

WALLET CARDS

There are two types of CERC cards available: the emergency wallet card and Z-Cards (for all three CERC modules). Order minimum/maximum range: 1-250.

The Emergency Wallet Card is printed in full-color, front-to-back with key CERC principles. The card is 2x3 inches and is laminated.

CERC Z-Cards are printed on 9x15 sheets, front-to-back, that fold down — accordion style — into a wallet size card. The card cover and back are laminated. There are three Z-cards available: BASIC CERC, CERC LEADERS FOR LEADERS, and CERC PANDEMIC FLU. All three cards contain condensed information from the respective course books in a convenient format that fits neatly into a wallet or purse.
