

**Jon Wellinghoff**  
**Commissioner, Federal Energy Regulatory Commission**  
**Washington, D.C.**

**BOARD AND COMMITTEE MEMBERSHIPS:**

Commissioner: Federal Energy Regulatory Commission

Co-chair: Demand Response Collaborative launched jointly by FERC and the National Association of Regulatory Utility Commissioners (NARUC)

Member of NARUC's Committee on Energy Resources and the Environment

Member of Advisory Committee of the Institute for Electric Efficiency

Served as an Advisor to the Defense Science Board's Energy Policy Task Force

Advisor to the Energy Foundation and the NRDC on China-U.S. energy policy matters

**SELECTED PUBLICATIONS AND PRESENTATIONS:**

**Presenter:** Clean Energy Infrastructure Hill Briefing w/Congressman Inslee "A Vision for a Modernized Electric Grid Accelerating the Development of a 21<sup>st</sup> Century Economy" Washington, DC November 2008

**Speaker:** Smart Grid and PHEVs: Components of the Future Electricity Network New Orleans, LA November 2008

**Speaker:** FERC/ NARUC Demand Response Collaborative, New Orleans, LA November 2008

**Speaker:** Charitable foundation of the Energy Bar Association (CFEBA) Gala Capitol Hilton 1001 16<sup>th</sup> Street, NW Washington DC, November 2008

**Keynote Speaker:** Given to the Energy Foundation Green Power Superhighways Strategy Meeting, Washington, DC November 2008

**Publication:** "*Facilitating Hydrokinetic Energy Development through Regulatory Innovation*" Energy Law Journal, November, 2008

**Speaker: Panel Guest for the Clean Energy Infrastructure Hill Briefing**, Topics included Smart Grid, Transmission, The integration and aspects of the next Generation Grid, November 2008

**Keynote Speaker: A CORE's Renewable Energy Finance Forum (REEF-West) Seattle, WA:** Presentation: *"Where are we going and can the "Smart Grid" Get us There?"* Seattle, WA, October, 2008

**Speaker & Discussion Participant: Solar Power International 2008,** Update from Washington: The Federal Solar Policy Landscape. San Diego, CA, October, 2008

**Speaker: Southern California Edison Technology Test Centers,** Commenter and Participant at the Accomplishments and Partnerships Agenda. Los Angeles, CA, October, 2008

**Speaker: Geothermal Resource Council (GRC) Conference Speaker,** *"FERC's Role in Expanding a Renewable Grid"* Reno, NV, October 2008

**Participant: IEE Management and Advisory Committee Semi-Annual Meeting,** Committee participant, October 2008

**Participant: National Electrical Manufacturer's Association's (NEMA) Energy Storage Council:** Session II Participant, Topic of Discussion Included "Economic and National Security: Discussed the Energy Storage Conflict in the Government Sector", Roslyn, VA, October 2008

**Presenter: 11<sup>th</sup> Annual SCC/LCD Conference Topics,** Energy Efficiency in Gas and NG Issues at the Chart House, Alexandria, VA, October 2008

**\*\* Presenter: Alliance to Save Energy, International Policy Leaders Dialogue, Energy Efficiency Cost-Effective Carbon Reduction,** Session I: *"Addressing Climate Energy & Economic Imperatives- The Policy Perspective"* Washington, DC, September, 2008

**\*\*This particular event was one for which Commissioner Wellinghoff received the Charles H. Percy Award\*\***

**Presenter: Grid Week at the Ronald Regan Building,** Presentation entitled, *"Barriers and Challenges to building the Smart Grid"*. Washington, DC September, 2008

**\*\*EnerNOC Thought Leadership Summit: Summit Participant, Topics included discussions on Energy Efficiency Today and Tomorrow,** Boston, MA, September, 2008

**\*\*This particular event was one for which Commissioner Wellinghoff received an EnerNOC Thought Leadership Award and letter of appreciation.**

**Lecturer: MIT Energy Policy and Technology Lecture,** Lecture given to the class of Harvey Michaels to a select group of students and Faculty pertaining to *"Enabling an Energy Efficient Society"* Cambridge, MA September 2008

**Presenter: MIT Energy Policy and Technology**, Presentation to The Sloan School of Management, Cambridge, MA September 2008

**Attendee: Harvard Kennedy School Seminar: “Acting in Time on Energy Policy”**  
Discussion topics included Climate Change Policy, Carbon capture and Storage Policy, Oil and Transportation Policy, Energy Innovation Policy, Electricity Market Structure and Infrastructure, and Leadership for Acting in Time on Energy Policy” Cambridge, MA, September 2008

**Presenter: ISO New England Annual Board Of Directors Meeting: “National Energy Perspectives”** This discussion was lead by Commissioner Wellinghoff, along with Commissioner Suedeen Kelly of FERC., Holyoke, MA, September, 2008

**Speaker: 2008 MACRUC Commissioner Only Strategic Planning Session**, This Session included the following topics and events; Legislative Updates and Issues, Committee on Bylaws, **A specific Meeting with FERC headed by Commissioner Wellinghoff**, Committee on Telecommunications, Committee on Gas, Committee on water, Committee on Electricity, and The Future of MACRUC. Annapolis, MD, September, 2008

**Keynote Speaker: “Energy Intelligence”** Energy Efficiency: Cost Effective Carbon Reduction, Session 2: Addressing Climate, Energy & Economic Imperatives- The Policy Perspective. September, 2008

**Publication: “Creating Regulatory Structures for Robust Demand Response Participation in Organized Wholesale Electric Markets”** ACEEE Summer Study Article August, 2008

**Presenter of Peer Reviewed Paper: *Creating Regulatory Structures for Robust Demand Response Participation in Organized Wholesale Electric Markets*** Presented at the 2008 ACEEE Summer Study on Building Efficiency, August, 2008

**Presenter: National Clean Energy Summit, Participant in Panel IV “The Visible Hand: Government’s Role in the Clean Energy Transformation; Opportunities to Accelerate Deployment of Energy Efficiency and Renewable Energy.”** , University of Las Vegas, Las Vegas, NV, August 2008

**Participant: Financial Forum Pubic Utility Research Center, Portland Oregon** July, 2008

**Presenter: Plug-In Electric Vehicles, Expert Roundtable, Jon Wellinghoff, “The Cash Back Car”** presentation presented to PEV Roundtable panel, Brookings Institute Washington, D.C., July 2008

**Co-Chair:** “*FERC/NARUC Demand Response Collaborative*”, Portland Oregon, July 2008

**Presenter:** NARUC International Committee, China Energy Policy, Portland, OR, July, 2008

**Participant:** The Center for Environmental Leadership in Business Conservation International, Arlington, VA, July 2008

**Speaker: FERC Watch Luncheon:** “*FERC Issues recent developments in Energy Efficiency, Demand Response*” Washington, DC, June 2008

**Participant:** North American Forum Toward a More Resilient North America, Washington D.C., June 2008

**Keynote Speaker: Electric Drive Transportation Association (EDTA)** “*The Cash Back Lite- Presentation to the Board of Directors*” Washington, DC, June 2008

**Keynote Speaker: Natural Gas Roundtable:** University Club, Washington, DC, July 2008

**Speaker: The Environmental and Energy Study Institute (ESSI):** “Renewable Energy and Transmission: Opportunities and Barriers”, Dirksen Senate Office Building, Washington, DC, June 2008

**Publication:** “*FERC Commissioners Comment on Hydro*” Published in Hydro Review Magazine (The fifth review section), June, 2008

**Presenter: Brookings Institution’s Plug-in Electric Car Conference** “*The Cash Back Hybrid*” Three - “Federal Policy Toward Plug-in Vehicles” The Brookings Institution, Washington, DC, June 2008

**Lecturer: Vermont Law School, Summer Session:** “*Renewable Energy and Other Alternative Fuels*”, South Royalton, VT, June 2008

**Presenter: 2008 Northeast Energy Efficiency Summit Clean Lean and Growth:** “*Energy Efficiency Policy Leadership*”, Hartford, Connecticut, May 2008

**Speaker: AEP’s Transmission Operations Center, GridSmart Technology Center Dedication** Transmission, Albany, Ohio, May 2008

**Keynote Speaker: National Energy Marketers Association (NEMA),** Strategic Energy, Security & Advanced Technology Policies “*Think Globally, Save Locally*”, Washington, DC, April 2008

**Speaker & Workshop Participant:** Electrification of Energy Group, Cambridge Massachusetts, April 2008

**Presenter: National Conference of State Legislatures (NCSL):** The Smart Electric Grid Forum “*NARUC-FERC Demand Response Collaborative*”, Washington, DC, April 2008

**Panel Participant: Kennedy School of Government:** Harvard University *Workshop on Electrification of Energy*, Cambridge, MA, April 2008

**Keynote Speaker, The Edison Foundation:** “*Keeping the Lights On: Our National Challenge*”, New York, NY, April 2008

**Keynote Speaker: ISO/RTO (IRC) Technical Conference on Demand Response:** “*The importance of standardizing rules and technical procedures around the country to lower the barriers and make it easier for Demand Response to participate in the market*”, Washington, DC, April 2008

**Keynote Speaker:** National Hydropower Association 2008 Annual Conference “*Hydropower: Blue Energy for a Greener Future*”, Washington, DC, April 2008

**Presenter: ACEEE & FRA’s Energy Efficiency Finance Forum:** “*Legislative & Regulatory Changes Affecting the Financing of Energy Efficient Projects, Arlington, VA*”, April 2008

**Leader: U.S Energy Regulators Delegation,** Discussion with Vice Minister Zhang Guobao, Bureau of Energy, Beijing, China March 2008

**Presenter: China event:** “*Scientific Electric Grid USA, The role of Energy Innovation in Furthering EE and DR or “Smart Power”*” China, March 2008

**Presenter: China event: Sino-US Seminar on electricity Regulation (SERC) Delegation Leader,** Lessons from FERC efforts to Increase Demand-Side Participation in Power Markets, China, March, 2008

**Speaker:** Innovative Energy and Environmental Policies Adopted by South China Grid, Ghanhyoa, China March, 2008

**Keynote Address: Transmission Summit 2008** “*Innovation and Investment in Transmission*”, Arlington, VA, March 2008

**Presenter: ACORE Utility Committee Meeting WIREC 2008,** Washington, DC, March 2008

**Keynote Address: Energy Efficiency Summit 2008:** *“The Role of Energy Innovation in Furthering Energy Efficiency and Demand Response”*, San Francisco, CA, February 2008

**Presenter: Rutgers University, Bloustein School of Planning and Public Policy:** *“The Center for Energy and Environmental Policy”*, February 2008

**Plenary Address: National Association of State Energy Officials, NAESO 2008 Winter Conference** *“Demand Response Programs, Distributed Generation and the use of Renewable Energy”*, Washington, DC, February 2008

**Presenter: PHEV Value Proposition Study Workshop,** Oak Ridge National Laboratory *“Why is this study important?”* SENTECH. Inc Washington, DC, December 2007

**Committee Co-Chair, NARUC/FERC Demand Response Collaborative 119<sup>th</sup>,** NARUC, **Annual Convention,** Anaheim, CA, November 2007

**Presenter: National Rural Electric Cooperative Association Legal Seminar:** *“Outlook on FERC Policy”*, San Antonio, TX, November, 2007

**Keynote Speaker: Compete Coalition and EPSA, Electric Policy Conference** *“Empowering Consumers through Competitive Markets: The Choice is Yours”*, Washington, DC, November 2007

**Publication:** *“Key US Officials Get V2G Demo”* CalCars News Archive, Palo Alto, CA, October 2007

**“Recognizing the Importance of Demand Response: The Second Half of the Wholesale Electric Market Equation”**, *Energy Law Journal Article*, Volume 28, No. 2 Co-authored D. Morenoff, November 2007

**Keynote Speaker: NW Energy Coalition’s 26th Anniversary Gala,** Seattle, WA, October 2007

**Keynote Speaker: The Alliance to Save Energy Special Associates Breakfast,** Washington, DC, October 2007

**Presenter: Hydrokinetic Technologies Pilot Project Workshop,** Portland, OR, October 2007

**Presenter: Plug-In Hybrids Accelerating Progress,** *“Smart World of Electric Energy Services”* Energy Conservation Group, Washington, D.C. September 2007

**Speaker: The Energy Conservation,** *“Progress towards a “Smart” world of electric energy services”* Arlington, VA September 2007

**Participant: University of Michigan Kick off Meeting, “Technical Challenges of Plug-In Hybrid Electric Vehicles and Impacts to the U.S. Power System, Ann Arbor, MI**  
September 2007

**Publication: “Dropping Your Load to Reduce Your Carbon Footprint”, San Francisco Chronicle, August 2007**

**Participant /Presenter: WGA, NWCC, & GEA’s Increasing Renewable Energy in the Western Grid Summit “Large Scale, Long Term, Wind Development, Ft. Collins, CO, September 2007**

**Lecturer: Vermont Law School, Summer Session, South Royalton, VT,**  
June, 2007

**Presenter: PLATTS 4th Demand Response and Energy Efficiency Conference, “FERC’s Support of Demand Response Initiatives”, June 2007**

**Presenter: Sustainable Energy Coalition, the 10th Annual Renewable Energy & Energy Efficiency Expo and Forum, Topic: Renewable Energy and Energy Efficiency Washington, DC, June 2007**

**Keynote Speaker: Forth Annual Cascadia Transportation Conference, “Jumpstart to a Secure Clean Energy Future”, Redmond, VA, May 2007**

**Keynote Speaker: ISO New England Resource Summit, “The role of Demand Response in the National Energy Policy Westborough, MA, May 2007**

**Keynote Speaker: PJM’s Demand Side Response Symposium, Alexandria, VA**  
May 2007

**Keynote Speaker: Second Annual IRC Board Conference, “Demand Response (DR) Energy Efficiency- The role of the ISO’s/ROT’s, May 2007**

**Discussion Leader: 10<sup>th</sup> Annual Global Energy Forum, National Restructuring Conference, Washington, D.C. April 2007**

**\*\* Award: Award for Leadership In Demand Response:** This award was presented to Commissioner Wellinghoff by Mr. Dan Deluney on behalf of the United States Demand Response Coordinating Committee.

**Presenter: the POWER-GEN Renewable Energy & Fuels Conference, Las Vegas, NV March 2007**

**Keynote Speaker: EBA Midwest Chapter Meeting, St. Louis, MO, March 2007**

**Keynote Speaker: Renewable Energy Committee meeting**, Washington, D.C., February, 2007

**Speaker: FERC/NARUC Demand Response Collaborative** Co-Chair for the 2007 Winter Meeting Session, Washington, DC, February, 2007

**Participant: Pacific Northwest National Laboratory**, Richmond, WA January 2007

**Speaker: Alliance to Save Energy**, *“The power is in your hands campaign”*, November 2006

**Speaker: Energy Bar Association Mid-Year Meeting**, Washington D.C., November 2006

**Speaker: Independent Energy Producers Association (IEP) 25<sup>th</sup> Annual meeting**, Fallen Leaf Lake, South Tahoe, October 2006

**Presenter: Can Renewables and Energy Efficiency Fill the Gap**”, Energy Bar Association, San Francisco, California, February 2006

**Presenter: “Call to Action”**, CADER CAL SEIA Conference on Distributed Generation, Santa Clara, California, September 2005

**Presenter: “Cool Peaker: The Efficient AC Peak Load Savings”**, Nevada Power Company Presentation, Las Vegas, Nevada, June 2005

**Testimony: Nevada Senate Committee on Commerce and Labor**, AB 192, Incorporation of energy efficiency into Nevada RPS law, Carson City, Nevada, March 2005

**Presenter: US Utilities’ Acceptance of Renewable Energy**” Members of the British Parliament at the request of Western Area Power Administration, Sacramento, California, February 2005

**Presenter: “Washoe Resource Coalition”** Efficiency Alternatives to Central Plant Generation, Reno, Nevada, January 2005

**Publication: “Rebirth of Utility DSM Programs in Nevada”**, Co-authored B. Balzar and H. Gellar, 2004 Summer Study on Energy Efficiency in Buildings, American Council for an Energy Efficient Economy, Asilomar, California, August 2004

**Panelist: “Diversifying Generation in the Southwest”** Law Seminars International Energy in the Southwest Conference, Santa Fe, New Mexico, July 2004

**Panelist: “The Government’s Role in Renewable Energy Development”** at the States of Alaska and Nevada Geothermal Trade Mission, Reno, Nevada, June 2004

**Testimony: Integrated Resource Planning Law in Nevada**, Before Public Utilities Commission of Nevada, Sierra Pacific Power Company, Docket No. 03-12002, Carson City, Nevada, March 2004

**Publication: Boosting Renewables for a Brighter Future**, Wellinghoff, Jon, Lazar, Jim, *Geothermal Bulletin*, November/December 2003

**Master of Ceremonies: Renewable Energy in the West Conference**, Reno, Nevada, October 2003

**Publication: “Energy and Consumer Law”**, TAG Law Western Regional Conference, Las Vegas, Nevada, September 2003

**Panelist: US DOE GeoPowering the West State Working Group Summit Meeting on Geothermal Development Opportunities**, Boise, ID, September 2003

**Speaker: Geothermal Development on Military Lands – Development Opportunities Through the Public/Private Partnership Model**, Contract to the US Navy Geothermal Program Office, Wellinghoff, Jon, Jim Combs, Carl Pechman and Marty Ringo, September 2003

**Presenter: “Opportunities for Geothermal Development-Oregon/California 500kV Transmission Line”**, US DOE GeoPowering the West State of Oregon Geothermal Collaborative, Portland, Oregon, July 2003

**Presenter: “The Renewable Portfolio: Increasing Supply with Renewable Energy”**, Energy Restructuring in the Southwest Conference, Las Vegas, Nevada, July 2001

**Presenter: “Geothermal Industry & Renewable Energy”**, to the FEMP/DOE Northwest Regional Renewable Summit on behalf of Vulcan Power, Seattle, Washington, October 2000

**Presenter: “Energy Star Small Business Presentation”**, ILDA National Conference on behalf of Jerry Lawson of the EPA, Las Vegas, Nevada, June 2000

**Participant: “Southwest Electricity Reliability Summit”**, Invitation of Secretary of Energy Bill Richardson, Phoenix, Arizona, June 2000

**Presenter: “Rebuild America Business Partners Forum”**, Business Partner Program Participation, Henderson, Nevada, June 2000

**Participant: “Rebuild America Program Planning Workshop”**, Atlanta, Georgia, January 2000

**Presenter: “Preparing Your Facility for Electric Deregulation”**, Electric 2000 Conference, Las Vegas, Nevada, January 2000

**Presenter: “The Status of Electric Deregulation”**, DOE Rebuild National Conference, Las Vegas, Nevada, July 1999

**Presenter: “How to Choose an Energy Services Company”**, US DOE Rebuild America Peer Exchange, San Francisco, Calif., June 1999

**Publication: “Breaking Up— It’s Not So Hard to Do”**, *The Electricity Journal*, Volume 9, Number 4, page 46, May 1996

**Presenter: “A Cooperative Model for Utility Restructuring”**, National Rural Electric Cooperative Association, Santa Fe, New Mexico, November 1995.

**Presenter: “Gambling on an Urban Co-op”**, Renewable Energy Development Institute Symposium Proceedings, Willits, Ca, September 1995

**Publication: “Avoiding the Hospitality Resource Drain: Water and Natural Gas Conservation**

**Publication: Measures”**, *Journal of Hospitality and Tourism Research*, Volume 5, Number 1, page 161, August 1994

**Testimony: “Testimony in the Matter of Central Utility Company For An Increase In Rates”**, CUC Docket 12841, before the Public Utility Commission of Texas, April 1994

**Presenter: Open Lighting Forum, Association of Energy Engineers, Anaheim, CA, April 1994**

**Presenter: "Strategies for Efficient Lighting System Retrofit”** Southern California Edison Energy Show & Seminar, Long Beach, CA, March 1994

**Publication: “Utility Commercial Lighting Programs — The Keys to DSM Success”**, Co-author T. Flanigan, IRT Environment, January 1994

**Publication: “Winning the Lighting Retrofit Game”**, *Electrical Construction and Maintenance Magazine*, May 1993

**Testimony: “Testimony In The Matter Of The Application of Texas Utilities For An Increase In Rates”,** TUEC Docket 11735, before the Public Utility Commission of Texas, May 1993

**Speaker: “Las Vegas Flamingo Hilton Environmental & Energy Plan”,** Nevada’s FUTURE ’94 Conference, Las Vegas, NV February 1993

**Publication: “HID Lighting”,** Southern California Edison Lighting Course Manual, December 1992

**Speaker: “Current Trends in Lighting Efficiency Improvements”,** Sacramento Energy Forum ’92, Sacramento, California, October 1992

**Publication: “System Approach to Commercial Lighting”,** Southern California Edison Lighting Course Manual, October 1992

**Presenter: “Status of Integrated Resource Planning in the United States”,** 1992 Summer Study on Energy Efficiency in Buildings, American Council for an Energy Efficient Economy, Asilomar, California, August 1992

**Publication: “Introduction to Commercial Lighting”,** Southern California Edison Lighting Course Manual, June 1992

**Presenter: “Least-Cost Utility Planning/U.S. Survey”,** American Public Power Association, Santa Fe, New Mexico, October 1991

**Testimony: In The Matter Of The Application of Potomac Electric Power Company For An Increase In Retail Rates For The Sale Of Electric Energy”,** Formal Case No. 905, before the District of Columbia Public Service Commission, April 1991

**Presenter: “Least-Cost Planning Manual for State Consumer Advocates”,** U.S. Department of Energy, September 1990

**Testimony: In the Matter of The Application of Potomac Electric Power Company for Changes to Electric Rate Schedules”,** Formal Case No. 834, Phase II, before the District of Columbia Public Service Commission, July 1990

**Testimony: In the Matter of the Application of District of Columbia Natural Gas Company for an Increase In Rates”,** Formal Case No. 890, before D.C. Public Service Commission, February 1990

**Testimony: In The Matter Of The Application Of Potomac Electric Power Company For An Increase In Rates”,** Formal Case No. 889, before the District of Columbia Public Service Commission, January 1990

**Presenter: Iowa Utility Association Least-Cost Planning Conference**, Des Moines, Iowa, July 1989

**Testimony: In the Matter of the Application of Potomac Electric Power Company for Approval to Construct Combustion Turbines at Its Benning Road Generating Station**", Formal Case No. 877, before the District of Columbia Public Service Commission, January 1989

**Presenter: Governor's Task Force Least-Cost Planning & Conservation**, St. Paul, Minnesota, December 1988

**Presenter: "Integrated Resource Planning"**, Conference on Developing Georgia's Energy Future: Least-Cost Energy Planning, Athens, Georgia, December 1988

**Panelist:** Seminar on Alternative Incentive Mechanisms in Least-Cost Planning, Conservation Committee Seminar, NARUC Annual Meeting, San Francisco, California, October 1988

**Speaker: "Least-Cost Electricity Planning: Financial Incentives for Utility Promotion of Conservation"**, 99th Annual Convention and Regulatory Symposium, National Association of Regulatory Utility Commissioners, New Orleans, Louisiana, November 1987.

**Presenter: "Electric Least-Cost Planning"**, 1987 Mid-Year Meeting, National Association of State Utility Consumer Advocates, Washington, D.C., June 1987.

**Presenter: "Cost Recovery in Least-Cost Utility Planning"**, Demand-Side Management Conference, sponsored by the Electric Power Research Institute, Houston, Texas, June 1987.

**Presenter: Least-Cost Integrated Planning Workshops**, sponsored by the New York State Public Service Commission, New York, N.Y., May 1987.

**Presenter: "Utility Least-Cost Planning"**, PROMOD III Applications Forum, sponsored by Energy Management Associates, Inc., Atlanta, Georgia, May 1987.

**Speaker: "A Least-Cost Utility Planning Statute for Nevada's Gas Utilities"**, before Assembly and Senate Committees of the Nevada Legislature, (Legislation enacted), April 1987.

**Speaker: "Least-Cost Planning"**, Decade of Advocacy Conference, sponsored by the Ohio Office of the Consumers' Counsel, Columbus, Ohio, April 1987.

**Speaker: "Least-Cost Planning for Whom?"**, Least-Cost Energy Planning in the Mid-West: A Symposium, Chicago, Illinois, February 1987.

**Speaker: “Rate Structure and Cost Recovery Models that Support Demand-Side Management ”**, Demand-Side Management Options for Today, Opportunities for Tomorrow, conference sponsored by the Massachusetts Executive Office of Energy Resources, Boston, Massachusetts, January 1987.

**Presenter: “Least-Cost Planning in the Electric Industry”**, 1986 Annual Meeting, National Association of State Utility Consumer Advocates, Phoenix, Arizona, October 1986.

**Participant, Regional Committee on Electric Power Cooperation**, Western Interstate Energy Board, Park City, Utah, September 1986.

**Participant: Edison Electric Institute**, Wye Dialogue, Maryland, August 1986.

**Presenter: “Utility Regulation: Can States Hold the Line on Electricity Costs?”**, National Conference of State Legislatures, Seattle, Washington, August 1985.

**Presenter: "Choosing Demand and Supply Options for Electricity in Ontario”**, before the Select Committee on Energy of the Ontario Legislative Assembly, Toronto, Ontario, Canada, April 1986.

**Publication: “A Model for Statewide Integrated Utility Resource Planning”**, Public Utilities Fortnightly, August 1985.

**Presenter: “Least-Cost Planning and Phantom Taxes”**, before the Energy and Natural Resources Subcommittee, Committee on Energy and the Environment, U.S. House of Representatives, Washington, D.C., May 1985.

**Speaker: “Evaluating Conservation Options”**, Electric Utilities and Their Customers, Consumer Federation of America, Washington, D.C., May 1985.

**Presenter: Workshops on Least-Cost Utility Planning**, sponsored by the Colorado Public Service Commission and facilitated by the Harvard Negotiation Project, Denver, Colorado, January 1985.

**Speaker: “Energy and Economic Growth in Nevada”**, Nevada Energy Symposium, Nevada Utility Shareholders' Association, Reno, Nevada, January 1985.

**Speaker: “Resource Planning: A Solution for Financially Troubled Utilities”**, State Utilities Regulation Seminar, National Association of Attorneys General, Washington, D.C., November 1984.

**Speaker: “New Approaches to Meeting Tomorrow's Demand for Electricity”**, American Public Power Association, Denver, Colorado, September 1984.

**Speaker: “The Nevada Utility Resource Planning Act: An Economic Mandate for Utility Conservation Programs”,** 1984 Summer Study on Energy Efficiency in Buildings, American Council for an Energy Efficient Economy, Santa Cruz, California, August 1984.

**Comments: "Proposed Regulations for Least-Cost Utility Planning in Nevada",** Docket 83-713, before the Nevada Public Service Commission, July 1983

**Speaker: “A Least-Cost Utility Planning Statute for Nevada's Electric Utilities”,** before Assembly and Senate Committees of the Nevada Legislature, (Legislation enacted), April, 1983
