

Date: October 25, 2004

Mr. James M. Williams  
National Weather Service  
Radar Operations Center

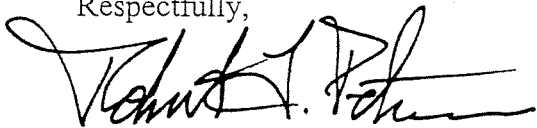

Subject: Capacity Certification of APPI Electric Davit Hoist 4FFM

Ref: Contract WC133W04CN0031

Mr. Williams,

In accordance with the referenced contract, the davit hoist model delivered to the National Weather Service has been successfully load tested at **125 %** of the maximum rated load capacity of 400lbs.

Respectfully,

Robert L. Peterson  
President
