A) the Farm Credit Administration or any other governmental entity or employee, including the Farm Credit System Insurance Corporation; or

(B) any person that—

(i) has no claim against, or financial interest in, the Corporation or other basis for a conflict of interest as the conservator or receiver; and

(ii) has the financial and management expertise necessary to direct the operations and affairs of the Corporation and, if necessary, to liquidate the Corporation.

(2) COMPENSATION.

(A) IN GENERAL. A conservator or receiver for the Corporation and professional personnel (other than a Federal employee) employed to represent or assist the conservator or receiver may be compensated for activities conducted as, or for, a conservator or receiver.

(B) LIMIT ON COMPENSATION. Compensation may not be provided in amounts greater than the compensation paid to employees of the Federal Government for similar services, except that the Farm Credit Administration may provide for compensation at higher rates that are not in excess of rates prevailing in the private sector if the Farm Credit Administration determines that compensation at higher rates is necessary in order to recruit and retain competent personnel.

(C) CONTRACTUAL ARRANGEMENTS. The conservator or receiver may contract with any governmental entity, including the Farm Credit System Insurance

Corporation, to make personnel, services, and facilities of the entity available to the conservator or receiver on such terms and compensation arrangements as shall be mutually agreed, and each entity may provide the same to the conservator or receiver.

(3) EXPENSES. A valid claim for expenses of the conservatorship or receivership (including compensation under paragraph (2)) and a valid claim with respect to a loan made under subsection (f) shall—

(A) be paid by the conservator or receiver from funds of the Corporation before any other valid claim against the Corporation; and

(B) may be secured by a lien, on such property of the Corporation as the conservator or receiver may determine, that shall have priority over any other lien.

(4) LIABILITY. If the conservator or receiver for the Corporation is not a Federal entity, or an officer or employee of the Federal Government, the conservator or receiver shall not be personally liable for damages in tort or otherwise for an act or omission performed pursuant to and in the course of the conservatorship or receivership, unless the act or omission constitutes gross negligence or any form of intentional tortious conduct or criminal conduct.

(5) INDEMNIFICATION. The Farm Credit Administration may allow indemnification of the conservator or receiver from the assets of the conservatorship or receivership on such terms as the Farm Credit Administration considers appropriate.

(d) JUDICIAL REVIEW OF APPOINTMENT.

(1) IN GENERAL. Notwithstanding subsection (i)(1), not later than 30 days after a conservator or receiver is appointed under subsection (b), the Corporation may bring an action in the United States District Court for the District of Columbia for an order requiring the Farm Credit Administration Board to remove the conservator or receiver. The court shall, on the merits, dismiss the action or direct the Farm Credit Administration Board to remove the conservator or receiver.

(2) STAY OF OTHER ACTIONS. On the commencement of an action under paragraph (1), any court having jurisdiction of any other action or enforcement proceeding authorized under this Act to which the Corporation is a party shall stay the action or proceeding during the pendency of the action for removal of the conservator or receiver.

(e) GENERAL POWERS OF CONSERVATOR OR RECEIVER.

The conservator or receiver for the Corporation shall have such powers to conduct the conservatorship or receivership as shall be provided pursuant to regulations adopted by the Farm Credit Administration Board. Such powers shall be comparable to the powers available to a conservator or receiver appointed pursuant to section 4.12(b).

(f) BORROWINGS FOR WORKING CAPITAL.

(1) IN GENERAL. If the conservator or receiver of the

Corporation determines that it is likely that there will be insufficient funds to pay the ongoing administrative expenses of the conservatorship or receivership or that there will be insufficient liquidity to fund maturing obligations of the conservatorship or receivership, the conservator or receiver may borrow funds in such amounts, from such sources, and at such rates of interest as the conservator or receiver considers necessary or appropriate to meet the administrative expenses or liquidity needs of the conservatorship or receivership.

(2) WORKING CAPITAL FROM FARM CREDIT BANKS. A Farm Credit bank may loan funds to the conservator or receiver for a loan authorized under paragraph (1) or, in the event of receivership, a Farm Credit bank may purchase assets of the Corporation.

(g) AGREEMENTS AGAINST INTERESTS OF CONSERVATOR OR RECEIVER. No agreement that tends to diminish or defeat the right, title, or interest of the conservator or receiver for the Corporation in any asset acquired by the conservator or receiver as conservator or receiver for the Corporation shall be valid against the conservator or receiver unless the agreement—

(1) is in writing;

(2) is executed by the Corporation and any person claiming an adverse interest under the agreement, including the obligor, contemporaneously with the acquisition of the asset by the Corporation;

(3) is approved by the Board or an appropriate committee of the Board, which approval shall be reflected in the minutes of the Board or committee; and

(4) has been, continuously, from the time of the agreement's execution, an official record of the Corporation.

(h) REPORT TO THE CONGRESS. On a determination by the receiver for the Corporation that there are insufficient assets of the receivership to pay all valid claims against the receivership, the receiver shall submit to the Secretary of the Treasury, the Committee on Agriculture of the House of Representatives, and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report on the financial condition of the receivership.

(i) TERMINATION OF AUTHORITIES.

(1) CORPORATION. The charter of the Corporation shall be canceled, and the authority provided to the Corporation by this title shall terminate, on such date as the Farm Credit Administration Board determines is appropriate following the placement of the Corporation in receivership, but not later than the conclusion of the receivership and discharge of the receiver.

(2) OVERSIGHT. The Office of Secondary Market Oversight established under section 8.11 shall be abolished, and section 8.11(a) and subtitle B shall have no force or effect, on such date as the Farm Credit Administration Board determines is appropriate following the placement of the Corporation in receivership, but not later than the conclusion of the receivership and

(a) IN GENERAL. The Comptroller General of the United States may investigate, review, and evaluate the feasibility and appropriateness, and report to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate, on the advantages and disadvantages of providing the Farm Credit System Insurance Corporation with—

Any extension provided under this subparagraph may be conditioned on such terms and conditions as the Farm Credit Administration determines necessary to ensure that the merger described in the letter of intent is completed by the closing date of the extension.

(ii) SUBMISSION OF VIEWS AND

(VI) Any other terms and conditions or other matters that the arbitrator considers necessary.

(iv) **CONTENT OF PLAN; AGRICULTURAL CREDIT ASSOCIATIONS.** If the arbitrator determines that the chartering of agricultural credit associations in the States of Alabama, Louisiana, and Mississippi will be in the best interests of the farmers, ranchers, and aquatic producers eligible to borrow from Farm Credit System associations, the plan required under this subparagraph shall also include, based on submissions from the Federal Intermediate Credit Bank of Jackson and the Farm Credit Bank of Texas, provisions for the establishment of agricultural credit associations to operate in the States, subject to approval in the referendum under subparagraph (F). Such provisions shall include provisions regarding the following matters:

(V) The capital structure and capitalization levels of the resulting Farm Credit Bank and such affiliated associations of the Farm Credit Bank in the States of Alabama, Louisiana, and Mississippi as the arbitrator determines necessary to carry out the purposes of this paragraph (which capital structure and capitalization levels shall be subject to change thereafter in accordance with the Farm Credit Act of 1971 (12 U.S.C. 2001 et seq.) and any applicable regulations).

(VI) The terms of financing agreements between any agricultural credit associations and the resulting Farm Credit Bank (which shall be subject to change thereafter in accordance with the Farm Credit Act of 1971 (12 U.S.C. 2001 et seq.) and any applicable regulations).

(VII) Any other terms and conditions or other matters that the arbitrator considers necessary.

(v) CONSULTATION WITH INSURANCE CORPORATION. (E) CERTIFICATION OF PLAN. Not later than 30 days after the receipt of the plan developed by the arbitrator, the Farm Credit Administration shall—

(i) certify; or

(II) in the case of Federal land bank association farmer-borrowers, through a Federal land bank association or through an agricultural credit association as proposed in the plan.

Each farmer-borrower shall be entitled to one vote. The arbitrator shall establish record dates and other procedures for conducting the referendum. The arbitrator shall send to farmer-borrowers eligible to vote under this subparagraph, with their ballot, a statement describing the potential consequences to the farmer-borrowers, and to the associations from which they borrow, of voting to charter an agricultural credit association and setting forth factors that farmer-borrowers should consider relevant to the choice between credit delivery through the current

association structure and the chartering of an agricultural credit association. The arbitrator shall develop the disclosure materials in cooperation with the Farm Credit Administration and ensure that the materials are not inconsistent with applicable laws and regulations.

(iii) TABULATION OF RESULTS. The results of the vote under this subparagraph shall be compiled separately for production credit association farmer-borrowers and Federal land bank association farmer-borrowers in each of the following seven geographic areas:

(iv) TERMS AND CONDITIONS. Assistance provided by the Corporation under this subparagraph shall be on such terms and conditions as the Corporation

deems appropriate to facilitate the merger.
