## SURVEY OF FINANCIAL ACTIVITIES AND ATTITUDES

### **PUBLIC RELEASE MATERIALS**

In sponsoring the *Survey of Financial Activities and Attitudes*, the OCC has had the objective of making publicly available the survey questionnaire, results, and methodology. We hope that this availability will encourage private-sector market research and the introduction of more appropriate products and more effective outreach.

### **MATERIALS AND FORMATS**

- The survey questionnaire and much of the documentation for the public data file are available on this OCC Internet site.
- The public data file for the survey is available on a compact disc, which also contains the survey questionnaire and related documentation. The compact disc contents and the system requirements are described on this Internet site.
- The survey questionnaire is also available in printed form.

### **HOW TO OBTAIN PUBLIC RELEASE MATERIALS**

The compact disc and the printed survey questionnaire may be obtained free of charge by completing and sending in the data request form that is available on this Internet site.
