**SUBJECT:** Update of Form H-(b)11 – Annual/Current Report

On July 13, 2007, the Office of Management and Budget extended its approval of the Savings and Loan Holding Company Report H-(b)11 information collection (Form H-(b)11). The Office of Thrift Supervision (OTS) uses Form H-(b)11 to aid in its supervision of savings and loan holding companies. OTS revised Form H-(b)11 to clarify reporting expectations and make plain language changes to the instructions. The revised form is available at <http://www.ots.treas.gov/docs/7/78171.pdf>. You should begin using it immediately. If you have any questions, please contact your local Regional Office.
