CRITERIA 8

This package contains data for the following eight DoD Installations: Buckley Air Force Base Annex, CO; Defense Supply Center-Columbus, OH; Fort Sill, OK; Naval Air Station Patuxent River, MD; Naval Air Station Pensacola (including Saufley Field), FL; Naval Station Norfolk, VA; Naval Pearl Harbor, HI; and Rock Island Arsenal, IL.

Reference DoD Memorandum, Jan 4, 2005, Subject: Transformation Through Base Realignment and Closure (BRAC 2005) Policy Memorandum Eight – Selection Criterion 8, which states: “For those scenarios where the losing installation is lease property, the scenario proponent may assume that the owner of that property will be responsible for all environmental restoration, waste management, and environmental compliance activities at the leased property. The scenario proponent also may assume that movement of personnel to the leased location will not result in adverse environmental consequences, and that the costs related to environmental restoration, waste management, and environmental compliance will be incurred by the lease owner. If applicable, the scenario proponent need only request that a Summary of Environmental Impacts be completed by the Military Department or DLA for the losing installation.”

Based on the above referenced memorandum, the following seventeen DFAS leased locations are excluded from the Scenario 8, Summary of Scenario Environmental Impacts requirement: Indianapolis, IN; Limestone, ME; Kansas City, MO; St Louis, MO; Cleveland, OH; Dayton, OH; Charleston, SC; Seaside, CA; Orlando, FL; Rome, NY; Arlington, VA; Oakland, CA; San Antonio, TX; Patuxent River, MD; San Diego, CA; Lexington, KY; San Bernardino, CA.
