MEMORANDUM FOR SEE DISTRIBUTION

FROM: SAF/IEB

1665 Air Force Pentagon
Washington DC 20330-1665

SUBJECT: Candidate Recommendation Integration Reconciliation

The Air Force has completed final review the Candidate Recommendations (CRs) listed in Attachment 1. We have reevaluated your costs as part of our base-centric analysis and have posted revised COBRA input files (screens 3, 4, 5, and 7) that reflect the mission MILCON and base support costs to the AF Portal. The base support costs are allocated among the CRs per Air Force installation.

Costs for supporting facility, base infrastructure upgrades, movements, AT/FP, IT, and furniture for new MILCON are also added in the appropriate screens. Request you recalculate the COBRA for the specific CRs referenced above using the provided cost data, and then post the new COBRA files to the OSD portal within 48-hours. Our point of contact is Col(s) Thomas Laffey at 703-614-7012.
