

Directions to the Bruceton Research Center From Pittsburgh International Airport

1. Exit the airport for Pittsburgh on **Route 60-South to Pittsburgh.**
2. Follow **Route 60-South** 5.4 miles until it becomes **Route 22/30 East.**
3. Continue on **Route 22/30 East** 3.8 miles until it becomes **Route 279-North Pittsburgh.**
4. Exit **Route 279** (5.5 miles onto **Exit 5B**, labeled "**Truck Route 19 South/Route 51 South, Uniontown.**") This is just before the Fort Pitt Tunnel. **SAFETY NOTE:** There will be traffic merging from your right at the R51 south exit. It is recommended that you get into the right lane 1 to 2 miles before the exit point. Use extreme caution when making exit. Be aware of merging traffic.
5. Travel 7.5 miles on **Route 51 South** until you reach the CVS Pharmacy on your right (just before a railroad overpass).
6. Immediately after the railroad overpass, turn right on **South Park/Bethel Park/Yellow Belt Exit** onto Curry Hollow Road.
7. Follow Curry Hollow Road through 7 traffic lights for about 1.4 miles (get into the left lane). At the bottom of a steep hill, turn left at a Y intersection with a traffic light.
8. Travel 0.3 mile (stay in left lane) to a stop sign (avoid the right lane which does not have a stop sign and goes up the hill toward South Park). Proceed through stop sign onto Cochrans Mill Road.
9. Drive 1.6 miles to a small stone sign for the Bruceton Research Center on your right. Turn right into the Center.
10. Stop at the gate and get directions to the building or person you are visiting.
