

Update for TIPSS-4: June 11, 2008

The purpose of this note is to provide up-to-date information on the acquisition for TIPSS-4. The TIPSS-4 team has conducted very intensive market research in obtaining appropriate information to ensure that the next TIPSS contract is one that will capture the methodologies, concepts, and structure that will provide service beyond delivery to the customers that will use this vehicle.

The TIPSS-4 team has received several e-mails and phone calls from vendors requesting meetings. No meetings will be entertained at this time. The schedule for TIPSS-4 is very aggressive; however, we offer the suggestion to communicate with us through the [TIPSS-4](#) e-mail address. Information via e-mail or phone call is subject to be made apart of market research data and/or a frequently asked questions document.

As of date we are moving towards the anticipated schedule as posted from Industry Day on February 13, 2008. If, we have any changes to these dates, we will post them to this web site.
